DO AWAY WITH INDIGESTION

How to Purify a Sour, Distressed Stomach in a Few Minutes
Let us talk plain English; let us call a spade a spade.
Your food ferments and your stomach isn't strong enough to digest the food you put into it, so the food sours and forms poisonous gases, and when it does leave your stomach it has not furnished proper nourishment to the blood, and has left the stomach in a filthy condition.
Take Mi-o-na stomach tablets if you want to change your filthy stomach to a healthy, clean, purified one.
If Mi-o-na fails to relieve your indigestion, rid you of dizziness, biliousness and sick headache your dealer will cheerfully refund your money.
If you want to make your stomach so strong that it will digest a hearty meal without distress, and you want to be without that drowsy, all tired out feeling, take Mi-o-na; it should give you prompt relief. For sale by A. J. Fry and all leading druggists.

Behavior Of Today's Market Big Contrast To Yesterday's

New York, March 11.—The New York Sun financial review today says:

The behavior of today's stock market was in striking contrast to that of yesterday's. While there was an undertone of firmness to the price list and a belated spurt of strength just before closing which carried steel up to 98, nothing like the gains registered in Monday's session were achieved nor was the volume of trading anything like as large.

Whatever was exerted today was consistently resisted. United States Steel dropped below 94 and Republic and Midvale of the steel group were also soft, but the other steels did very well. The railroad equipment shares made little net change and the rails themselves were rather thinly dealt in.

HER DAUGHTER WAS SAVED FROM OPERATION

Mrs. Wells of Petersburg Tells How.

Petersburg, Va.—"For two years my daughter suffered from a weakness and pains in her right side; at times she was so bad she could not do any work. For two years she was attended by the best physicians here and both agreed that she would have to be operated on. I suggested Lydia E. Pinkham's Vegetable Compound, and at first she refused to take it, but finally consented. From the very beginning it helped her, and now she is entirely well, and telling everybody how much good it had done her."—Mrs. W. D. Wells, 226 North Adams Street, Petersburg, Va.
If every girl who suffers as Miss Wells did, or from irregularities, painful periods, backache, sideache, dragging down pains, inflammation or ulceration would only give this famous root and herb remedy a trial they would soon find relief from such suffering.
For special advice women are asked to write the Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of forty years' experience is at your service.

DRUGS EXCITE YOUR KIDNEYS, USE SALTS

If Your Back Is Aching Or
Bladder Bothers, Drink
Lots Of Water And
Eat Less Meat.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys, and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salt which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.
Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jael Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.
Jael Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.

Fifty seven Y. M. C. A. workers, 10 of whom were women, lost their lives in camps and trenches abroad during the war.
