Salem High Tossers Nose Out 9 To 7 Victory In Last Frame Over Eugene Team

It was an ideal April afternoon, there was a big crowd in the grandstand and on the coaching line, the boys were in

good condition and spirits; all that was lacking for a good initial game with the Salem high school ball team Saturday was a few weeks of extra practice, which had been denied them by the weather. However, their contestants from Eugene were in the same fix, and consequently the game on both sides was marked by a series of spectacular fumbles and wild throws that made a

lot of fun for the "rooters" and stirred up the circulation of the players. The two teams were apparently well matched, for they were tied up during the first three innings. Then a series of fumbles with the ball on the part of the Eugene tossers gave the Salem boys a chance to run one batter after another around the diamond until they had run the score up to 8. Then the Eugene bunch pulled itself together, got a line on Fishers' curves and ticked off home runs until the score was again tied in the ninth inning. Then Ashby found the ball for a three-base run, sending E. Gill home and giving Salem the game by a margin of one. Fisher ran the pitcher's box during the fourth part of the game, showing the lack of practice by walking several men to first. In the latter part of the round he was replaced by Ashby. Some of the best plays of the game are to be credited to Eugene Gill, third base, and A. Gill, shortstop. McKittick umpired, while Murdoch coached for Salem.

HERE IS ONE THING THAT IS ABSOLUTELY IMPOSSIBLE

Rheumatism Has Never Been Cured by Liniments or Lotions, and Never Will Be. You never knew of Rheumatism—that most painful source of suffering—being cured by liniments, lotions or other external applications. And you will never see anything but temporary relief afforded by such makeshifts. But why be satisfied with temporary relief from the pangs of pain which are sure to return with increased severity, when there is permanent relief within your reach? Science has proven that Rheumatism is a disordered condition of the blood. How then, can satisfactory results be expected from any treatment that does not reach the blood,

the seat of the trouble, and rid the system of the cause of the disease? S. S. S. is one blood remedy that has for more than fifty years been giving relief to even the most aggravated and stubborn cases of Rheumatism. It cleanses and purifies the blood by routing out all traces of disease. The experience of others who have taken S. S. S. will convince you that it will promptly reach your case. You can obtain this valuable remedy at any drug store. A valuable book on Rheumatism and its treatment, together with expert medical advice about your own individual case, will be sent absolutely free. Write today to Medical Department, Swift Specific Co., 250 Swift Laboratory, Atlanta, Ga.

VALLEY PRUNES WILL BE SENT "FAR EAST"

Fifty 10-Pound Sample Boxes To Be Distributed To Oriental Firms.

At the suggestion of Mayor Baker, A. G. Clark, manager of the Associated Industries of Oregon, through the cooperation of W. T. Jenks, manager of the Willamette Valley Prune association, will forward, free of charge, to oriental firms of importance, liable to be interested, about 50 10-pound boxes of Oregon dried prunes. Mr. Jenks donates the fruit and the Pacific Steamship company, at the instance of Frank O'Connor, general agent, and C. D. Kennedy of the shipping board, will carry it to its destination without charge. The Shanghai packages will be addressed to the East Asiatic company, limited; Fraser & Co., limited; Albert & Co., limited; Alex. Koss & Co., and Shewan, Tomes & Co. Quon Kai, of Hongkong, will get one box and those sent to Manila will be delivered to Francis Burton Harrison, governor of the Philippines; the mayor of the city; the editor of the Cable News; the Findlay-Richardson company, Lutz & Co., and G. Martini, the two latter large business houses of the Philippine metropolis.

Each box will contain an explanatory letter, saying it is sent with the compliments of the Willamette Valley Prune association of Oregon; the city of Portland, by its mayor; the Associated Industries of Oregon, by A. G. Clark, manager, and through the kindly cooperation of the Pacific Steamship company, George S. Bab & Co., customs house brokers, will gratuitously fill out all export documents and attend to the formalities of shipment. The boxes will go, says Mr. Clark, by the steamship West Mounham, "an Oregon built vessel, and will be packed in Oregon boxes of Oregon wood, by Oregon men and women."

Willamette "U" Quartet Returns From Successful Southern Oregon Jaunt

After completing a week's tour of southern Oregon towns, the Willamette University quartet returned to Salem Saturday. Gustav Anderson, first tenor and manager, announces that it was a very successful trip. Large and appreciative audiences met the quartet in every town. The other members of the club are Harry Bowers, second bass; Paul Sterling, baritone, and Floyd McIntire, second tenor. Bowers and Anderson are well known in Salem and have sung on the Willamette quartet together for four years. Sterling and McIntire are both well known in solo work.

Miss Florene Sherly, who accompanied the Salem Symphony orchestra in their last concert, was accompanist on the trip. Mrs. A. A. Schramm also went with the quartet. The varsity quartet enjoys an enviable reputation in Salem. For a number of years they have always been gladly received. Their first appearance before a Salem audience this year will be at the presentation of "The Arrival of King," the junior class play of Willamette University.

The trip was cut short because Anderson takes an important role in the junior play. Lake, Los Angeles. Home run—Crawford, Los Angeles. Murphy scored for Seattle in the third, and scored one run. The Oaks, unable to do likewise, lost, 1 to 0. Carrall Jones, ex-Detroit, walked six Tigers. However, the Ducks waded in in the sixth and took the game, 7 to 1. Los Angeles and Salt Lake went 50-50 on Sunday's program, the Bees taking the forenoon game, 7 to 4, Ellis' single scoring Fournier in the 13th inning, broke a tie and won the afternoon game for the Angels, 3 to 2. The Sacramento-San Francisco series went to the capital city lads. Sacramento took the afternoon game, 5 to 4. The Seals took the morning session, 3 to 2. Koerner, San Francisco, leads the real hitting for the season so far, with an average of .433. Karl Crandall and Sam Crawford follow him closely.

