

HOW THIS NERVOUS WOMAN GOT WELL

Talk by Herself. Her Sincerity Should Convince Others.

Christopher, Ill.—"For four years I suffered from irregularities, weakness, nervousness, and was in a run down condition. Two of our best doctors failed to do me any good. I heard so much about what Lydia E. Pinkham's Vegetable Compound had done for others, I tried it and was cured. I am no longer nervous, am regular, and in excellent health. I believe the Compound will cure any female trouble."—Mrs. ALICE HELLEN, Christopher, Ill.

Nervousness is often a symptom of weakness or some functional derangement, which may be overcome by this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, as thousands of women have found by experience.

If complications exist, write Lydia E. Pinkham Medicine Co., Lynn, Mass., for suggestions in regard to your ailment. The result of its long experience is at your service.

Keep down the gopher pest with a .23 caliber Remington and hollow point cartridges.

Hoquiam is to have a steel rolling mill with a capacity of 100 tons a day, the first unit of which will employ 150 men.

HEARTBURN
or heaviness after meals are most annoying manifestations of acid-dyspepsia.

KI-MOIDS
pleasant to take, neutralize acidity and help restore normal digestion.

U. OF O. GLEE CLUB TO GIVE SALEM CONCERT

Varsity Songsters To Appear Under Auspices Of '19 High School Class.

The University of Oregon men's glee club, heralded as the strongest of the many excellent clubs turned out at the university during the past few years, is to appear in Salem, Tuesday evening, May 13, at the Grand opera house, under the auspices of the June graduating class of the Salem high school.

Preparations to insure a packed house for the Eugene songsters and incidentally swell the coffers of the high school senior class, are already under way, and the advance indications are that the seat sale will be heavy in proportion to the extensive advertising that is being done.

The glee club, which will play this city on its way to Portland, has been warmly received wherever it has appeared and in Klamath Falls was called upon to stage a second performance. This stop, which was made on the club's recent southern Oregon tour, was preceded by appearances to full houses at Cottage Grove, Oakland, Roseburg, Grants Pass, Medford and Ashland. The home concert in Eugene recently was commented on by musical critics as the best ever held there.

The personnel of the club includes the following students of the university, along with John Stark Evans, director: First tenors—William Morrison, Harold D. Grey, George Doust, Wesley Behrrel.

Second tenors—Graham Smith, George Hopkins, Arthur Johnson, Cecelia Faris and Raymond Osborne.

Bari tones—Curtiss A. Peterson, Paul E. Spangler, George Stearns, Charles Huggins.

Basses—Herald White, Richard Lyons, Stephen Mathien, Martin Howard.

New "Flu" Epidemic Hits Monmouth Harder Than Ever

(Capital Journal Special Service.) Monmouth, Or., May 9.—Influenza has again broken out in Monmouth, this time being worse than either of the two previous waves. The first case was discovered in the dormitory immediately following the Easter vacation. The disease spread rapidly until at this time there are about thirty cases at the dormitory and something like twenty among the student and townspeople outside. All schools in town are closed, not to re-open for a period of two weeks and the ban is on all public gatherings.

Miss Todd has secured the services of a trained nurse to care for the patients in the dormitory. None of the cases are considered seriously so far.

Engineer S. W. Ostrom is again back in civilian life, having received his discharge on April 24. Sumner was among the first to respond to Uncle Sam's call for volunteers. Although he was among the first, and was in the service over two years, it was not his privilege to see overseas duty. He has been stationed at Ft. Canby and Ft. Columbia during the greater part of the two years, where he has filled very responsible positions and received several promotions, having enlisted as a private. Sumner, with his wife and baby boy have moved to Portland where they expect to make their home.

Mrs. G. T. McKinney has joined her husband in Corvallis where he has charge of a warehouse. Owing to ill health the family has broken up house-keeping for the present. Bernice will remain with the Miller Mercantile Co. for a time.

J. S. Prime and family expect to start Friday or Saturday on an extended visit with friends and relatives in Nebraska and other eastern states. They expect to make quite a tour of the country, going thru seventeen states, starting south and returning by the northern route. Mr. Prime says they will take their time and probably be gone two and a half or three months. E. L. Dike of Mill City will take Mr. Prime's place as S. P. agent during his absence.

Mrs. Stout has returned from her visit in California. Her little grandson Johnny Parker has returned from Canada, and will make his home with her again in Manzanita.

Leonard Ingram and family have moved to Albany.

VICTORY SALE

POST TOASTIES

says—Bobby

The Misses Grace Parker and Doris Lee were among those who visited Salem last Friday.

Miss Gaynelle Shore returned home Friday evening from Crane, Oregon, where she has just finished her term of school.

Clay Moreland had the misfortune to crack one of the bones in his arm a few days ago while cranking a Ford car.

Miss Josephine Haffley has been suffering from a severe case of tonsillitis. Last Wednesday she was taken to the Salem hospital to have an operation on her throat and nose. After arriving at the hospital her condition became worse so the operation has been deferred for the present.

Miss Peggy Downing, who has made her home with her aunt, Mrs. E. G. Pace, during the past several months while attending high school, left Monday for her home in Seattle.

What Is Rheumatism? Why Suffer from It?

Sufferers Should Realize That It Is a Blood Infection and Can Be Permanently Relieved.

Rheumatism means that the blood has become saturated with uric acid poison.

It does not require medical advice to know that good health is absolutely dependent upon pure blood. When the muscles and joints become sore and drawn with rheumatism, it is not a wise thing to take a little salve and by rubbing it on the sore spot, expect to get rid of your rheumatism. You must go deeper than that, down deep into the blood where the poison lurks and which is not effected by salves and ointments. It is important that you rid yourself of this terrible disease before it goes too far. S. S. S. is the blood purifier that has stood the test of time, having been in constant use for more than fifty years. It will do for you what it has done for thousands of others, drive the rheumatic poisons out of your blood, making it pure, and strong and enabling it to make you well. S. S. S. is guaranteed purely vegetable, it will do the work and not harm the most delicate stomach.

Write the physician of this Company and let him advise with you. Advice is furnished without charge. Address Swift Specific Company, 253 Swift Laboratory, Atlanta, Ga.

MONMOUTH NEWS.

Monmouth, May 9.—H. H. Rickafosse, past grand herald of the Oregon grand lodge I. O. O. F., has been deputed by the grand master, W. F.
