ready for use of returning soldiers under the enlarged homestead and stock raising homestead acts, Secretary of the Interior Lane announced today. Entries may be made for these lands in tracts of 640 acres or less, it was stated. The new lands are divided by states as follows: Colorado, 87,540 acres; Idaho, 46,125 acres; Montana,

These lands lie in Colorado and North Dakota and may be obtained in tracts of 320 acres or less.

CARL HINGES PLAYS COMEDY IN ELK SHOW

Part Of "Whitney Barnes" In "Officer 666," One Of Funniest Characters.

Among the all-star cast of local players, who will appear in this year's annual show, "Officer 666," which will be staged at the Grand on Wednesday and Thursday evenings of this week, are several new recruits to the ranks of theatrical Elksdom. One of these is Carl Hinges, who will make his maiden bow to Elk show patrons in the role of "Whitney Barnes." "Whitney Barnes" belongs to the type of stage character popularly termed an English "silly ass," and a real silly ass is generally conceded by dramatic critics to be about the funniest creation that it is possible to write into a play. And "Whitney Barnes" is certainly a real one. He is one of those congenial idiots who can never open his mouth without getting his foot in it. Mr. Augustin McHugh, author of "Officer 666," considers the part of Barnes his very best piece of eccentric character depiction, and Mr. McHugh, it may be stated, is perhaps the most successful writer of stage comedy in the world. The author has purposely made the speeches in this play just as assinine as possible, with the result that

every speech calls for a roar of laughter. As for Carl Hinges' acting of the part, this young man is slated to put over one of the most pronounced hits that was ever registered in an Elks' play. Carl is a natural born actor, anyway, and he likes this part so well that he has really gone "nutty" over it.

The seat sale for both Wednesday's and Thursday's performances of "Officer 666" will open at the Opera House Pharmacy tomorrow morning at 9 o'clock. It is a foregone conclusion that the 1919 Elks play will duplicate the records of former years and that the house will be sold each night before the curtain rises. The annual Elks play is conceded to be the big dramatic event of the year, and those who are counting on good seats for this year's production are advised to secure them as early in the day as possible. The prices are the same as last year—one dollar for reserved seats and fifty cents for the gallery. Seats may be reserved by telephone. The number is 1439.

PIMPLY? WELL, DON'T BELIEVE IT!

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights. Cleanse the blood, the bowels and the liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's never any sickness or pain after taking them. Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating. No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face. Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color. Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look! 10c and 25c per box. All druggists.

CIVIL WAR VETERAN WOULD AID FRIENDS

Says Tanlac Did Him So Much Good He Wants To Give Every Old Soldier A Bottle.

"I wish I could buy every old soldier a bottle of Tanlac, for from the way it has fixed me up I believe it would add years to their lives," said Frank B. Kendrick, a Civil War veteran living at 4800 Charlotte avenue, Nashville, Tenn. "Some time back," he continued, "I had rheumatism so bad, and went down so fast, that it looked like I was on the verge of a general breakdown and had about despaired of ever walking again. I was fast losing what little flesh and strength I had left and could hardly get from my bed to my chair. I had no appetite, could hardly sleep and suffered constantly with headaches. "After taking Tanlac a short while I began to improve. I kept it up till I have gained thirteen pounds and feel better and younger than I have in years. Tanlac just filled me with new life and energy and put me on my feet again. I have a fine appetite and can walk anywhere I want to go and hardly feel it at all." Tanlac is sold in Hubbard by Hubbard Drug Co., in Mt. Angel by Ben Gooch, in Gervais by John Kelly, in Turner by H. P. Corneha, in Woodburn by Lyman H. Storey, in Salem by Dr. A. C. "I ADVISE EVERY SICK WOMAN"

"I advise every suffering woman to take Lydia E. Pinkham's Vegetable Compound for it has done me so much good. I had female weakness, inflammation, pains in my sides and painful periods. I suffered for six years and tried many remedies without benefit. The doctor said I must have an operation. I read about Lydia E. Pinkham's Vegetable Compound in the newspapers, and since taking it I am cured and have a nice baby four months old. I feel like a new woman, and have recommended your medicine to my friends. I would be glad to have everybody know what your medicine did for me, and if you write to me I will answer all letters."—Mrs. MARY CALIGURE, 317 South Main St., Herkimer, N.Y.
