BOY'S BAD ACCIDENT

A most distressing accident happened Sunday evening about nine o'clock at the Wm. Bittcock home on the Harwood place north of town. Robert Bittcock, the 14 year old son was sitting by the fire place trying to get the powder out of a dynamite cap with a match and the cap exploded. He was holding the cap in his left hand; the thumb and first, second and third fingers were badly lacerated; the thumb and first finger on his right hand also badly torn, a piece of the shell nearly penetrated his left cheek under the eye, a wound about the face; and a flesh wound in his right

leg, in addition. The boy was blown across the room as the result of the explosion. As soon as possible the boy was brought to the hospital where it was found necessary to amputate the first and second fingers of the left hand at the second joint, and the thumb at the first joint.—Hubbard Enterprise.

Perfect Health Is Yours If the Blood Is Kept Pure

Almost Every Human Ailment Traceable to Impure Blood.

You can not overestimate the importance of keeping the blood free of impurities. When you realize that the heart is constantly pumping this vital fluid to all parts of the body, you can easily see that any impurity in the blood will cause serious complications. Any slight disorder or impurity that creeps into the blood is a source of danger, for every vital organ of the body depends upon the blood supply to properly perform its functions. Many painful and dangerous diseases are the direct result of a bad condition of the blood. Among the

most serious are Rheumatism, with its torturing pains; Catarrh, often a forerunner of dread consumption; Scrofula, Eczema, Tetter, Erysipelas and other disfiguring skin diseases; Malaria, which makes the strongest men helpless, and many other diseases are the direct result of impure blood. You can easily avoid all of these diseases, and rid the system of them, by the use of S. S. S., the wonderful blood remedy that has been in constant use for more than fifty years. S. S. S. cleanses the blood thoroughly, and roots every vestige of impurity. It is sold by druggists everywhere.

TWENTY-SIX members of the North Salem Woman's club met at the home of Mrs. F. L. Purvis last week to enjoy their regular meeting and a short program consisting of a concert solo by Herman Moore, accompanied by Wendell Helm, and a reading by Miss Mildred Shields. The women then adjourned to the Cherry City Bakery where a practical demonstration was given, followed by a banquet planned and served by Mrs. B. E. Fisher and Miss Mary Graber and given by the management. Mr. Wise, manager of the bakery, gave a short speech telling of the history of the bakery since its opening two years ago, which was answered by Mrs. Ella Tothauer, president of the club. She gave a review of the work of the club during the past year, a brief summary of which follows:

- Bought goods and made into clothes for French and Belgian children.
- Drive for war stamps.
- Canvassed for cherry pickers.
- Canvassed for Salvation Army.
- Distributed food cards in local district.
- Sponsored cooked food sale for Hospital relief.
- Assisted needy families during influenza epidemic.
- Influenced the installation of arc light at 5th and D streets.
- Canvassed for W. C. T. U. membership drive.
- Sent twenty four pairs of jellies and jam to Oregon headquarters in New York.

The next meeting will be held at the home of Mrs. E. J. Roth, Belmont and Cottage street and will be followed by an inspection of the Capital City Laundry.

"Iro-Ka-Zan" (Mound of Color and Fragrance), the country home of Mr. and Mrs. R. Monroe Gilbert on Riverside Drive was the scene of a delightful informal afternoon and luncheon yesterday when Miss Luella Elliott entertained the members of the Salem Women's Press club. "Iro-Ka-Zan" is one of the most unique and artistic homes in the valley. True to its name, it is as colorful and fragrant a location as the most fastidious could desire, and a mere charming spot could not be found in which to pass a pleasurable afternoon. Besides the hospitable owners, Mr. and Mrs. Gilbert, an additional guest of the club was Miss Hazel Seeley.

Mrs. Joseph Bach entertained last week with a charming little birthday party in honor of the first anniversary of Joseph, Jr. Dainty decorations were in evidence and a pretty feature of the affair was the individual birthday cakes with their solitary candle. The little guests invited were Geneva, Angela, Rosalie, Horace and Helen Fandin, Mary Jane Corfield, Helen and Harold Rounney, Delbert Jepson and Marjorie May Bach.

Miss Joanna James met with success in her rendition of the soprano solos in the cantata, "The Lady of Shalott," presented by the high school chorus under the direction of Lena Belle Tatar at Salem, last Thursday. She was soloist for the entire cantata and sang in fine style and interpretation. Miss James is a popular soloist among the younger set. She was later chosen as leading lady and filled the parts with great credit in both the "Mikado" and "The Chimes of Normandy." Miss James is a student of Miss Minnetta Magers of this city, and soon will be presented in recital.—Portland Oregonian.

