Because of the interest that a great many of the members are taking in the historical pageant to be given at Willamette university, "Ladies Day" at the Country club will be postponed until June 10. June 10th will be good day and each member is requested to bring a guest with her to the club on that afternoon.

Miss Minnie Magers and Miss Beatrice Shelton will present Misses Johanna James and Ruth Bedford in a piano and vocal recital this evening at the First Congregational church. Professor T. S. Roberts will assist at the organ and Miss Lillian Siegel will be the violinist of the evening. The recital to which the public is cordially invited, will begin promptly at 8:15.

Lebanon, Or., May 26.—(Special)—The wedding of Miss Adella May Neff of Lebanon to Donald Kirkpatrick of Eugene was solemnized at the home of the bride in Hyland on South Fourth street amid a shower of sweet briar and roses. The wedding services were performed by the father of the bride. The bride is the youngest daughter of Rev. Ernest and Mrs. F. H. Neff, the former for many years a minister at Salem. The bride lived several years in Salem.

Mr. Kirkpatrick is the son of Mrs. Emma Kirkpatrick of Eugene, and recently returned from overseas where he spent 10 months at the front in France with the 10th sanitary train of the 91st division. He was awarded special honors by the king of Belgium and General Pershing for bravery under fire.

After the wedding ceremony an elaborate feast was served by Mrs. C. B. Spencer and Mrs. Elmo Kirkpatrick, sister of the bride, at the home of Mr. Spencer. The couple left for a honeymoon trip to London for a couple of weeks, after which they will make their home in Portland.

Mrs. Isaac Leo Patterson will be guest of honor at the May meeting of the Multnomah chapter, Daughters of the American Revolution. The meeting will be held at the home of the regent Mrs. John A. Keating, and Mrs. Patterson will tell of her recent trip to Washington where she attended the national congress.

Mrs. Irene St. Helens entertained the members of the La Arca club last evening. There was no business session, the meeting taking the form of a miscellaneous shower for Miss Stella Wilson. The house was beautifully decorated with roses and the miniature express wagon bearing the gifts was drawn by Wilma Couray and Helen Ingels. The hostess was assisted in serving the dainty refreshments by Mrs. Wilson, Mrs. Rogers and Emma Waldorf.

Members of the club who were present were, Leah Armstrong, Thelma Blossing, Echo Hunt, Bertha Waldorf, Emma Waldorf, Stella Wilson, Marion Miller, Viola Tyler, Standa Anderson, Ada Zsuel, Dora Anderson, Mabel Brumfield. Additional guests were, Mrs. Dickey, Mrs. Bernadi, Mrs. Wilson, Mrs. Rogers and Mrs. Church.

Mrs. C. P. Bishop is the house guest of Mr. and Mrs. Roy T. Bishop, 524 East Twenty fourth street, Portland. She was accompanied by her little grandson, Charles K. Bishop.

Mr. and Mrs. Charles H. Dandore (Paula Linn) spent the week end in town, leaving yesterday for the north where they will make their home. Mr. Dandore recently returned from overseas service—Portland Oregonian.

Mrs. Dandore is well known in Salem, having lived here a number of years and receiving the greater part of her education in the local schools.

Miss Cathryn L. Gibbard, daughter of Mr. and Mrs. A. E. Gibbard of Salem, was on Saturday elected president of the Western Oregon Girls' Sunday School conference, which closed a three day session here yesterday. Marie Howard and Faith Jones of Portland, were elected vice president and secretary, respectively.

Miss Gertrude Eakin, daughter of the late Justice Eakin of the supreme court, conducted a brief discussion on topics of interest to the girls at the Saturday session and short talks were

DANDRUFFY HEADS BECOME HAIRLESS

If you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't. It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it.

You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.

mad eby several delegates. The girls were grouped on the west steps at the state capitol for a conference picture, and later there was entertainment at Willamette university. Greetings from the state Sunday school association were extended in an address by Rev. Harold Humbert, of Portland, secretary of the state association.

Sunday morning the girls attended the Sunday schools of their choice in the city and the closing program was held in the afternoon.

Dr. R. W. Walton returned to Salem Sunday morning, having arrived in Portland Thursday evening. Mrs. Walton went to Portland Friday morning to meet him. Since receiving his discharge from military service Dr. Walton has spent three months in the east, taking a post-graduate course in hospitals in New York and Boston and at the Johns Hopkins university. He is feeling fine and voices the popular sentiment of all those who have been in Europe or the east, that "Oregon looks good to him."

Man Saves Wife In Nick Of Time

"My wife was unable to eat even the lightest food, and had fallen away to a living skeleton. She could not even keep doctor's medicine on her stomach and was tortured with pain. On the recommendation of a friend I bought a bottle of Mayr's Wonderful Remedy and she is all right now and has gained forty pounds." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. Officers of British warship which removed Hawker and Grieve from the Danish tramp steamer Mary, declared the crew of that vessel was astounded at the sudden appearance of an airplane in mid-ocean. They had been at sea more than 20 days and knew nothing of the flight having started.

Hawker told the commander of the destroyer that his engine began to heat when he was about five hours from Newfoundland. This trouble continued all night. Meanwhile, the Sopwith en-

Ignorance—Fear—Cost

Which Is Responsible in Your Case?

One of the three is the cause of an appalling amount of ill-health and suffering. It has been shown that 80 per cent—4 out of 5—of the people of the United States are in urgent need of dentistry.

