THAT A PAVED OR HIGH-CLASS GRAVEL ROAD IS A RAILROAD STATION AT YOUR DOOR, OR AT LEAST AS NEAR TO YOUR DOOR AS THE ROAD COMES?  
THAT IT MEANS AUTO-TRUCK LINES WILL BE ESTABLISHED TO HAUL YOUR FREIGHT?

## That Auto Busses will carry you or members of your family to town and back at a low cost, if you do not care to drive in yourself?

THAT YOU WILL SAVE THE BERRY JUICE THAT IS NOW LOST IN HAULING YOUR BERRIES TO MARKET OVER ROUGH ROADS?

# Mr. Merchant,—Do You Realize

THAT EVERY GOOD ROAD NULIFIES THE EFFECT OF THE MAIL ORDER HOUSE CATALOGUE AS NO PERSON WILL BUY BY MAIL IF THEY CAN GET TO TOWN AND SEE THE GOODS IN YOUR STORE?

# Mr. Property Holder—Do You Realize

THAT IF THE FARMERS PROSPER, THE MERCHANTS WILL PROSPER AND THAT WILL DRAW OTHER MERCHANTS TO SALEM WHO WILL WANT TO RENT BUILDINGS AND THEREBY BOOST THE RENTAL VALUE OF YOUR BUILDINGS?

### WHEN YOU WAKE UP DRINK GLASS OF HOT WATER

Wash the poisons and toxins from system before putting more food into stomach.  
Says inside-bathing makes anyone look and feel clean, sweet and refreshed.

Wash yourself on the inside before breakfast like you do on the outside. This is vastly more important because the skin pores do not absorb impurities into the blood, causing illness, while the bowel pores do.  
For every ounce of food and drink taken into the stomach, nearly an ounce of waste material must be carried out of the body. If this waste material is not eliminated day by day, it quickly ferments and generates poisons, gases and toxins which are absorbed or sucked lymph ducts which should suck only nourishment to sustain the body.  
A splendid health measure is to drink, before breakfast each day, a glass of real hot water with a teaspoonful of limestone phosphate in it, which is a harmless way to wash these poisons, gases and toxins from the stomach, liver, kidneys and bowels; thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.  
A quartier pound of limestone phosphate costs but very little at the drug store, but is sufficient to make anyone an enthusiast on inside-bathing. Men and women who are accustomed to wake up with a dull, aching head or a furred tongue, bad taste, nasty breath, yellow complexion, others who have bilious attacks, acid stomach or constipation are assured of pronounced improvement in both health and appearance shortly.—Adv.

#### BROOKS ITEMS

Several from this community are attending the I. O. O. F. convention in Salem this week.  
Donald Macy and Tairy Macy went to Portland by auto Thursday.  
The many friends of Mrs. James Fruit will be glad to hear she is improving in health.  
Walter Fuller has just purchased a new Maxwell.  
Brooks school closed with a very successful school entertainment on the evening of May 16, a splendid program was given by the school children; a large crowd was in attendance. Pies were auctioned to the highest bidder; doughnuts and coffee and candy and a miniature fish pond. The receipts for the evening were \$70 which will be used toward buying a piano for the school.  
The home of Mr. and Mrs. Cecil Ashbaugh was the scene of a merry surprise party Monday evening in honor of Mrs. Ashbaugh's mother, Mrs. McCleod. At a late hour refreshments were served.  
Robert Hackitt has as their guests John Hackitt and daughter, Mary, of Seattle, Washington.  
A pretty birthday party was given by Mr. and Mrs. John Dunaway on Monday in honor of their little daughter, Anna Marie's birthday. The guests were entertained with games and music. Pink and white was the color scheme used in the living and dining rooms, effectively carried out with lovely pink and white roses. A large birthday cake decorated

with pink rose bud-candles was the table centerpiece. Late in the afternoon delicious refreshments of sandwiches, cake and ice cream were served.—Gervais Star.

#### HARRY STALNAKER'S FATE REMAINS A DEEP MYSTERY

The fate of Harry H. Stalaker of Independence, a member of company L, remains a mystery. In an effort to locate the young man, relatives communicated with the war department and received the following telegram in reply: "Deeply regret to inform you that Private Harry H. Stalaker, missing, is officially reported as wounded and missing in action since July 18. Letter follows."  
Yet there are three soldiers here at present who are positive that they talked with Harry on the street of New York on their return from France a few weeks ago.—Independence Post.

