

No Medicine-Chest Without Its Family Laxative

From the baby to the grandparent: a good laxative is the necessary medicine in the little ills. It wards off serious sickness and saves doctor's bills. Many a cold has been prevented from running into grippe and pneumonia by its timely use.

Many a racking headache has been quickly dispelled by it. And it is a laxative rather than a drastic cathartic or purgative that should be in every family medicine-chest, for a laxative can be used at all ages.

Thousands of good American families have for more than a quarter century used a combination of simple laxative herbs with pepsin known to druggists as Dr. Caldwell's Syrup Pepsin. It is a laxative- tonic that acts on the bowels and stomach. Infants take it with perfect safety, and it is equally effective for grownups.

Grandparents are now seeing their children give it to their babies. It is excellent for all the family in constipation no matter how chronic, indigestion, wind colic, biliousness, headaches, dyspepsia and similar ills.

The druggist will refund your money if it fails to do as promised.

PRICE AS ALWAYS

In spite of greatly increased laboratory costs due to the War, by sacrificing profits and absorbing war taxes we have maintained the price at which this family laxative has been sold by druggists for the past 26 years. Two sizes—5c and \$1.00.

POISON SOURCE TRACED

North Yakima, Wash., April 3.—Ivan Symonds, who knew Ruth Morgan when she went to school here, admitted yesterday that he sent strychnine to the girl who tried to kill herself in Seattle Tuesday by taking poison. He declares she wrote and asked him for the poison which he was able to obtain through his work in a drug store. He said she claimed to be "disgusted with things" and wanted the poison for a dog. The Morgan girl left Yakima for Seattle about a month ago.

A radio message from the steamship America, off Cape Grace, Newfoundland, has been received by Mr. W. E. Vincent from her son, Corporal Andrew M. Vincent, to the effect that he would arrive in Boston Saturday. Corporal Vincent is with the 26th division, known as the "Yankee Division," which saw some of the severest fighting of the war. It was this famous "Yankee Division" that, with the marines, turned the tide at Chateau Thierry and Belleau Wood. Corporal Laird V. Woods of Dallas who was wounded just previous to the signing of the armistice, and of whom the daily papers said so much at the time of his return, was also a member of the 26th. Friends of Corporal Vincent are awaiting his return expectantly, as he will, no doubt, have a wealth of interesting experiences to relate.

Sergeant Norlyn Hoff to whose return so many Salem friends have been eagerly looking forward, arrived in Salem yesterday for a brief visit with his parents, Mr. and Mrs. O. P. Hoff. Sergeant Hoff will remain in Salem until the first of the week when he will go to Portland to engage in business.

Mrs. Gerald Volk entertained the P. E. O. Sisterhood yesterday afternoon at her home on North Capitol street.

The name of Miss Hazel McGilchrist of Salem appeared in a list of the pledges for the Delta Delta Delta sorority at the University of Oregon. Miss McGilchrist is one of the most charming members of Salem's young set.

Mrs. M. M. Chapman is entertaining as her guest, her sister, Mrs. Walter Williams, of Dallas. Mrs. Williams is the wife of a prominent Dallas banker and sister-in-law of Ralph Williams, one of the foremost republican leaders in the state.

There will be a meeting of the Salem unit of War Mothers tomorrow afternoon at 3 o'clock in the Commercial club rooms. All mothers of soldiers in any branch of the service and mothers of nurses are eligible and are earnestly requested to attend the meeting.

A pleasant surprise party was given April two at the home of Mr. and Mrs. H. McWhorter of Market street. The affair was in honor of Mr. and Mrs. Joe Fisher and children, Bessie and Everett, who are leaving soon to make their home in California. The evening was spent with music and cards after which the hostess served a delightful luncheon. Those present were Mr. and Mrs. Joe Fisher, Mr. and Mrs. P. E. Cutler, Mr. and Mrs. H. McWhorter, Charles Jaquet, Mr. and Mrs. Willis Little, Mrs. Dan Sweet, Mrs. Wilkerson, Lillian Jaquet, Bessie Fisher, Delma Sweet, Melva Little, Carl Jaquet, Elvin Little, Everett Fisher and Edwin Cutler.

Ralph D. Moore, formerly secretary of the Commercial club, is in Portland for a few days.

Mrs. Lawrence T. Harris, wife of Judge Harris of the supreme court, is a Portland visitor, being a guest at the Imperial hotel during her visit.

Powder, Lieut. Wm. Burgard, Major Halver H. Rasch.

On one point there seemed to be unanimity of opinion—France was a good place to come from. Some of the boys testified that the French were always glad to welcome them, but they always had an eye to the American pocketbook, and in some quarters there was a progressive holdup for every commodity and line of service. The familiar "egg" was passed up and down the American ranks about the doughboy who fought in the battle of Paris and came out with wound stripes on his pocketbook.

Another thought that occupied almost every mind was the possibility of finding a job awaiting them when they received their discharge. There were thousands of the arrivals in New York who found a hard job of disappointment coming to them when they went to look for work.

Happy Mothers Prepare in Advance

A Wonderful Influence For Expectant Mothers.

Mothers for over half a century have used with the utmost regularity the time-honored preparation, Mother's Friend, before the arrival of baby. Here is a truly wonderful postnatal application for the abdomen and breasts. It softens and makes elastic the areolae, rendering them pliant to readily yield to nature's demand for expansion. By its use the anxious moil of pregnancy are made comfortable. The usual wrenching strain, heaving-down and aching pains are averted. The system is prepared for the coming event, and the use of Mother's Friend brings restful nights and happy anticipations. For the scores are not drawn upon with the usual strain. By its regular application the muscles expand easily when baby arrives; the time is less at the crisis and naturally the pain and danger is less. Mother's Friend is on sale at every drug store. It is for external use only, is absolutely safe and wonderfully effective. Write the Bristol Receptor Company, Dept. C, Lamar Building, Atlanta, Georgia, for their interesting Motherhood Book, free to users of Mother's Friend, and obtain a bottle of Mother's Friend from the drug store and begin this grateful treatment.

L. L. HOOK SAYS HIS TROUBLES ARE OVER

Tanlac Built Him Up So He Is Now Working Hard Every Day.

"When I weighed the other day I found I had gained thirty five pounds and that's only a part of what Tanlac has done for me," said L. L. Hooks, of North Rowell, Ga., in relating his experience with Tanlac. "I suffered from such an awful case of stomach trouble," he continued, "that I could hardly eat a thing and nothing tasted right. The little I forced down didn't give me any strength and at times I would almost choke from the gas that formed in my stomach. I was so weak and miserable I just couldn't do any work at all and was just about all in. "I commenced to take Tanlac because I saw the good it was doing others, and I could feel all the difference in the world right from the start; it simply made me feel like a new man. My troubles are now over, it built me up wonderfully and I am working hard, using pick and shovel every day and never have any more trouble with my stomach."

Tanlac is sold in Hubbard by Hubbard Drug Co., in Mt. Angel by J. M. Gosh, in Geneva by John Kelly, in Turner by H. E. Gormelia, in Woodburn by Lyman H. Storey, in Salem by Dr. A. C.
