"Ladies day" will be observed at the Illihee Country club tomorrow. Hostesses for the occasion are Mrs. Curtis B. Cross, Mrs. Harry Hawkins, Mrs. Frank Spears, Mrs. C. W. Dyer and Mrs. D. W. Eyre. Mrs. E. C. Cross will pour the tea.

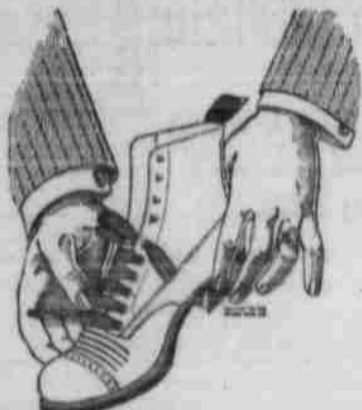

Apropos of the subject it might be well to state that a shower of tea towels would be greatly appreciated. There is a sad want of these common, but necessary articles and an appropri-

tion of one by each lady would supply the deficiency beautifully.

A series of brilliant affairs are the reception being planned by the Oregon chapters of the Daughters of the American Revolution, honoring Mrs. Isaac Patterson, who was elected vice president general at the national congress of the society held in Washington, D. CONTRACTOR TELLS OF IMPROVEMENT

Bainbridge Gains 20 Pounds Taking Tanlac—Troubles Ended.

"My old-time energy with twenty pounds of my lost weight have been returned to me by the use of Tanlac," said O. E. Bainbridge, the well known contracting painter, decorator and wall paper man of 89 East 11th street, Portland, in an interview recently.

"Just about a year ago," said Mr. Bainbridge, in describing his case, "I lost my appetite and soon got to where nothing I would eat agreed with me. My food would lay in my stomach and ferment, blast me up as tight as a drum and cause me to suffer agony. Of course I had to live on a very light diet and not being able to get the proper nourishment I lost weight and strength continually. I dropped down from one hundred and sixty five pounds to one hundred and thirty two—losing thirty three pounds—in just a few months. I finally got so weak and run down I had to give up my work and was laid up for more than five weeks. Then I began suffering with rheumatism all over, which was especially bad in my right arm. The muscles in this arm would become so drawn and painful that I could not get my hand to my head. My back also hurt me all the time, I was habitually constipated and had such terrible headaches that I could hardly see. I was so nervous the least noise would upset me and I have gone through many a night never closing my eyes for sleep. My strength and energy had just about all left me and my condition had become alarming to me. In fact, I had become discouraged, as I had taken so much medicine without getting any relief.

"Finally a friend of mine, knowing the fix I was in advised me to try Tanlac, saying his wife had been in the same condition and that six bottles of Tanlac restored her entirely. So after he told me this I lost very little time in getting me some Tanlac, and believe me, it has done the work. After taking the first bottle I was simply eating like a bear and I have been eating just anything I want since that time with no signs of bolating or any other discomfort afterwards. I have just finished my fourth bottle now and the rheumatism is gone, too. With the aid of Tanlac Tablets I have been relieved of constipation and, it's a fact, I haven't had a headache since I began taking Tanlac. I simply sleep like a log every night and can do a full day's work and still feel fresh and fine at night. My wife also suffered from indigestion and she has gotten entirely rid of it by using Tanlac. I tell you it's great and people with stomach troubles and rheumatism will do well to take it."

Are You Awaiting The Great Crisis?

If So, Do Not Allow the Time to Pass With Nature Unaided.

Women who give nature a helping hand during the period of expectancy find that when the time arrives for baby's coming it is approached and passed with infinitely less pain and danger.

Thousands of women for over half a century have learned that in the time-honored preparation, Mother's Friend, they have a grateful, relaxing, penetrating remedy, the use of which makes it possible for them to go through childbirth without the usual nausea, nervousness, bearing-down and stretching pains, and that through its use the hours of the crisis are fewer and of much less pain and danger.

Mother's Friend penetrates the muscles, rendering them pliant and easily governed by the demands of nature. They relax greatly and bring happy, calm, restful nights. As the result the crisis is passed with greater ease and in less time, the breasts are kept happy and cool, and the skin is made and kept soft and free from blemishes. Write to the Bradford-Regulator Company, Dept. F, Lamar Building, Atlanta, Georgia, for their Motherhood Book, and obtain a bottle of Mother's Friend from your druggist today and liberally fortify yourself for the coming event.
