SOCIETY

By GERTRUDE ROBINSON

The weighty diplomatic question concerning the Japanese-California land trouble had nothing whatever to do with the meeting of the Salem Women's Press club last evening, when Mrs. Byron F. Brunk literally transplanted the blossom decked land of the mikado into an otherwise occidental Oregon home for the pleasure of her guests. From the dainty hand painted invitations and place cards to the prettily shaded lights and graceful art baskets of fragrant Japanese quince blossoms, every thing was in harmony with the quiet oriental plan of the reception. Mrs. William H. Brunk was an additional guest at the affair and delighted the guests with some beautiful vocal solos and Miss Lucille Elliott gave some beautiful dramatic readings. Members of the club are Miss Carol S. Dibble, Miss Ella McMunn, Mrs. Byron F. Brunk, Mrs. Burton A. Myers, Miss Lucille Watson, Miss Lucille Elliott, Miss Lucille Saunders, Miss Dorris Sikes, Miss Gertrude Robinson.

Mrs. R. C. Kriese entertained the Elite Embroidery club last Thursday afternoon at her home 300 South 14th street. The rooms were gaily decorated with old fashioned wall flowers and yellow daffodils. A guessing game in which Mrs. Shelburg carried off the prize, and games of pool filled the hours with lively entertainment. The hostess was assisted in the serving of dainty refreshments by Mrs. R. H. Campbell.

Guests of the club at the delightful affair were Mrs. R. H. Campbell, Mrs. Amy Wright and Mrs. E. Underwood. Members present were Mrs. J. A. Bernardi, Mrs. Clough, Mrs. B. Waller, Mrs. McIntyre, Mrs. Thompson, Mrs. Brant, Mrs. Harley Pugh, Mrs. Nellie Knox, Mrs. C. A. Given, Mrs. Clark, Mrs. Gene Roulifson, Mrs. Rander and Mrs. Shellburg.

Mrs. T. A. Livesley has gone to Vancouver, B. C., to meet her brother, Ward De Beck who has served for four years with the Canadian expeditionary forces. Mr. De Beck will be the guest of his sister in Salem in the near future.

The "stag dinner" at the Spa for which Dr. E. E. Fisher was host, Saturday, was such a wonderful success that those who were present at it voted unanimously that it be made an annual affair. The dinner itself was a masterpiece of its kind; one of the choice sumptuous affairs for which Mr. Myers has made the Spa locally famous. The "yarns" that were "swapped" and the reminiscences that were recalled, the ridiculous anecdotes and more serious experiences that were related all helped to make the dinner on that even the excluded wives and sisters of the guests would have given much to attend.

Circling the handsomely appointed table were Walter Denton, David Eyre, Cook Patton, R. E. Gruber, Ed Hagard, Hal Patton, Professor John Siles, Dr. Epley, Charles Knowles, Elmo White, S. B. Elliot, August Hucksstein, Dr. D. X. Beckler, Dr. E. E. Fisher and Dr. Fisher's father, C. A. H. Fisher.

The Parent-Teacher club of the Lincoln school will meet tomorrow evening at 7:30 o'clock at the Lincoln school. Miss Agnes Halsell will sing and the second grade will furnish a short musical program. Miss Lucille Elliott, one of the most talented dramatic readers that Salem has ever known, will render some choice selections at the meeting.

An anticipated event at Corvallis will be the inter-society dance that will be held at Oregon Agricultural college soon after Easter. Several charming Salem girls will be guests for the occasion.

John Claire Montieth, well known baritone and concert soloist, who numbers among his friends many prominent Salem people will appear in concert at Monmouth, April 10, under the auspices of the musical department of the state Normal school. In addition to his program numbers, Mr. Montieth will sing the baritone role in "The Mound Builders" (Bliss), which will be rendered by the Normal choral club under the direction of Miss Schuette, head of the department of music.

Mr. Montieth is conductor of the Vancouver music club chorus of Vancouver, Washington, which recently gave the most successful concert of its career, and under his able direction the club has made splendid progression the last three seasons.

Mr. and Mrs. Monroe Gilbert spent the week end at their country home near Salem. Mr. and Mrs. Gilbert are planning to pass the summer at "Hazelau" and numerous Salem people will be waiting to tender their social compliments on their arrival.