An event of great interest this year was the dancing party given by Miss Phyllis Walker in honor of the Cecilian Music club members and friends at the home of her parents, Mr. and Mrs. J. H. Walker, 270 North 13th street. The rooms presented the appearance of a veritable fairyland. The living room was decorated with feathery greens and wisteria, intermingled with dainty Japanese lanterns, while the dining room was done in yellow and green, presenting a delightful background for the evening frocks in pastel shades. The music was furnished by Mrs. A. H. Johnson, pianist, and Mr. Pickett, banjoist. Punch and chocolates were served between dances and to those enjoying the games. At a late hour delicious refreshments were served by Mrs. Walker. Those enjoying the affair were Helen Carey, Marion Emmons, Florence Elgin, Frances Hodge, Janette Jones, Lola Millard, Louise Moore, Mable Marcus, Hilda Tillinghast, Josephine Torrey of Portland, Catherine Vincent, Ruth Wechter, Gertrude West and the hostess Phyllis Walker, Frank Chapman, Dolph Craig, Harold Day, Frank Deckabach, Axel Hoff, Ralph Emmons, Evan Jones Willard Marshall, Robert Notson, Ralph Hamilton, Earl Shaffer, Paul Staley, Kenneth Wilson, Ralph Wilson.

A most interesting piano recital was given last Saturday afternoon by a number of the young students of Elma Weller, at her studio, 695 North Liberty street. Clever work was done by each pupil; the memory work and clarity of tone was very noticeable in the young players. Little Teddy Schmidt, five year old son of Mr. and Mrs. Frank Schmidt, won the admiration of all the friends and students by his first rendition of piano solos as an embryo pianist. Following are the names of the pupils: Julia Elvin, Donna Taylor, Dorothy Bushason, Delna Hunt, Billy Capper, Gwendolyn Jarman, Alberta Bohrstedt, Mildred Roberts, Anna Percy, Helen Veeler, Louise Courjade, Aletia Hunt, Marvin Headricks, Louise Nunn, Julia La Rue, Lois Taylor and Elizabeth Fairchilds.

Miss Bess Shinn has returned from attending the Sunday school at Corvallis. Mr. and Mrs. John Traeder of Portland were week end guests of Mr. and Mrs. William Kurek. Mr. and Mrs. Traeder are former Salemites and were welcomed, during their brief visit, by a host of friends.

For Barring Eczema

When applied as directed it effectively removes eczema, quickly stops itching, and heals skin troubles, also soothes, burns, wounds and chafing. It penetrates, cleanses and soothes. Zemo is a clean, dependable and inexpensive, antiseptic liquid. Try it, as we believe nothing you have ever used is as effective and satisfying.

For the pleasure of Miss Josephine Torrey of Portland, who is visiting her cousin, Miss Phyllis Walker for a few weeks, Miss Helen Corey entertained a coterie of friends at a line party Saturday afternoon. Following the performance, a luncheon was enjoyed at the Spa. These present were Misses Josephine Torrey, Frances Hodge, Gertrude West, Lola Millard, Phyllis Walker and Helen Corey.

One of the gayest events of the season was a party given at the home of Miss Mable Propp. The evening was spent in playing games and several instrumental selections were given by Elbert Lachale. Refreshments were served at a late hour. The guests were Miss Anna Propp and Mr. Miexner. Those participating in this happy event were Misses Frankie Edwards, Alta Zinn, Sylvia White, Charlotte Doncaster, Melba Davenport and Mable Propp; Messrs. Ernest Zinn, Guy Albin, Lorenz Schenelle, Elbert Lachale, John Propp and Everett Walker.

John Claire Monteith, baritone, will sing a number of concert engagements in the near future. Thursday he will visit Chehalis, Wash., where he will be soloist at the three day musical festival to be given in that city. Mr. Monteith will sing on the Thursday night program and also at the program Friday afternoon. He has been asked to sing all his programs in English, and will include several songs which have been specially asked for, including "Flowers Field" (MacLure). Miss Ida May Cook, pianist, late of Chicago, will be Mr. Monteith's accompanist at this festival. Mr. Monteith has been engaged as soloist at the coming concert of the Arion society in Portland. This program, at first announced for May 23, will be given a week later, May 31. Mr. Monteith also has been asked to sing a return engagement in Mogamouth, June 17. Mr. Monteith recently appeared in concert in Monmouth, and this request is the result of his interesting program given at that time.

The regular meeting of Chautwick chapter, No. 27, order of Eastern Star, will be held at the Masonic Temple Tuesday evening, May 20th at 8 o'clock. This is children's evening.

Mr. and Mrs. John Schindler opened their beautiful country home to a large
