While gray, faded hair is not stoful,

we all desire to retain our youthful ap-

prarance and attractiveness. By dark-

ening your hair with Wyeth's Sage and

Sulphur Compound, no one can tell, be-

cause it does it so naturally, so evenly, You just dampen a sponge or soft brush with it and draw this through your hair,

taking one small strand at a time; by

morning all gray hairs have disappeared.

After another application or two your bair becomes beautifully dark, glossy,

thus avoiding a lot of muss.