Mr. and Mrs. F. W. Schwab left Saturday for Tacoma, where they expect to make their home. Mr. Schwab has accepted a position as manager of the meter department of the Tacoma Gas company.

The following account of the recital given by Professor T. S. Roberts at McMinnville last Sunday appeared in the April 4th issue of the Telephone Register of that city:

"The organ recital given on Sunday afternoon at the First Presbyterian church by T. S. Roberts of Salem under the direction of Mrs. Charles B. Wilson, was enjoyed by a large and appreciative audience. Assisting him were Miss Lena Belle Tartar, vocalist of Salem, and Carl Grissen, violinist.

"Mr. Roberts' organ playing was a pleasurable surprise and delighted his hearers. The grand March from the 'Queen of Sheba' was a particularly beautiful number of the program as was also the exquisite 'Spring Song' by Hallins. Another number which gave Mr. Roberts a chance to demonstrate his musicianship was the well known 'Miserere' from 'Il Trovatore.' As a sympathetic accompanist he was a revelation.

"Miss Tartar has a voice of great richness and flexibility and has a host of admirers, among the music lovers of McMinnville. She adds the subtle quality of earnestness that makes her rendition go home to her listeners. Her setting of 'Allah'-Chadwick was especially effective.

"As always Mr. Grissen's numbers were highly enjoyable. He is a master of his instrument both in technique and beauty of tone, and his rendering of 'Legende,' Wienowski, was indeed pleasing. Mr. Grissen is a very generous as well as an accomplished musician.

"The Presbyterian church was filled to capacity on this occasion and brought out the largest audience ever seen in the building.

Oregon folk will be given a chance to hear Sousa's famous band again, as he will begin a coast to coast tour, the first he has undertaken in four years, one June 14 at the Academy of Music in Brooklyn. On this occasion the band will play for the first time Lieutenant Sousa's latest march, "The Golden Star," which he has dedicated to Mrs. Theodore Roosevelt.

Mr. and Mrs. Roma C. Hunter entertained the Tano club last week at their home on South Liberty street. "Five hundred" formed the evening's entertainment, Linn Gleason receiving high score.

eral weeks. As a matter of fact, Weimar and the regions around it had plenty of food, and the extra supplies caused plenty that could not be equaled anywhere in Europe.

Similarly in northern country provinces of Germany, there is a quantity of foods, but the people do not want to exchange it for paper money. This is the principal trouble in many country districts. The farming people shrewdly figure that food is a lot more valuable than paper money. When credit and business become normal, food will come out voluntarily, and it is doing so already.

ATLANTA BUSINESS MAN IS ENTHUSED

Since Taking Tanlac Almand Says He Feels As Well As He Ever Did.

"If you had seen me before I began taking Tanlac you would hardly believe me to be the same person," said A. F. Almand, a well known seed merchant of 271-3 Peters street, Atlanta, Ga.

"For more than a year," he continued, "I suffered terribly with stomach trouble. After eating anything I would always have gas on my stomach and would constantly belch up my sour, undigested food. I suffered with heartburn constantly and was extremely nervous, my liver was sluggish and I was bilious, too. I felt languid and tired out most of the time and often felt so bad that I could hardly attend to my business properly.

"I heard so many people praising Tanlac that I began taking it, too, and by the time I had finished my second bottle I had gained nineteen pounds. I never suffer now with heartburn or indigestion and am not nervous like I was before. I sleep well and get up in the morning feeling fine and ready for a hard day's work."

Salem And Other People Of Valley Keep Busy In France

E. B. Lockhart, who is now in Paris tells in a recent letter of meeting with a number of Salem and Willamette valley people who are now engaged in work in various parts of France. He met with Rev. George L. Clark of La Grande, who said in course of conversation: "Carl Abrams, of Salem arrived here last week for duty in Paris. I am preaching every Sunday to the doughboys, and like my job. Guy Fitch Phelps of Salem, author, preacher and lecturer, and Dan Poling of Lafayette, have been delivering lectures. Bessie E. Knauff of Newport is doing Red Cross work. Corporal W. M. Daughy of Sheridan, Frank McCann of Dallas and Sergeant Kaldy of Corvallis are doing guard duty at the Bastille. First Lieut. Wells Avanti, a former O. A. C. man, is here with the peace commission. Miss Marjorie McEwan of Portland is at base 46 in the army nurses corps, while Miss Bessie McCrea of Portland has been cited among co-workers for splendid work in central France. Laura Thomas is doing searcher work for the Red Cross in the hospitals of Barcelona."

