Peb. 20.—(By Mail.)—While American trace of it, no matter how much dan-troops are on the Rhine, the mashitants druff you may have. of the ceupied region must stay healthy or at least observe unusual sanitary and health procautions. This solicitude does not arise from any undue regard from a protection to the American and ded protection to the American troops.

You may have.

You may thave.

For that reason a special department to do the work, of the civil affairs department is keeping an eye on the German sanitary arrangement and health supervision. This by orders of the American authorities department is in charge of Licuta-Colthe local public physicians in each discretible Bensel, an experienced health detrict of the occupied area report immediately.

The Best Cough Syrup Is Home-made

COMBING WON'T RID

The only sure way to get rid of dan-druff is to dissolve it, then you de-stroy it entirely. To do this, get about

dintely every ease of sickness to the health department. The American commander in each town also sends in report of each case of illness among the civilian population. In case of a con-tagious disease, Colonel Bensel at once investigates in order to halt any spread of the disease, which might affect troops quartered in the town. To Halt Epidemics.

In the little town of Linz five case You've probably heard of this well-known plan of making cough syrup at home. But have you ever used it? When you do, you will understand why thousands of families, the world over, feel that they could hardly keep house without it. It's simple and cheap, but the way it takes hold of a cough will quickly arn it a permanent place in your home.

that they could hardly keep house without it. It's simple and cheap, but the way it takes hold of a cough will quickly care it a permanent place in your home. Into a pint bottle, pour 2½ ounces of Pinex; then add plain granulated augus syrup to fill up the pint. Or, it desired, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, it tastes good, never spoils, and gives you a full pint of better cough remedy than you could buy ready-made for three times its cost.

It is really wonderful how quickly this bome-made remedy conquers a cough-usually fit 24 hours or less. It seems to penetrate through every air passage, loosens a dry, hearse or tight cough, lifts the phigm, heals the membranes, and gives almost immediate relief. Spleadid for threat tickle, hearseness, croup-pronchitis and bromehial asthma.

Pinex is a highly concentrated compound of genuine Norway pine extract, and has been used for generations for threat and chest allments.

Avoid disappointment by asking your druggist for "2½ ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Et. Wayne, Ind.
