Allied Generals To Command New Cordon Are Designated

Pavia, April 10.—General Humbert and General Graziani have been appointed to command the allied cordon, which will be established from the Battle to the Black sea, it was reported today. A despatch to the Matia said the allies have evacuated the isthmus of Perekop and are fortifying Sebastopol. Recent reports said the allies would establish a new eastern front against the Bolsheviks by bringing about cooperation of the Rumanians, Czechoslovak and Polish armies. These armies were to be officered, equipped and organized by the allies.

Man Claims He Confessed To Crime To Save Young Brother

Spokane, Wash., April 10.—Serving a fifty-year sentence in the Idaho state penitentiary for a fiendish assault on a young girl 12 year ago, Fred S. Lane is attempting to prove that he confessed to the crime to shield his younger brother. The crime was committed near Harrison, Idaho. The girl, but 13 years of age, was picked up 18 hours after the assault and died from the effects of the crime. Lane's story has convinced parole officers at the penitentiary, but C. H. Potts, now mayor of Coeur d'Alene, who prosecuted Lane, declares that his story is a fake.

HARPER AND GORMAN BATTLE CUT IN HALF

Vancouver Post Commander Trims 12-Round Go To Legal Limit.

Vancouver, Wash., April 10.—Bobby Harper of Seattle and Joe Gorman of Portland boxed six rounds to a draw here last night.

The match was scheduled for the Victory theater, at the military barracks, and was supposed to go 12 rounds. It seems Colonel Charles Van Way, post commandant, didn't hear about the scrap until yesterday, and when he did he refused to let it go the long route. He finally consented to the bout, provided it complied with local laws, which call for not more than six rounds.

Three of the rounds were even. Gorman shaded his opponent in the second and sixth stanzas, but Harper had a decided edge in the fourth. The other three stanzas were even, so the 1200 fans were well satisfied with the draw decision.

Freddie Anderson floored Billy Nelson in the first and sixth rounds and won a verdict.

San Francisco, April 10.—Billy Shade, welterweight, was shaded in the four round main event at Dreamland last night by Frankie Jones. Their bout was fast. Other results were: Harry Reidy beat Bull Young; Paul Pollock beat Roy Renner; Johnny Cline lost to Frank Aldrick; Harry Schimmel won from Rufe Marshall; George Brannon lost to Eddie Jones; Al Remy stopped Mike Cochran.

Oakland, Cal., April 10.—The bay region seems to be bad for spooks. Jeff Clarke, "Joplin ghost" lost a decision to Jack Thompson, also a colored heavyweight here last night. Other results were: Joe Azevedo drew with Joe Miller; Young Azevedo drew with Danny Nones; Frank Luscher knocked out "Wild Cat" Leonard; Dolly Miller drew with Frankie Deney; Charles Hanson lost to Johnny Malone; young Fitzsimmons knocked out Bobby Powers.

'ROUND COAST LEAGUE BASES (By United Press.)

The winners, San Francisco, Oakland, Los Angeles and Salt Lake. Home run honor roll: Koenner, Seals, Spider Baum, long in experience and stature, held the Seattle Rainiers to four hits, the Seals winning 4 to 1. Pat Eastley, in his first whole game of the season, permitted 12 hits.

After an eight inning deadlock battle, the Oaks came out victorious over Sacramento, 1 to 0. Hits by Miller and Stumpf turned the trick for the Commuters.

A ninth inning rally won "the old ball game" for the Angels, 2 to 1. Oldham, pitching for the Beavers, with Thesen full, hit Killifer with a pitched ball, forcing over the winning run. Close games seemed to be the Coast league last night, as the Beas routed the Vernon bunch in the twelfth inning, 3 to 2. Cliff Markie, hurling for Salt Lake, held the Tigers hitless for seven innings.

WORLD CHAMPION COW OWNED WITHIN COUNTY

"Vive la France" Prize Animal Of Pickard Bros., Has Fine Record.

The world's champion Jersey cow for a record in butter fat is owned in Marion county. The world's champion for a three-year-old Jersey butterfat production is owned in Marion county and the county has more record producers than any county in the United States when it comes to fine herd Jersey cows. These facts were brought out at the meeting of the Oregon Jersey Cattle club today at the Salem Commercial club.

The champion Jersey cow is named "Vive la France" and is owned by Pickard Bros. of Marion. This cow has broken the record for the production of butter fat with 1000 pounds in one year. She is four years old.

