Now that it has been shown that Salem can absorb 2000 visitors and find them all good rooms and properly care for them, the local lodge of Elks is more than ever convinced that Salem is the proper place for the 1920 state convention of Elks. The state convention will meet this coming August at Klamath Falls and the Salem Elks are preparing to attend in number with the intention of bringing home the 1920 convention. As many of the Odd Fellows who have been here the present week are also members of the Elks lodge, it is felt that very one of them will boost for Salem. Pendleton and Marshfield are both after the 1920 convention, but as it was given to Portland last year and Klamath Falls this year, the Salem boys feel that the capital city is the logical place for 1920. Buy your produce at Schrank's, 270 N. Com. St. Phone 721.

DON'T RUN WITH THE IDEA
that because our prices are low, the quality of our vulcanizing is the same. At least do us the justice of examining some of our work and judge it on its merits alone.
Then we feel confident you will appreciate that our prices are actually low, not merely apparently so.
