HER IMPROVEMENT AMazes FRIENDS Looking After Sixty-Two Room House No Task To Mrs. La Plant Now.

"All my friends know and can tell you that for a long time I was almost a nervous wreck, and this Taniae has made such a wonderful change in my condition that they are simply amazed at my improvement," said Mrs. Ella La Plant, who resides in a large rooming house at 412 Payallup avenue, Tacoma, Washington, the other day.

"For the last twelve years," she continued, "I had been in a terribly rundown condition and during that whole time, hardly a day passed that I didn't suffer from awful headaches. I had no appetite at all and what little I forced down would ferment in my stomach and distress me for hours. My kidneys were out of order and worried me night and day and my nerves were so unstrung that after going to bed, any little sound, even the rustling of a newspaper, would wake me with a start and it would be some time before I could drop off to sleep again. I had a very large house to look after, and I was so weak and miserable that a couple of hours' work would exhaust me so that I'd just have to quit for the rest of the day. The fact is, loss of sleep and lack of nourishment had undermined my nervous system and I was just wearing myself out."

"I spent all the money I had on medicines and treatments that did me no good, and I had about given up hope of ever getting well, when I began to read about the good Taniae was doing others and I thought I might as well try it right after starting on it, surprised even me for after experience with other medicines I did not expect such quick results. My appetite is just fine--too fine, the way prices are now--for I feel hungry most all the time, and I am rid of that terrible backache at last. Those awful headaches are all gone, too, which is a grand relief, besides, I sleep all night like a child and feel so strong and rested when I get up in the mornings, that I don't mind at all the work I have to do in looking after a sixty two room house full of people. My father is now taking Taniae and says he is just feeling fine."

Taniae is sold in Salem by Dr. S. C. Stone, in Hubbard by Hubbard Drug Co., in Mt. Angel by Ben Goehel, in Corvallis by John Kelly, in Turner by H. P. Cornelius, in Silverton by Geo. A.
