Miss Doris Sikes has gone to Eugene for a week's visit with her parents.

Knights Templar Easter Memorial services were held yesterday afternoon at the First Methodist Episcopal church. Dr. William Wallace Youngson, grand prelate of the grand encampment of the Knights Templar of America, and a speaker of national reputation, was speaker for the occasion.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No griping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.

Thousands take one or two every night just to keep right. Try them. 10c and 25c per box. All druggists.

MRS. DOOLEY'S ADVICE TO WORKING GIRLS

Milwaukee, Wis.—"I wish all girls who work and suffer from functional disorders would profit by my advice and take Lydia E. Pinkham's Vegetable Compound. Before I was married, when I came home from work at night, I would be just worn out with pains which dragged me down. I took Lydia E. Pinkham's Vegetable Compound and it made me feel like a new woman. I can work from morning until night and it does not bother me, and I wish all girls who suffer as I did would try Lydia E. Pinkham's Vegetable Compound."

Mrs. H. Dooley, 1135 25th Street, Milwaukee, Wis.

Working girls everywhere should profit by Mrs. Dooley's experience, and instead of dragging along from day to day with life a burden, give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound a trial. It has overcome just such conditions for thousands of others, and why not for you? For special advice, write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of their 40 years experience is at your service.

STATE HOUSE NEWS

Several thousand dollars are due to dairy and stock men of the state for cattle slaughtered under orders of the state veterinarian, an amount for which no provision has been made since the appropriation made by the last legislature did not cover the deficit appearing after the appropriations of 1917 were exhausted.

This deficit must be covered by deficiency certificates, which bear 6 per cent interest, until such time as the emergency board can meet and make provision for reimbursement of dairymen who have had cattle slaughtered on account of tuberculosis.

For some months past an expert consulting engineer with a corps of assistants has been gathering data as to the relative cost of freight hauls over various routes in Oregon, and as a result are preparing to file a complaint with the interstate commerce commission, requesting that concessions be made to the water grades of the Columbia river routes as against the mountain routes, on the ground that each community or section is entitled to the saving now, may be effected in transportation through topographical and geographical conditions.