The statute of limitations has no meaning to E. M. Britton of Summer Lake, who arrived at Bend Wednesday to pay a \$20 debt which he had contracted with C. S. Staats 27 years ago.

FRENCH ASK

(Continued from page one) everyone violating not only the laws, but the customs of war. Whether this would reach those responsible for introduction of deadly gas in warfare, the submarine and other inhuman measures, is not apparent. Charges Are General. However, all such persons could be brought before military courts and they could expect little mercy through military code. The state department's announcement read: "Following are the proposed articles regarding penalties, for insertion in the treaty of peace, to be considered at primary session of conference today, Monday, at 3 o'clock p. m., Paris time: "Article I. The allied and associated powers publicly arraign William II of Hohenzollern, formerly German emperor, not for an offense against criminal law, but for a supreme offense

against international morality and the sanctity of treaties. "A special tribunal will be constituted to try the accused, thereby insuring him the guarantees essential to the right of defense. It will be composed of five judges, one appointed by each of the following five powers, namely, the United States of America, Great Britain, France, Italy and Japan. To Ask Extradition. "In its decision the tribunal will be guided by the highest motives of international policy with a view to vindicating the solemn obligations of international undertakings and the validity of international morality. It will be its duty to fix the punishment which it considers should be imposed. "The allied and associated powers will address a request to the government of the Netherlands for the surrender to them of the ex-emperor in order that he may be put on trial. "Article II. The German government not having insured the punishment of the persons accused of having exercised acts in violation of laws and customs of war, such persons will be brought before the military tribunals by the allied and associated powers and if found guilty, sentenced to the punishments laid down by military law. Huns Provide Evidence. "The German government shall hand over to the allied and associated powers or to such one of them as shall so request all persons accused of having committed an act in violation of the laws and customs of war who are specified either by name or by the rank, office or employment which they held under the German authorities. "Article III. Persons guilty of criminal acts against the nationals of any one of the allied and associated powers will be brought before the military tribunals of that power. "All persons guilty of criminal acts against the nationals of more than one of the allied and associated powers will be brought before a military tribunal composed of members of the military tribunals of the powers concerned. In every case the accused will be entitled to name his own counsel. "Article IV. The German government undertakes to furnish all documents and information of every kind, the production of which may be considered necessary to insure the full knowledge of the incriminating acts, the discovery of the offenders and the just appreciation of the responsibility."

AMENDED COVENANTS (Continued from page one) this afternoon. President Wilson, addressing the conference, explained the amendments to the league of nations covenant. He did not read the entire revised text. In speaking of the amendment recognizing the Monroe doctrine, the president merely referred to it as a new article. The president nominated Sir Eric Drummond as the first secretary-general of the league. He also moved that Belgium, Brazil, Greece and Spain be represented on the council, together with the "big five" (America, Great Britain, France, Italy and Japan) pending its permanent organization. Viscount Chinda, representing Japan, was scheduled to speak in favor of the racial equality amendment, asking the conference to adopt it, although the league commission refused to include it in the new constitution. French Ask Guarantees. The French, despite rumors of an agreement with Great Britain and the United States to provide further military guarantees for France introduced two amendments designed to strengthen the military provisions of the covenant. The submitted an addition to article VIII, providing for appointment of a special committee to obtain full information in connection with reduction of armaments. They also submitted a substitute for Article IX, providing that a permanent organization shall be constituted for the purpose of considering and drawing up naval and military measures to enforce the covenant and making them immediately operative in cases of emergency. The Japanese moved insertion of a strong clause regarding racial discrimination in "law or fact." Baron Takino speaking for the Japanese, urged there be no racial discrimination, indicating Japan will continue her efforts at recognition after formation of the league, even if no provision for this is made in the covenant. Makino spoke in English. Drummond Balfour's Aide. (Sir Eric Drummond has been private secretary to Foreign Minister, Balfour since 1915. Previous to that he was private secretary to the premier. He is 43 years old.) Makino declared the Japanese people "poignantly regret the failure to approve the just demand, laying down a principle aiming at adjustment of a long standing grievance."

The Japanese delegate said his country will continue its insistence upon adoption of this principle by the league, but did not offer an amendment covering it. His speech served merely to get the Japanese attitude on record without specific request for action. M. Hymans, speaking for Belgium, expressed regret that Brussels was not selected as seat of the league of nations, but offered no amendment.

Leonard Backers See Knock-Out In Store For Ritchie

New York, April 28—(United Press)—Many bets were being made here today that Benny Leonard, lightweight champion of the world would knock out Willie Ritchie, former title holder when they meet tonight in a bout scheduled for eight rounds at the First Regiment armory, Newark. Odds of 1 to 2 were asked by those betting that Leonard would stop his opponent, but few takers were found. The largest crowd that ever witnessed a Jersey bout, is predicted will be present. Leonard is said to have been guaranteed \$20,000 for his end while Ritchie is reported to receive \$10,000. The boys will enter the ring practically at catch weights. Articles of agreement stipulate that they shall weigh not more than 142 pounds. Ritchie, however, already is thin and drawn while Leonard is heavy, but fast. The poundage stipulation would eliminate any chance of Leonard's losing his title, unless Ritchie should reduce his weight to the lightweight figure and emerge victor.

Robert Salyer has been arrested at Spokane on a charge of passing bad checks at Pendleton amounting to \$100

Diamond CHICK FOOD

SAVES LITTLE CHICKS and helps them to grow into big, strong, healthy birds. A clean, wholesome, natural food—no dust—no waste. Keeps the chicks healthy and makes them grow fast. Look for our Name and Trade Mark on Every Original Package