Indispensable After 9 Years Of Internal Baths

Mr. Addison L. Williams, Box 1054, Sanford, Fla., writes Tyrrell's Hygienic Institute of New York as follows: "Regarding the 'J. B. L. Cascade' I feel it is one of the indispensable articles and should be in every home. I have not taken \$10 worth of medicine since obtaining it—about 2 years."

You can be free of biliousness and constipation, with all the ills which they produce, by an occasional internal bath. The "J. B. L. Cascade" administers these scientifically, it being an invention of Chas. A. Tyrrell, M. D., of New York, for 25 years a specialist on internal bathing.

By the proper application of nature's cure—warm water—it keeps the lower intestine free of all poisonous waste, and permits every function to work in harmony and without clogging—hence makes one cool, steady, bright, capable and well. Daniel J. Fry, wholesale druggist and mfg. pharmacist, Salem, Oregon, will be glad to show and explain the "J. B. L. Cascade" to you, and will also give you free on request an interesting and authoritative book, "Why Man of Today is Only 50 per cent Efficient," written by Dr. Chas. A. Tyrrell.

Ask for it today while it is fresh in your mind.

ready, under the stimulation of high prices and the "schleichhandel" artists.

But it is clear, far too dear for the poor, and the aged, and the sick, and for workmen's families with a number of children. This class is suffering for all Germany's sins, and is continually hungry and desperate. The allowances of food the poor get on their cards are insufficient and of facile quality in cities like Berlin. The mortality is high in this class, and for them Germany does need food from the outside world, food which the government can control and distribute where it belongs, rather than sell at prevailing high prices.

LOCAL VICTORY LOAN PLANS TAKING SHAPE

Organization of Committees For Drive To Be Completed By End Of Week.

In the Victory loan circles the present week will be one of rushing activity. There remains much to be done before the drive starts forward to another victory for Salem and Marion county. During the week it is expected that both the city and county organizations will take definite form.

City Chairman Ivan G. McDaniel stated this morning that the task of organizing the city forces was well under way and that the city forces will largely be recruited from those who have served in other drives and will be composed of experienced solicitors. In general the personnel of the staff will probably remain about the same as in the former drives. A meeting of the executive committee composed of D. W. Eyre, Wm. Walton, Jos. H. Albert and S. B. Elliott will meet today and select a general to have charge of the forces, a committee on publicity, a committee on finance, and a speakers committee.

Amor—the local victory loan officials is heard as word of doubt as to the ability of Salem and Marion county to raise their quota in full between April 21, when the drive starts and May 10, the last day. The fight is not expected to be any more difficult than in the previous drives. It remains simply for the campaigners to bring the public to a full realization that the victory loan is simply the raising of funds to defray the actual expenses of defeating the Hun—that the money itself has already been spent through the advance of treasury certificates and that the American people are now called upon to redeem their own promissory notes.

Encouraging reports are being received from all parts of the county and County Chairman F. G. Deckebach is confident that little trouble will be experienced in raising the quotas in all of the county chairman's centers. A meeting of the county chairman from all points in the county will be held Wednesday April 9, at 2 p. m. in the auditorium of the Commercial club. The chairman of the county are as follows: Mill City, J. R. Shaw; Aurora, H. L. Bentz; Woodburn, Keith Powell; Turner, J. E. Whitehead; Gervais, H. O. Hickman; Amusville, A. P. Speer; Hubbard, L. A. Beckman; Mt. Angel, J. J. Keber; Monfort, C. W. Coyne; Silverton, E. E. McCallister; St. Paul, J. N. McKay; Stayton, J. W. Mayo; Jefferson, E. D. Smith.

It is expected that the children of the local schools will make a good showing in the state wide essay contest on the subject, "Victory, What Price?" Children in the third and fourth grades are limited to 200 words; fifth and sixth grades to 400 words; and pupils of the seventh and eighth and high school grades are limited to 1000 words. About 400 prizes will be offered and the winner prize will be a German officer's helmet captured by a Yankee soldier on the western front. Other prizes will vary from silver badges of honor, gold medals. Salem wants to get the German helmet.

That 6 men from Atchison saw service in the army or navy is shown by the report of Mrs. Fred Royd, local war historian for that place.
