The series of special meetings that have been in progress at the Leslie M. E. church, under the leadership of Rev.

A. S. Barner, D. D., and his anger, Paul B. Taylor, came to an end with the service of hast evening, which was well attended. These meetings have been marked by a great deal of interpost, as the evangelist is a man who presents the gospel with profound carnestness and strong appeal, and he has been ably supported by the musical service of Mr. Taylor. Both pastor and people realize that the church has received a real uplift and impetus from the efforts of these two workers.

Some of the finest voices in the city and once a month presents a special musical service similar to the one end.
