NEW SPRING DRESSES MODELS OF DAININESS

All you women who admire dresses possessing daintiness will certainly fall in love with these new taffetas, georgettes, charmeuses, crepe de chimes and satins.

If there is such a thing as daintiness and refinement in a garment (which, no doubt, there is) then these charming dresses embody these qualities to a high degree.

They are just the garments that would fit in for swell "dress-up" affairs—and the prices make them VALUES hard to resist.
