By knowing the cause, a disease may
often be avoided. This is particularly
true of headache. The most common
cause of headache is a disordered
stomach or constipation, which may be
corrected by taking a few doses of
Chamberlain's Tablets. Try it. Many
others have obtained permanent relief
by taking these Tablets. They are
easy to take and mild and gentle in
effect.

Former Willamette Faculty Member Dies in Portland

After making a hard fight for his
life, aided by the best surgical skill
of Portland, Prof. Albert E. Egge, for-
merly of the English department of
Willamette university, passed away
late yesterday afternoon at the Good
Samaritan hospital in Portland. He
had been a sufferer for months with
malignant cancer, and a few weeks ago

submitted to two operations at the
hospital with the faint hope of saving
his life. Although he seemed to rally
from the ordeal in good shape at first,
he recently developed a hemorrhage
which resulted in his death. Although
connected with Willamette for only a
few months, he won his way to esteem
with the faculty and student body. His
death is received with profound
regret. He was recognized as a cap-
tain in his department, having held
position for 20 years at the Wash-
ton state college.

The United Press was informed that
there is no significance in the failure
to include Mexico among the neutrals to
immediate membership, beyond what
shows on the face of the action.
Mexico Not Recognized.
The United States recognizes the Car-
ranza government, but the French, Brit-
ish and other Europeans do not. The
French and British recognize the Costa
Rienco government but the United
States does not. In these circumstances

advice or assistance of an expert me-
chanic. The wrappers, bearing the label
of Gimbel's department store, are
declared by officials of that concern to
be imitations of their wrappers.
"Red" Hand Indicated.
The addresses are all typewritten.
The 17 bombs detained and discovered
in the mails here were held up because
they were sealed with red stickers, mak-
ing them first class matter. They only
carried enough stamps to go as parcel
post.
Attention was called to the fact that
many of the intended victims were men
who had favored restricting immigration.
It was also noted that District
Attorney Fickert, San Francisco, who
was marked for death, prosecuted and
convicted Thomas J. Mooney, and that
Federal Judge Landis, Chicago, another
marked man, had sentenced several
"reds."
Secret service agents here believed
there will be more bombs discovered to-
day. Naturally there is much fear of
the machines yet getting to the intend-
ed victims.
The bombs were made to look like a
small bottle of cologne in a wood box.
Efforts to remove the bottle were ex-
pected to break it, releasing fulminate
of mercury, which was intended to set
off three sticks of dynamite.

NO MORE ON COAST

San Francisco, May 1.—(United
Press)—Inquiries in various coast cities
early today had not disclosed additional
bombs like those sent Mayor Hanson at
Seattle and District Attorney Fickert
and his assistant here.
Postal authorities hoped the coast al-
ready had received its quota, our were
exercising great care in handling par-
cels. The bombs already found on the
coast were mailed from New York sev-
eral days earlier than the ones stopped
in the New York postoffice.

About Rheumatism

Rheumatism causes more pain and
suffering than any other disease, for
the reason that it is the most common
of all ills, and it is certainly gratify-
ing to sufferers to know that there is
a remedy that will afford relief, and
make rest and sleep possible. It is
called Chamberlain's Liniment.

DAILY HEALTH TALKS

A Single Remedy Often Cures Many
Diseases

(By VALENTINE MOTT, M. D.)
It is almost impossible to give a list
of the endless diseases that follow in-
digestion. Perhaps a whole column in
this newspaper would be required to
print them all. You eat to keep alive
—to supply blood and flesh and bone
and muscle and brain. It is easy to
see that if your food is not digested
and taken up by the delicate organs
and distributed where it is needed, a
disease of some sort is sure to come.
Dyspepsia is a common symptom, and
so are liver complaint, loss of flesh,
nervousness, bad memory, dizziness,
sleeplessness, no appetite. Many times,
when neglected indigestion results in
coughs, throat disease, catarrh, bron-
chitis and even more dangerous things
And all these disorders arise because
the food is not properly digested in
the stomach. It is plain even to a child
that relief and cure are to be had en-
ly by setting up a healthy condition
in the stomach. Dr. Pierce, of Buffa-
lo, N. Y., many years ago combined a
number of vegetable growths into a
temperance remedy for indigestion,
and called it Golden Medical Discovery.
It is probably the most efficacious
discovery ever made in medicine, for
the list of people all over the world
who have had their countless ills over-
come by Dr. Pierce's Golden Medical
Discovery makes an amazing total of
thousands.

I know of no advice better than this
Begin a home treatment today with
this good vegetable medicine. It will
show you better than I can tell you
what it will do. When taking Golden
Medical Discovery, you can rest assur-
ed of one very important thing—it con-
tains neither alcohol nor opiates.
There is nothing in it but standard
roots and herbs that possess curative
properties of a high order. A safe
medicine is the only kind you can af-
ford to take.
