 B. H. Avans has filed an amended complaint against Harry C. Durham. He alleges that on July 11, 1916, the defendant agreed to buy certain real estate in Cowlitz county, Washington, and that he took possession and retained possession until June 15, 1918. On that date he abandoned the land and notified the plaintiff that he did not intend to carry out the contract of purchase price. He had paid down \$840 and there was still due \$9080. The plaintiff alleges that suit was brought against the defendant in Cowlitz county and judgment given for the full amount. The land sold for \$5200 and a deficiency judgment entered for \$3,250.70. It is for the amount of this deficiency judgment that suit is brought in this county.  
 A copy of the will of Charles Henry Davis of Saginaw, Mich., was filed for probate in the county clerk's office this morning. The millionaire lumber man happened to own some land in Oregon county and it was necessary to file the

 The estate of James Neil has been valued at \$450. The appraisers were F. P. Leinweber, G. W. Spicer and J. V. Burns. The property consists of two lots in Astoria.

**The Right Laxative For The Little Ones---**

The natural condition of a child is to be happy and carefree. When the girl mopes and is indifferent to school and study, or the boy is sullen and refuses to go out and play, the child needs a laxative to empty the bowels and stir up the liver.

But something should be given that will produce the result in as simple and natural a way as possible. Harsh cathartics and physics are neither necessary nor desirable.

Many mothers have found that the combination of simple laxative herbs with pepsin sold by druggists under the name of Dr. Caldwell's Syrup Pepsin produces a free movement of the bowels without griping. A very little is required, and it is pleasant to take. A few hours after its use the child will be its happy self again.

It is an excellent remedy for the mother herself, and for the other members of the family, in obstinate or occasional constipation, for the relief of headaches, as an aid in colds and fevers, minor skin eruptions and all disorders where the basis of the trouble is constipation.

The druggist will refund the money you pay for Syrup Pepsin if it fails to do as promised.