#### PTYTHIAN SISTERS MEET AT INDEPENDENCE NEXT

Due to the boosting and teamwork of the Independence delegation which attended the district convention of Pythian Sisters held at Salem Tuesday night, the next convention will be held in Independence. The district comprises the lodges of Albany, Brownsville, Corvallis, Dallas, Eugene, Independence, Lebanon, Salem, Seaside and Silverton.  
Independence people who went to Salem included the following: Mrs. Nellie Burnett, L. E. Barriek, Mrs. Sam Cox, Mrs. Sherman Hays, H. Hirschberg, Mrs. J. B. Hiltbrand, Mrs. O. A. Krenner, Mrs. Snowie Kurze, Mrs. W. Kulander, Mr. and Mrs. A. C. Moore, Mrs. P. O. Parker, Mrs. C. O. Sloper, Mrs. Lucy Smith, Mrs. E. E. Tripp and Mrs. George Wood.

The State Rural Carriers association will meet in Independence on Labor day. The delegates, in looking over the valley for a good place to enjoy themselves, picked Independence. Then our carriers, Ed Wauder and Percy Dickinson, tooted their horns like all good boosters do, so the carriers, their wives and lady friends are coming—from three to five hundred of them.—Independence Post.

#### WOODBURN WINS

Considering the threatening weather last Sunday, a fair-sized crowd was in attendance at the game between Woodburn and the Kirkpatrick Stars of Portland. The uniforms which the team purchased in the dim past finally arrived and the boys made their appearance in them.  
The locals put the game on ice in the second inning when five hits and a couple of passed balls counted for five runs. They annexed three more in the fourth on three hits and two errors, and one more in the seventh and a couple in the eighth inning.—Independence.

#### GERVAIS ITEMS

G. J. Meisan and wife and her mother Mrs. Ben Stevens and Mrs. Frances Meisan motored to Portland Monday. The ladies will visit while Mr. Meisan is a delegate to the grand lodge of Foresters. They returned Wednesday bringing Mrs. Charles Coffindaffer and children with them.  
Dr. Hickman and wife and her sister, Mrs. Dolgridge of Salem, and Mr. and Mrs. Antoine DeJardin went to Portland Wednesday afternoon to hear John McCormick sing.—Star.

#### PORTLAND MARKET REVIEW

North Portland, Or., May 24.—In reference to the cattle market the supply the latter part of week was low and did not meet the demand, and prices were a little stronger. Yesterday's receipts were large, but there was a pretty good demand and prices remained steady at the previous Monday prices. The demand was just enough to take care of the receipts, but if the receipts had been any larger we would have looked for a weakening in prices. As it was, we had a good market.  
If at any time in the near future we should have any extra large receipts we look for prices to drop.  
Extra good steers sold from 12 1/2 to 13 1/2; good steers 11 to 12; good cows, 10 to 11 1/2. We sold a few for a little more, but not many could go above 11 1/2. Most of the bull sales were from 6 to 8. Prime veal calves sold at 13. Good stockers steers 8 to 9 1/2. We sold a few for 10, but not enough were sold at this price to pay any attention to.  
Hog receipts yesterday were large and prices were lower. We sold a few say that the top for prime mixed hogs was 20, with the bulk of sales at 19 1/2.  
Our hog supply still continues good. Stockers and feeders are still in the usual demand. Last week's sheep market was in good shape, but yesterday's receipts were a little too large to make a good market. If you have any large number of sheep to market kindly advise us before shipping so that we can do what we can to see that there is not an over-supply here at any one time. Yesterday prime mixed lambs sold

for 15c; yearlings 10c to 11c; wethers 10 to 11c; ewes, 8c to 9c.  
The latter part of last week's market in everything was stronger than either yesterday or the Monday previous, which is rather a strong argument in favor of the mid-week trade from Huntington.

WHOLE FAMILY WANTS TO WAR—When the two sons of Mrs. Elsie Rolander of Berkeley, Cal., went to war, the mother decided that the rest of the family should go too. She plays the guitar, and her three daughters, Alice, Mabel and Pearl, complete one of the "jazzier" orchestras, so the soldier said that ever visited a cantonment. They were part of the entertainment division of the Y. M. C. A.
