As intimated, the base ball game between the Salem high school and the Amity teams yesterday afternoon was a one sided affair, the final score standing 15 to 3 in favor of Salem, who left the game from the start. This was something of a surprise to the winners, as the Amity team were winners by a big score in a previous game with McMinnville. The next game which was scheduled for this week, has been postponed until May 10, when the nine will cross bats with Eugene on their own grounds.

Lieut. Louis H. Compton, now in charge of the Salem Y. M. C. A., has just received a reminder of his service with the 23d infantry on the French front, in the shape of a letter from the war department, accompanying the cross of war, awarded for courageous action during operations near St. Etienne. The citation which comes with the cross reads as follows: "During the offensive operations of October 3 to 9, 1918, near Saint Etienne aux Arnes he displayed great courage. He commanded his sections of mortar staves and 37 mm guns under violent artillery and machine gun fire and advanced. Although wounded he remained with his men until another took command." Lieut. Compton is one of the few Salem men with a record in two wars, he having served with the regular army in the Philippines during the Spanish-American war.

Standard Pig club No. 2, of which George W. Eyre is local club leader, will meet tomorrow afternoon at 1:30 o'clock at the auditorium of the Commercial club. An address will be delivered by a specialist from O. A. C. The club now has 93 members, of which four or five are from Polk county. At this meeting the boys and girls who wish to enter as judges for the demonstration contest or judging team, will enroll. From those who are anxious to qualify, three from each contest will be selected and then the six will be given a special course of training. Another very important event of the session Saturday is that of selecting a proper pig club yell. The universities have a special yell and the boys and girls of the Standard Pig club No. 2 intend to have one, suggestive of the name of the club.

C. C. Russell is one of the progressive farmers in the neighborhood of Gervais, willing to do his share not only for his immediate section but for the whole county. He is now a member of the Salem Commercial club and in remitting to the club the membership dues he writes: "Some time ago William Egan called on me and asked me to be a member of the Salem Commercial club, stating it was a good thing. I told him I was always willing to do anything for the good of the county and especially Salem and vicinity."

The weather authorities have been kind to the May Day performers at Willamette today and everything is going along according to schedule. A part of the morning was spent in clearing the campus of every vestige of litter. At noon there was the jolliest type of a crowd in front of Waller hall where an unconventional but hearty "feed" was served, a la sylvan, with chatter all around the side. If there is anybody that is not happy it must be some unfortunate with a combination of patent leather and corns, or an ingrowing conscience. Visitors from various points of the compass, including Camp Lewis, have been in to join the festivities and renew old acquaintance. At the moment of closing the "forms" there is huge hilarity before the grand stand of the Willamette track where a bunch of fantastic bolshewiks are holding apow-wow, the speeches being seasoned with brimstone and blue vitrol and emphasized with upper cuts, the main idea being

the cremation and final annihilation of the bogey of class enmity. The events of the afternoon promise to be among the best ever.

Among the former Willamette students coming from Camp Lewis for the May Day celebration are Harold W. Emil of the 166th depot brigade, and Waldo Marsters of headquarters detachment No. 2 of the depot brigade.

W. S. Brown, of the Oregon Agricultural college, is among the guests at the Marion hotel today.

Chas. Holstin, of the 105th signal battalion, and Ed Wolf of the 28th artillery, arrived in the city this morning, having just received their discharge at Camp Lewis. Holstin spent 10 months on the French front and was mixed up in some of the biggest engagements of the war. For about three months he was nearly all the time in the range of shell fire, but came thru without injury. The two men left at once for the Holstin home a few miles south of the city.

Dr. Gibson T. White has returned from a winter's visit at Los Angeles. He says that the motoring is pretty rough just now especially in southern Oregon. He spent the winter with his daughter who was married last November and who is now attending medical school at Los Angeles.

Tacoma, Wash., May 2.—Nearly all Tacoma bakeries were closed today. A conference between members of the Master Bakers' association and journeyman bakers last night in a final effort to bring about a settlement on the new wage scale and working conditions, resulted in a deadlock. Three bakeries are paying the new scale, according to Secretary R. Webster of the bakers' union.

You Need Not Suffer from Catarrh

But You Must Drive It Out of Your Blood to Get Rid of It Permanently.
 You have probably been in the habit of applying external treatments, trying to cure your catarrh. You have used sprays, washes and lotions and possibly been temporarily relieved. But after a short time you had another attack and wondered why. You must realize that catarrh is an infection of the blood and to get permanent relief the catarrh infection must be driven out of the blood. The quicker you come to understand this, the quicker you will get it out of your system. S. S. S., which has been in constant use for over fifty years, will drive the catarrhal poisons out of your blood, purifying and strengthening it, so it will carry vigor and health to the mucous membranes on its journeys through your body and nature will soon restore you to health. You will be relieved of the droppings of mucus in your throat, sores in nostrils, bad breath, hawking and spitting.
 All reputable druggists carry S. S. S. in stock and we recommend you give it a trial immediately.
 The chief medical adviser of the Company will cheerfully answer all letters on the subject. There is no charge for the medical advice. Address Swift Specific Company, 251 Swift Laboratory, Atlanta, Ga.
