MUSTEROLE—QUICK RELIEF! NO BLISTER!

It Soothes and Relieves Like a
Mustard Plaster Without
the Burn or Sting

Musterole is a clean, white ointment,
made with the oil of mustard. It does
all the work of the old-fashioned mustard
plaster—does it better and does not blister.
You do not have to bother with a
cloth. You simply rub it on—and usually
the pain is gone!

Many doctors and nurses use Musterole
and recommend it to their patients.
They will gladly tell you what relief it
gives from sore throat, bronchitis, croup,
stiff neck, asthma, neuralgia, congestion,
pleurisy, rheumatism, lumbago, pains
and aches of the back or joints, sprains,
sore muscles, bruises, chilblains, frosted
feet, colds of the chest (it often pre-
vents pneumonia).

CLEANSSES YOUR HAIR MAKES IT BEAUTIFUL, THICK, GLOSSY, WAVY

Try This—All Dandruff Disap-
pears And Hair Stops Com-
ing Out.

Surely try a "Danderrine Hair
Cleanser" if you wish to immediately
double the beauty of your hair. Just
moisten a cloth with Danderrine and
draw it carefully through your hair,
taking one small strand at a time. This
will cleanse the hair of dust dirt or any
excessive oil—in a few minutes you
will be amazed. Your hair will be
wavy, fluffy and abundant and pos-
sess an incomparable softness, lustrous
and luxuriant.

Besides beautifying the hair, one ap-
plication of Danderrine dissolves every
particle of dandruff; invigorates the
scalp, stopping itching and falling hair.
Danderrine is to the hair what fresh
showers of rain and sunshine are to
vegetation. It goes right to the roots,
invigorates and strengthens them. Its
exhilarating, stimulating and life-pro-
ducing properties cause the hair to
grow long, strong and beautiful.

LIFT CORNS OFF IT DOESN'T HURT

With fingers! Corns lift out and
costs only few cents

Pain No, not one bit! Just drop a
little Freezone on that touchy corn,
instantly it stops aching, then you lift
that bothersome corn right off. Yes,
mangled! Costs only a few cents.
Try Freezone! Your druggist sells a
tiny bottle, sufficient to rid your feet
of every hard corn, soft corn, or corn
between the toes, and calluses, without
one particle of pain, soreness or irri-
tation. Freezone is the mysterious ether
discovery of a Cincinnati genius.

service, met them here.

visiting her sister, Mrs. Broyles.

braith, Eugene Riches, Howard Pitte-
nger and Granville Allenman, who have

burn last week. A number of others are
expected home this week.

attended the dance given by Company
auxiliary last Tuesday evening, which
was a success both socially and finan-
cially, as \$100.50 was taken in which is
