## DAILY HEALTH TALKS

(By VALENTINE MOTT, M. D.) It is almost impossible to give a list of the endless diseases that follow in digestion. Perhaps a whole column in this newspaper would be required to print them all. You cat to keep alive— to supply blood and firsh and bone and muscle and brain. It is easy to see that muscle and brain. It is easy to see that it your food is not digested and taken up by the delicate organs and distributed where it is needed, a disease of some sort is sure to come Dyspepsia is a common symptom, and so are liver complaint loss of flesh, nervousness, bad memory, dizzinoss, sleeplessness, no appetite. Many times, when neglect-ed, indigestion results in courses, throat disonses, catarrh, bronchitis and even more dangerous things. And all these disorders arise because the food is not properly digested in the stomach. It is plain even to a child that relief and cure are to be had only by setting up a healthy condition in the stomach. a healthy condition in the stomach. Dr. Pierce, of Buffalo, N. Y., many years ago combined a number of vegetable growths into a temperance remedy for indigestion, and cattled it Golden Medical Discovery. It is probably the most efficacion, discovery ever made in medicine, for the list of permitted in medicine in medi ble all over the world who have bad Their countless ills overcome by Dr. mierce's Golden Medical Discovery nakes an amazing total of thousands. I know of no advice better than this: Begin a home treatment today with this good vegetable medicine. It will show you better than I can tell you what it will do. When taking Gold-en Medical Discovery, you can rest as-sured of one very important thing-it contains neither alcohol nor opintes. There is nothing in it but standard rocts and herbs that possess curative properties of a high order. A safe med-icine is the only kind you can afford to take.