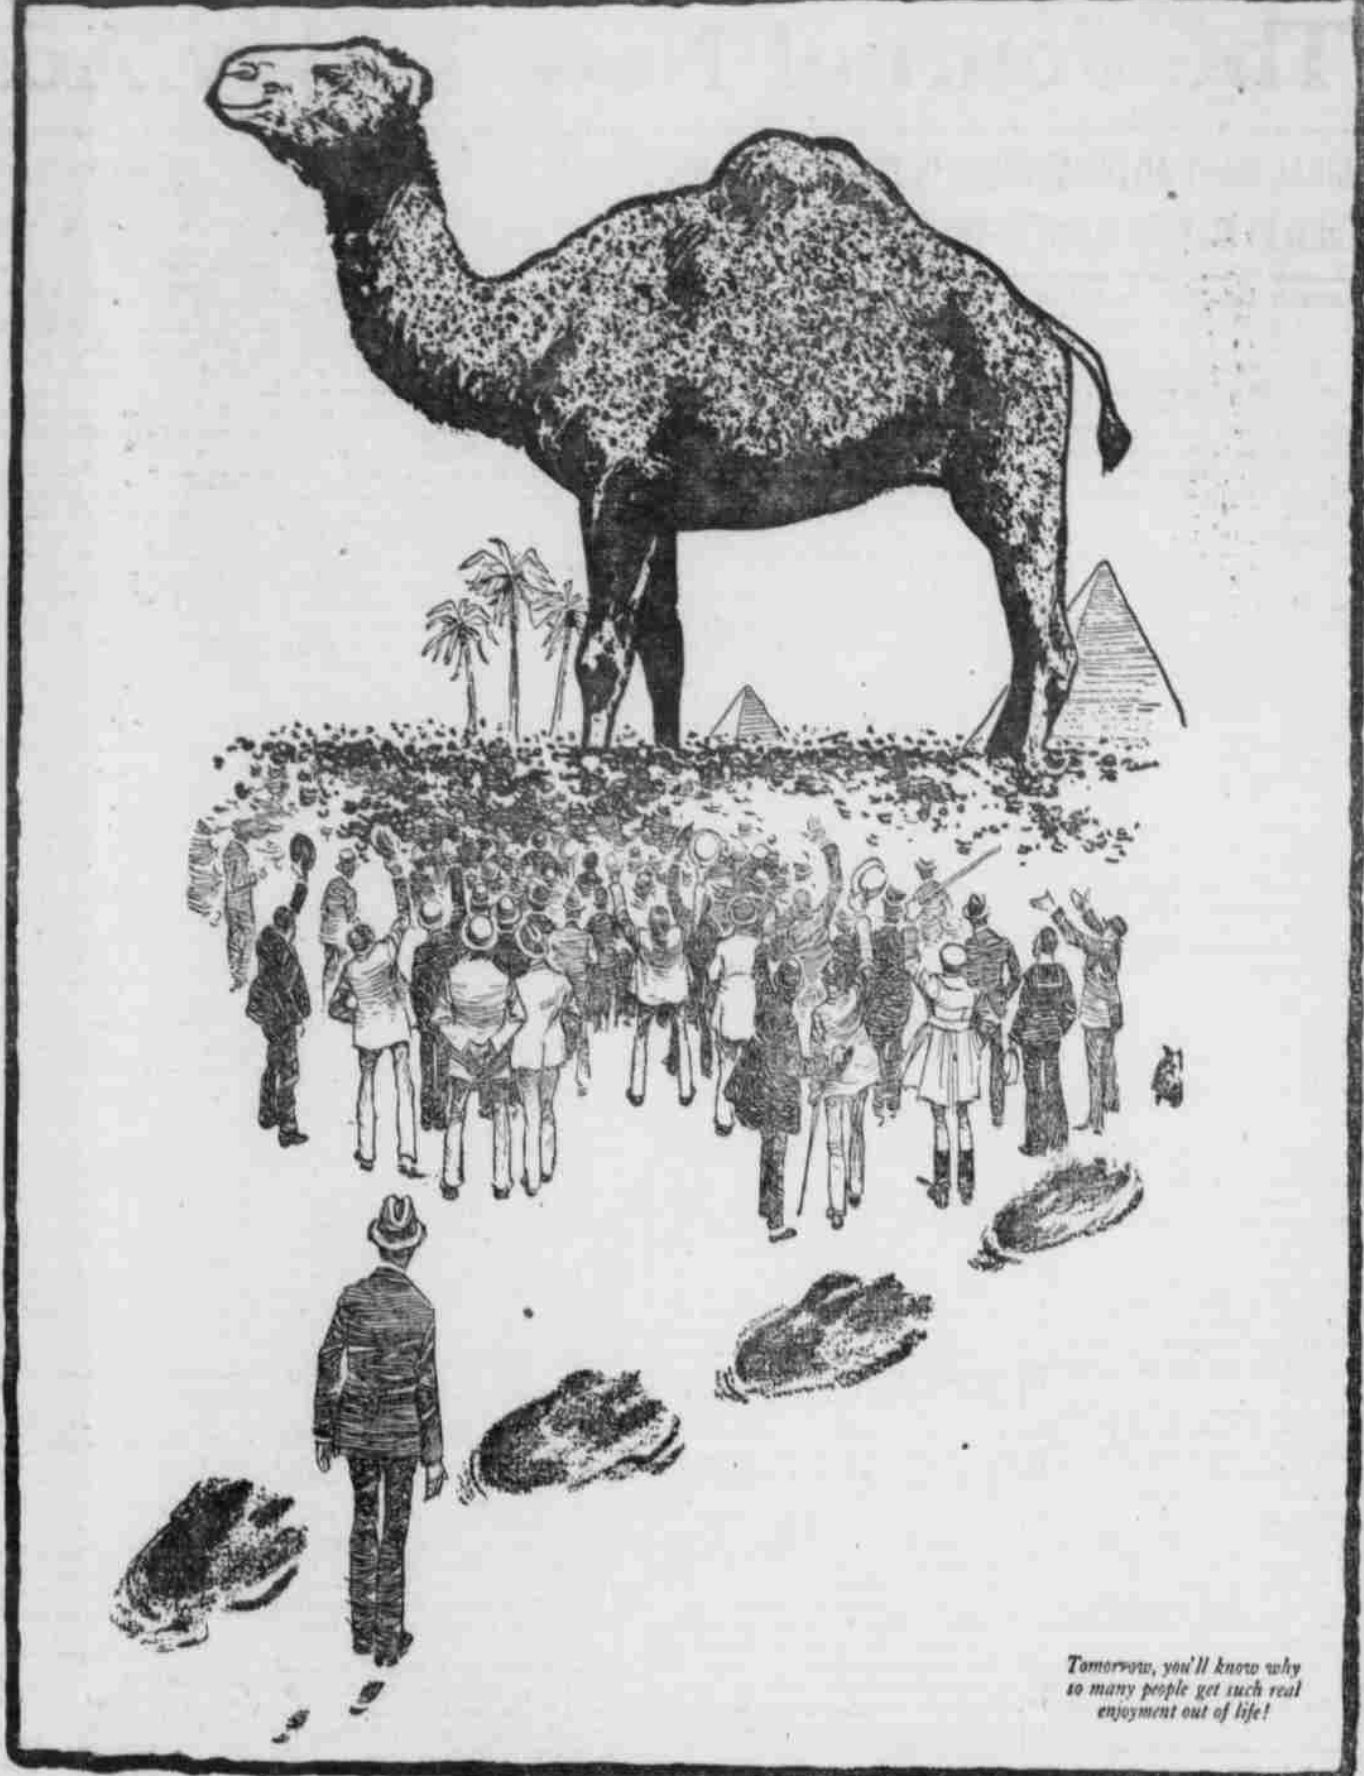

"Old Man's Darling II" also owned by Pickard Bros. of Marion is another world record breaker with 980 pounds of butter fat at the age of three years. The Jersey breeders of the state are proud of the fact that according to the official announcement, Oregon has 12 of the 40 butter fat record cows of the United States and four of the eight Jersey class leaders.

In fact, dozens of breeders are making records higher than those from some of the fancy farms in the east. Here it is done through intelligent work and industry, and it is this that is rapidly making Oregon the champion Jersey state of the country.

The meeting today was addressed by Congressman McArthur who is a Jersey breeder. He pointed out that if Oregon would capitalize what it has already done in Jersey breeding, that the state would establish itself as the leading Jersey center of the United States.

W. K. Taylor of Corvallis is president of the state club, Frank A. Doerfler of Silverton first vice-president, and Robt. I. Burkhardt of Albany, secretary.

