Relieve Your Indigestion With A Laxative

Dyspeptics know that indigestion is accompanied by constipation, and that until the bowels can be regulated so they will act freely and naturally every day at a stated time, swallowing dyspepsia tablets is of little use.

A great and growing number of sufferers from this trouble find immediate and then permanent relief by the use of a combination of simple laxative herbs with pepsin sold by druggists under the name of Dr. Caldwell's Syrup Pepsin. The laxative herbs act on the bowels and the pepsin and extracts on the digestive tract, forming an exceptionally effective laxative- tonic.

It is a combination that has been found wonderfully helpful in indigestion, constipation, biliousness, headaches, bad breath, belching and gas on the stomach. A small dose is all that is required.

The druggist will refund your money if it fails to do as promised.

PRICE AS ALWAYS In spite of greatly increased laboratory costs due to the War, by sacrificing profits and absorbing war taxes we have maintained the price at which this family laxative has been sold by druggists for the past 25 years. Two sizes—5c and \$1.00.

FREE SAMPLES—If you have never used Dr. Caldwell's Syrup Pepsin send for a free trial bottle to Dr. W. B. Caldwell, 423 Washington St., Monticello, Ill. If there are babies at home, ask for a copy of Dr. Caldwell's book, "The Care of Baby."

Soldiers who are not receiving immediate answer to their letters in regard to the \$100 bonus and other claims need not be alarmed according to a bulletin sent out by the post office department. The fact is, the Zone finance office at Washington, D. C., is so swamped with such mail that it has not been able to handle it. A mail that would ordinarily come to that office in two or three weeks has suddenly become what was expected in six months. Checks are being mailed at the rate of \$25,000 a day and applications coming along about 60,000 a day. The postal authorities say that failure to receive an immediate answer is simply due to congested conditions.

The Modern Woodmen lodge of Salem has discovered, along with other lodges, that an appropriate, although not an especially elaborate luncheon helps wonderfully in getting the boys out to meetings. The lodge has recently adopted the plan of serving a lunch at each of its Thursday meetings. Since this plan has been adopted, the attendance has wonderfully increased, members report.

Salem High Girls' Glee Club Wins Praise For Staging of "The Lady Of Shalott"

The Girls' Glee club of the Salem high school registered another success last evening in the rendition of the beautiful cantata, "The Lady of Shalott," and thereby reflected great credit upon their director, Miss Lena Belle Tartar. The musical setting was of a character to bring out strongly and effectively the sentiment and pathos of the Tennyson poem. The cantata was divided into four sections, and in order to give a clearer idea of the mystic story the verses in each section were read by one of the ladies of the chorus, and Miss Tartar supplemented this with a few words of explanation. The dramatic parts were finely portrayed by Miss James in solo numbers. The excellent accompaniment contributed much to the effectiveness of the cantata. Miss Gretchen Brown with the piano and Miss Marian Eames with the violin.

Following the cantata the audience was delighted with the presentation of the little comedy sketch "A Bunch of Roses"—a playlet that centers about a mixup over a lover's note, and the fussing of a jealous husband. Herbert Darby and Maud McCoy took the leading parts, and they were well supported by the other members of the cast, who had been drilled by Miss Florian Linklater. The program was filled out with several numbers by the high school orchestra. There was a very good audience and the young people will not be a generous sum to be applied upon the Glee-club annual.

ARNOTT SUFFERED FOR THIRTY YEARS

"Nothing On Earth Like Tanlac," He Says.—Troubles Overcome.

"Well, sir, a neighbor of mine put me onto this Tanlac a few weeks ago, and it's the finest thing I have ever run across in the sixty seven years of my life," declared Thomas E. Arnott of 124 South Bay St., Spokane, while in Margitroyd's Drug store recently. "I have suffered for thirty years," he continued, "with a bad stomach and other troubles and spent a large part of what I made for treatments and medicines, but never did get any better until I began taking Tanlac. Everything I would eat hurt me and the gas on my stomach would rise up into my chest and cut my breath short. Sometimes my heart would beat so hard and fast that I would just have to gasp for breath. I was uneasy all the time for fear I had heart trouble. I would have blind dizzy spells when I could hardly stand on my feet. I also suffered with headaches and simply felt played out nearly all the time. "I can now eat what I want without it hurting me for the first time in thirty years, and since my food digests and the gas has stopped forming on my stomach I don't have any more trouble with palpitation and shortness of breath. Why, before I took Tanlac the least exercise would completely tire me out, but now I can walk or work all day long and feel none the worse from it. I guess I have taken a barrel of medicines of different kinds and lived on a diet, almost starving myself, trying to get rid of my trouble, but I suffered just the same until I got Tanlac. So I know what Tanlac has done for me and I appreciate it enough to tell everybody about it. In my opinion there's nothing on earth like it."

Tanlac is sold in Salem by Dr. S. C. Stone, in Hubbard by Hubbard Drug Co., in Mt. Angel by Ben Gorch in Gervais by John Kelly, in Turner by H. P. Cornelius, in Woodburn by Lyman H. Shorey, in Silverton by Geo. A. Steelhammer, in Gates by Mrs. J. P. McCurdy, in Stayton by C. A. Penelump, in Aurora by Aurora Drug Store, in St. Paul by Greenstein Store Co., in Donald by M. W. Johnson, in Jefferson by Poshay & Mason, and in Mill City by Marketeria Gro. Co.

well cared for and yesterday applications for her adoption continued to come to the county court. As her parents are not known and in order to make her adoption entirely legal, Judge Boshey has committed the baby to the Boys and Girls Aid society of Portland a state institution legally empowered to stand in the place of parents. The baby was so committed with the understanding that she should be kept here and adopted. It is probable that a representative of the Boys and Girls Aid society will come here in a few days and arrange for her legal adoption.
