Relieve Your Indigestion With A Laxative=

Dyspeptics know that indigestion is accompanied by ation, and that until the bowels can be regulated so they will act freely and naturally every day at a stated time, llowing dyspepsia tablets is of little use.

A great and growing number of sufferers from this trouble find immediate and then permanent relief by the use of a combination of simple laxative herbs with pepsin sold by druggists under the name of Dr. Caldwell's Syrup Pepsin-The laxative herbs act on the bowels and the pepsin and extracts on the digestive tract, forming an exceptionally effective laxative-tonic.

It is a combination that has been found wonderfully helpful in indigestion, constipation, billounness, headaches, had breath, belching and gas on the stomach. A small dose is all that is required.

The druggist will refund your money if it fails to do as promised.

Died of accident and other causes. 191 Died of disease Wounded severely 11 Missing in action Total
