An annual dividend of 6 per cent has been received by stockholders in the federal loan bank of Spokane. The money has been remitted to those of Park and Marion county who had subscribed to the stock when taking out a loan. The government requires that a party who received money on the government's farm loan plan, must subscribe five per cent of his loan to the federal bank doing business in the district. The payment today amounted to \$427.41 by those interested in the government's farm loans. It is thought that hereafter the federal bank will pay a much larger dividend than 6 per cent.

A loganberry contract entirely different from any other heretofore made was signed a few days ago. This contract is for one acre of loganberries in the Wadsworth hills. In consideration of the payment of \$300 the owner of the one acre agrees to keep in good condition and cultivate the tract five times. The renter simply pays the \$300 for the privilege of having the crop and of course takes his chances on whether more than \$300 worth of berries can be picked from the one acre. In this instance, the renter is of the opinion that the one acre planted to loganberries should yield not only his \$300 but also a profit.

A house buyer will pay up to \$6000 spot cash for a snap, close in buy, north of State St. G. W. Niemeyer, Masonic bldg.

Salem Farmer Cured of Cancer

Salem, Oregon December 6, 1918. To Whom it May Concern: This is to certify that I had a cancer of my lower lip of three years standing which worried me greatly. I went to Dr. S. C. Stone for treatment. He applied a liquid for six days and then an ointment, and in a few days the cancer came out and the place healed up nicely. This was last August. I can conscientiously recommend Dr. Stone and his treatment of cancer. W. J. BROWN.

The above certificate was tendered by Mr. Brown unsolicited in appreciation of Dr. Stone's services. S. C. STONE, M. D. (Stone's Drug Store) 241 North Commercial Street, Salem, Oregon. Phone 35. Consultation and Advice Free.

Gospel meetings are continuing at the South Salem Friends church with evidences of interest and promise of results. Last night a most excellent message was presented by Rev. Stocker, of the Evangelical church, on the subject of the Atonement. It is expected that the series will be continued next week.

Business was booming this morning at the tax collecting office of Sheriff Needham. The long line suggested a rush at a moving picture show, only those standing around failed to have a very joyous expression on their faces today was the last call for the payment of the first half of taxes for the year. Beginning with Monday those who have been delinquent will be assessed one per cent a month interest for the next six months, and then there will be added a five per cent penalty for the amount that should have been paid before April 5. The line included anxious women as well as men.

While strawberries are in the market, just at present they are a little too high for general distribution in the city. The retail price would be 30 cents a box today and then the berry shipped from Los Angeles would not be of a very good quality. It is thought that with a few warm days in the south, prices will reach a level that will permit the growers to handle them at 25 cents a box.

People are really interested in suggesting a proper name by which the fine prunes of the Willamette valley may be properly advertised, the name to suggest about half a dozen complimentary ideas on the Oregon prunes. Those received yesterday at the Commercial club include the following: Prunetta, King of the Hills, Queen of the Hills, Privilia, Perfection Purple, Willamette Pride, Wallmat Beauty, Pride of the Valley, Indian Summer, Made a Mist, Mountain Mist, Morning Mist, Rain Kissed Rainier, and Rain

Shine. The lists are still open and any one having an original idea should submit same.

E. F. Carleton, representing the department of public instruction at the Island Empire Teachers association at Spokane, returned to Salem this morning, reporting a very interesting and important meeting of the great body. Among other matters of national scope brought up there was the Hoke Smith bill, providing for a department of education in the president's cabinet and an appropriation of \$100,000,000. This matter was strongly presented in the convention, but sentiment seemed to be very much divided.

In the J. C. Penney ad yesterday, the goods listed under the head "Men's khaki work shirts" should have read "pants." An error in proof reading.

A superb line of ready made picture frames, popular prices from 30 cents up. Buren's, Commercial street.

John Graber, manager of the Cherrian band has been fortunate in securing one of his best soloists. This time it is Ed Tolman who played the double B bass in the band two years ago. Mr. Tolman has been working in the ship yards and came to Salem a few days ago just for a visit. After interviewing Mr. Graber and looking over the situation, he decided to make Salem his home and hence will be heard in the Cherrian concerts this summer.

Photo stand frames, gold and silver finish, \$1.25 up. Buren's, Commercial street.

When its music and dance go where the crowd goes, army tonight.

Senator McNary is reported in the Washington dispatches as having gone up almost a mile high in an airplane, and of talking a nice little ride over parts of Maryland, Virginia and the District of Columbia. Upon lighting once again on solid earth, Senator McNary is reported as saying, "I was not frightened, but there was a perceptible absence of that pleasant sense of security which one has when he knows he can place his feet on solid ground at will."

Gold to the amount of \$53,000,000 was deposited by the Germans in the Belgian national bank at Brussels Wednesday in payment of foodstuffs which the allies are permitting to enter Germany.
