

# Try Salem First

This is the call of the Salem Business Men but please Mr. Business Man what did you do in the last several years to prevent the trading in Salem, and thus sending it to Portland.—NOTHING.

Until the People's Cash Store, 186-194 N. Commercial Street, took the problem in their hands and for their short time of existence you will hear from everywhere and everyone that the Peoples Cash Store is doing a wonderful business and every day and especially Saturdays all departments of Groceries, Dry Goods, Clothing and Shoes are crowded with people, while the 25 clerks are busy Saturday from early morning to late at night, but it is no wonder, our groceries are good, fresh and healthy, our Dry Goods, Clothing and Shoes are the best and latest style and everything in our departments are the lowest prices. We are giving free deliveries and also dividing our profits with our customers, by giving them FREE premium coupons with the purchase of each dollar which will secure nice silverware, dishes and crockery which enables them to decorate their sideboard with nice things entirely free.

Our ambition is to make not only a Salem week, but a Salem year. We will hold the trade of Salem and all around Salem for Salem. We will celebrate this week with unusually low prices in every department in groceries, dry goods, clothing and shoes. We are always in time. We are giving this week fly swatters to every customer. It is possible to chase out flies now with a swatter when you couldn't do it with a cannon. Prompt attention to all Mail Orders received.

### WATCHING THE SCOREBOARD

\*\*\*\*\*  
Yesterday's hero—Sam Vick. The youthful Yankee outfielder defeated the Athletics practically single handed through a brace of triples off Scott Perry.

The Red Sox erred four times at Washington, but managed to subdue the Senators 6 to 5, Walter Johnson being the goat.

Rube Benton went to the Giant firing line just in time to save Casey's ball game from the Braves. Score 5 to 4.

The Dodgers still are surprising themselves. The Phillies fell before them 10 to 1.

Lon Malone is third basing for the Dodgers and fans are expecting word that Ollie O'Mara has taken a trip to Indianapolis.

THE SMOOTHEST SMOKING TOBACCO

"WHEN I go fishin' I want fish that bite, and tobacco that don't."

Velvet Joe

"Bite" in tobacco comes either from poor leaf or wrong "ripening."

We use for VELVET only the finest Kentucky Burley. But we don't stop there.

We put millions of pounds of this tobacco away every year, in wooden hogheads, for Nature to patiently ripen and mellow.

There are quicker ways, but they leave some teeth in.

The VELVET way makes the friendlier kind of tobacco. You can always go to it for comfort without a "come-back."

Get chummy with VELVET today.

bits and blanketed them 3 to 0.

The Tigers tackled Oldham for 12 hits, downing the Beavers 8 to 1.

Everyone had a chance to fatten batting averages and decrease fielding averages when the Rainiers lost to the Oaks 10 to 9. Errors were about as frequent as runs.

Curly Brown of Los Angeles stands at the top of the P. C. L. pitching averages with three wins and no losses. He has only five runs chalked against him.

ly plunging and swinging champion. The latter lost his head completely and at one time swung so wildly that he almost flung himself to the canvas.

There is little question in the mind of the writer that Ritchie could not have stayed the remainder of the scrap. Hence it seems tragic that the lion hearted westerner should have been brought to such a defeat. He had put up a courageous fight, struggling constantly against the most difficult odds he ever was called on to face. Leonard smashed right and left in rapid fire attack from the opening going to the end and Ritchie took them all. Leonard's terrific punching could not beat down the man who defeated Ad Wolgast.

Ritchie was floored in the second round by a left hook that would have stopped the average fighter; then and there, Ritchie, however, took a count of seven and then rising, smashed a right into Leonard's jaw that almost unjointed that gentleman's vertebrae.

### PORTLAND FANS TO SEE FAST BOUTS ON SMOKER PROGRAM

Portland, Or., April 29.—Danny Frush, the English boxer, and Weldon Wing of Portland are booked for the main event at the smoker of the Portland boxing commission tomorrow night.

The Portland scrapper is considered to be every bit as good a boxer as Frush, but isn't quite as strong on the poke. Both are mighty clever and the fans are eager to see them mix.

Other events will be staged by Joe Gorman and Leo Johnson, Freddie Anderson and Johnny Schauer, Neal Zimmerman and Tedd Hoke, Billy George and Billy Emke.

### RICKARD WILL NAME LOCATION BATTLE WITH NEXT FEW HOURS

New York, April 29.—Tex Rickard, promoter of the proposed bout between Jess Willard and Jack Dempsey, indicated today he might name the battle-

ground either this afternoon or tomorrow. Word is being awaited regarding the action of Maryland's governor in the hope it will be possible to stage the scrap at Cumberland.
