Salem Bakers Hoist Price Of Bread One Cent This Week

Due to the advance in flour and the demands of the bakers' union, bakeries in Salem announce an advance in the price of bread. Hence, bread will advance one cent a loaf beginning with Wednesday of this week. The one pound loaf will cost 11 cents and the one and one-half pound loaf 16 cents. Other bakery goods will advance in proportion. Wages in bakeries have advanced 25 per cent recently according to bakers' union. Skilled labor in the bakery demands and gets from 80 to 85 a day. If there is any work to be done at night, there is added \$1 for each 24 hours work. Flour advanced 50 cents a barrel in April and is due for another advance of 60 cents a barrel May 10. This with the demands of the bakers' union has forced the price up. Bakers state they have hesitated about raising the price of bread, but with everything advancing, including all kinds of short-cuts, there was nothing to do but put on the extra one cent a loaf.

ROUND COAST LEAGUE BASES

(By United Press.)
Yesterday's winners: San Francisco, two; Sacramento, Los Angeles, Portland, Seattle.
Twelve thousand saw the Seals take the afternoon game from the Bees, 7 to 4. With the annexing of the morning game, 6 to 5, the Grizzlies gathered in the series five games to two.
The Senators took the series, four to three, but split Sunday's games with the Angels.
A run in the ninth put the Beavers on the large end of the 4 to 5 score with the Oaks.
A ninth inning rally netted the Seals the gang four runs and the game with Vernon, 6 to 5.
Phil Koenig of San Francisco heads the real sluggers this week with .423. Grandall, also of the Seals, follows him with .364.

Tacoma Reporter Jumps 2000 Feet To Test Parachute

Seattle, Wash., May 5.—George Stagg, ex-army aviator, leaped 2000 feet from an airplane piloted by Percy Barnes, into Spinnaway lake, near Tacoma, Sunday afternoon to test out a new "double deked chute"—a variation of the recent "foul-non" parachute invented by F. W. Watkins of Seattle and Tacoma. He landed safely in the lake and was equipped with a cork vest which held him safely on the surface. Stagg is a reporter on the Seattle Star.

Memorial Day services will be held at the First Methodist church on the morning of Friday, May 30, at 10 o'clock. This was agreed upon at the meeting held Saturday. Invitations will be extended to all affiliating organizations to take part in the services.

The matrimonial market is looking up considerably, and the records prove it. During the past month of April 23 marriage licenses were issued at the county clerk's office and only four divorce suits were filed. Business may be also much better. Last Saturday five marriage licenses were issued, breaking the 1919 record for one day's business. These licenses were as follows: George J. Black, 39, shipbuilder of Portland, to Mrs. Nellie Price, 31, of Salem; John W. Etzel, 24, a farmer of Stayton, and Helen Fross, 22, of Stayton; George D. Turner, 21, a ship fitter of Portland, to Gertrude Normal, 21, of Woodburn; Chester M. Hixon, 33 of Salem, a mechanic, and Marguerite Frances Shannon, 23, a bookkeeper, of Salem; John Adam James, 23 farmer, of Aumsville, to Elizabeth Alice Downey, a teacher, of Stayton.

The U. S. employment bureau continues to connect the man who is looking for a job with the job. Yesterday three men were sent to logging camps, two were found jobs in garden work, one farm hand was found a position and two building trade helpers were placed with contractors.

J. E. Scott reports the sale of a ten-acre tract in Edgewater in which Hans Papp sells to J. F. McDonald. It was a cash sale for \$5000.

In answer to any inquiry about all the new laws that were passed by the last legislature, it may be said that if there was an emergency clause attached to the bill, it will become a law on May 29. Where there was an emergency clause, the bill became effective upon the signature of the governor.

Civ News

Gradually the parcel post service is removing all restrictions as to weight. August Hueckstein, postmaster here, has received instructions that the 11 pound package to Guatemala may be increased to a limit of 22 pounds and all sent at the rate of 12 cents a pound. And it is the same to British Honduras, in Central America. But if one wants to send a package to Paraguay, away down in South America, the limit is 11 pounds and it costs 15 cents a pound, plus a special charge of 30 cents for each package.
The county of Marion will not hereafter pay any royalty per square yard for renting a paving plant. Today there arrived the first county plant, which will cost about \$14,000 when all set up. It will be first used in putting down a hard surface pavement on the Liberty road.

ABOUT THE NEW WAR TAX.
The war tax does not interfere with us very much as it only amounts to 10 per cent on amounts over \$10. For instance on a \$11.00 shoe, the tax is 10 per cent on the \$1.00, or 10c. So we don't need to raise our prices at all. You just pay the tax only, which, in the most extreme case, with us, will amount to 30c on any one pair of light shoes, or 60c on some of the men's heavy high cut shoes. On Pump Buckles only 5 per cent of price.

Farm Workers Denied Plea For Discharge Preference

Washington, May 5.—Farmer workers will not be given preference in obtaining discharge from the army, war department officials announced today.
In carrying out war department orders, it was stated the war department does not consider that a general shortage of labor in farming shall be the determining factor in establishing the eligibility of an individual for discharge.

WIFE OF FORMER SILVERTON MAN TAKES THREE LIVES

The body of one of the little girls of Ole Stread, was found in the Columbia river Tuesday of this week. The mother with her two little daughters had gone to her sister's home near Heppner about two months ago for a visit and was supposed to have started home April 30. When she did not arrive her husband began an investigation with the result that the body of one little girl was found. The wife and other little girl have not yet been located but it is thought they too have been drowned.
Mrs. Stread had not been well since an attack of the flu a few months ago. Mr. Stread who is now employed in a grocery in Portland was employed about four years ago as a clerk in the Julius Alm store in this city.—Appeal

NOT PURELY A COUNTY AFFAIR

MANY CASES OF RHEUMATISM NOW

Says We Must Keep Feet Dry, Avoid Exposure and Eat Less Meat
Stay off the damp ground, avoid exposure, keep feet dry, eat less meaty, drink lots of water and above all take a spoonful of salts occasionally to keep down uric acid.
Rheumatism is caused by poisonous toxin, called uric acid, which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine. The pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly cold weather the skin pores are closed, thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles, causing stiffness, soreness and pain called rheumatism.
At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.
Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithia-water drink which overcomes uric acid and is beneficial to your kidneys as well.