Plans were under discussion today for a big celebration to be held this spring. This includes a first meeting of all Jersey breeders, to be held at Portland and then following meetings at different parts of the valley. Arrangements

Tomorrow, you'll know why so many people get such real enjoyment out of life!

are being made for meetings requiring 75 autos to carry members from place to place. The president of the American Jersey Cattle club will be present and speak at all the meetings. Details of the affair are to be worked out by P. M. Brandt, professor of dairy husbandry of the O. A. C. Secretary Burkhardt and President Taylor.

Open Forum

Salem, Or. April 10th, 1919. The Daily Capital Journal: I note that S. P. Snyder, has gone into print, endeavoring to make the public and the students believe that I am not here any more. But I am much pleased to inform you that I am here and expect to remain here. The only reason for such high handed methods as he (Mr. Snyder) is trying to put over is that he is afraid of his job.

This district had not been paying the schools for some five (5) years and when Mr. Snyder assigned me to this district in Nov. 1918, I have since heard that he did not think I could make good here and that as the district was in a run down condition and if he would stay away it would only be a short time until I would have to quit and in that way he would get out of his (Mr. Snyder) way. But here is what happened: I have a wife and five (5) children and do not believe in moving all the time, and when I saw what the conditions were here I got busy and worked day and night to establish myself here in a business like manner and if the action

How a Father Has Learned to Save Shoe Bills.

"My son is very hard on shoes, so keeping him properly shod has been quite an expense to me," writes Mr. J. Allison Allen, of Amity, Arkansas. "But since I started to buy Neolin-soled shoes for him I have found that it costs only about a third as much to keep him in shoes." This is because Neolin Soles are so tough and durable that they wear a very long time. Shoe bills are kept down because you don't need so many pairs. You can get Neolin-soled shoes at almost any good shoe store. They come in all styles and for all members of the family. Neolin Soles are also available everywhere for re-sooling. They are produced by a scientific process to be what soles ought to be: comfortable, waterproof and long-wearing. They are made by The Goodyear Tire & Rubber Company, Akron, Ohio, who also make Wingfoot Heels, guaranteed to outwear any other heels.

Straighten Up

THE man or woman afflicted with backache, swollen muscles, stiff joints, rheumatic pains or other symptom of kidney trouble is entitled to sympathy and should have help. Nature gives early warning of kidney trouble by puffiness under eyes, spots before the eyes, dry mouth, biliousness, weakness and pale, waxy, dry skin.

Foley Kidney Pills

tone up weak, inactive, sluggish kidneys and help rid the body of poisons. With kidneys and bladder properly functioning, appetite is restored, refreshing sleep is possible and health, strength and energy come as a natural result. C. P. Reynolds, Elmira, N. Y., writes: "Three months ago I was bed-ridden with kidney trouble. My back ached so severely I could not get up. We used Foley Kidney Pills, so I sent for some and commenced taking them. In a few days I was up out of bed and upon keeping the treatment up for some time I was able to go to work. Since then I have had no more back-aches and no trouble with my kidneys."

J. C. Perry's

of the students stand for anything I have sure done so. I am a member of your Commercial club I have opened an office here, and have spent hundreds of dollars here in Salem, and I can not believe that this man will get any of your moral support when you understand the motives that he has back of it all.

I made the statement that he was afraid of losing his job and this I fully believe, because in order to have the best of success in this work we must have the cooperation of industry, in order that our students can get the practical experience along with the theory. Mr. Snyder has been making a fair record in Portland but it is in no way his work for I have been working on a cooperative plan with about seventy five percent of the industry in Portland and this man Snyder has been getting the benefit of my work. So you see he is fighting a losing game and that is why he wants to get into print. I may go further and say that inasmuch as he has done what he has that I am now going after his job in earnest.

Gentlemen I wish to thank you for what ever kindness you show me in this matter.

Yours for greater Salem, —BENJAMIN R. PERKINS.

Important To All Women Readers Of This Paper

Thousands upon thousands of women have kidney or bladder trouble and never suspect it. Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease. If the kidneys are not in a healthy condition, they may cause the other organs to become diseased. You may suffer pain in the back, headache and loss of ambition. Poor health makes you nervous, irritable and may be despondent; it makes any one so. But hundreds of women claim that Dr. Kilmer's Swamp-Root, by restoring health to the kidneys, proved to be just the remedy needed to overcome such conditions. Many send for a sample bottle to see what Swamp-Root, the great kidney, liver and bladder medicine will do for them. By enclosing ten cents to Dr. Kilmer & Co., Binghamton, N. Y., you may receive sample size bottle by parcel post. You can purchase medium and large size bottles at all drug stores.