If Its Ignorance

Any reliable physician will tell you that decaying, unclean teeth are the cause of more ill-health than any other source—not merely the petty ailments but very often the real cause of such diseases as tuberculosis, insanity, indigestion and other stomach trouble. More often than not that general run down feeling is caused by an infected tooth apparently sound but in reality a cess pool sapping your strength.

If Its Fear

One visit to an E. R. Parker System office will convince you that there is no cause for fear in an up-to-date dental office.

If Its Cost

An examination costs you nothing nor does it obligate you in any way at an E. R. Parker System office. An expert will tell you exactly to the penny what the work necessary will cost and you may be assured that this amount is the lowest consistent with good work.

In my 27 years of organizing and perfecting the E. R. Parker System, I have built up the largest dental organization in the world—successfully treating over 1,000,000 patients, without pain and at a minimum cost for quality workmanship.

The E. R. Parker System represents all that is modern and up-to-date in dentistry.

Organization—that is operation based on a sound business practice—has advanced so far under this system that today it stands as a model upon which hundreds of dentists are shaping their practice.

The E. R. Parker System stands for all that is best in dentistry—prompt and courteous treatment—highest kind of workmanship and minimum cost.

Painless Parker Dentist
State and Commercial Streets

This organization permits of employing skilled men in all the branches of dentistry—each dentist devoting his time to the class of work to which he is best adapted.

Because of the Volume of its business it permits the installation of the most improved appliances such as the X-ray—an absolute essential part of a modern dental organization.

Tendency to Constipation?

USE THIS LAXATIVE!

Dietitians advise a "careful diet," but that is troublesome to most people; physical culturists advise "certain exercises," which is good if one has both the time and the inclination. Doctors advise diet and exercise and medicine. The question is, shall it be a cathartic or purgative medicine? Or a mild, gentle laxative?

Thousands have decided the question to their own satisfaction by using a combination of simple laxative herbs with pepsin known to druggists as Dr. Caldwell's Syrup Pepsin. A small dose gives a free, easy movement of the bowels. It is the best substitute for nature herself. In fact, since the ingredients are wholly from the vegetable kingdom it may truthfully be said it is a natural laxative.

Its positive but gentle action on the bowels makes it an ideal remedy for constipation. The dose is small, and it may be taken with perfect safety until the bowels are regulated and act again of their own accord.

The druggist will refund your money if it fails to do as promised.

PRICE AS ALWAYS
In spite of greatly increased laboratory costs due to the war, by sacrificing profits and absorbing our losses we have maintained the price at which this Syrup Pepsin has been sold by druggists for the past 25 years. Two sizes—50c and \$1.00.

FREE SAMPLES—If you have never used Dr. Caldwell's Syrup Pepsin send for a free trial bottle to Dr. W. B. Caldwell, 406 Washington St., Monticello, N. Y. If there are tablets at home, ask for a copy of Dr. Caldwell's book, "The Care of Bowels."

countered a heavy rain storm. About dawn Hawker decided he must land. He searched the sea for ships, saw the Mary and came down near her.

In an interview given to the London Daily Mail, Hawker declared that when the engine began to heat he descended several thousand feet. Later its water began to boil.

Hawker Describes Trip. "After we had been out about 12 hours," he said, "we reached the fateful decision—to try for safety. We changed our course, flying across the shipping route for two and a half hours. Then to our great relief we sighted the Mary. We sent up Very lights and distress signals. As we landed near the Mary the sea was very rough. The landing was most risky. It took 30 minutes to pick us up."

Grieve said they were 200 miles off their course, owing to the clouds making it impossible to take their bearings. After leaving Newfoundland, Hawker said he ran into a fog, climbed and lost sight of the sea. The sky was clear for the first four hours, then came a storm with squalls. At that time Hawker was flying at 15,000 feet.

To Try Again. London, May 27.—(United Press)—Harry Hawker will make another attempt to fly across the Atlantic according to a statement attributed to him by the Daily News today.

"I will try again and think I can succeed," Hawker said at Inverness, the newspaper announced.

The Duke of Athol will head 200 members of the Aero club who are to greet Hawker upon his arrival in London this evening.

The automobile procession will pass slowly from the railway station to the Aero club. All the Australian soldiers in London will line the route. Many bands are to be in line.

Last night when Mrs. Hawker witnessed motion pictures of her husband at Newfoundland, traffic was delayed for an hour by crowds which thronged to cheer her and throw her flowers.

Scheidemann declared. "One dare not take the tools from a people and then demand that they work. The German people are like the Jews when they were led by Moses. They face forty years' march in the wilderness, but mustn't perish in it."

"Your president has put into force his idea of a league of nations. At the top of our counter proposals stand our demand for immediate admission to that league. Only through it can this epoch of hate and mutual destruction be closed."

Portland Welcomes Rose City Veterans Of 147th

Portland, Or., May 27.—Members of batteries A and B, 147 field artillery, arrived home this morning to receive the greatest welcome ever accorded a crowd of returning heroes here—commemorate to the fact they saw more active war service than any other unit of Oregonians. Ninety-two men off battery A, 42 of B and 123 cannons were on the special train which arrived at 9 o'clock. Of the cannons, more than half are from Oregon. The batteriesmen are all Oregonians, most of them being Portland men.

At the station, the artillerymen marched through streets packed with cheering crowds to the liberty temple where they were formally welcomed home. Their stay here today is being crowded with many forms of entertainment.

Governor Olcott Fishes With Eugene Friends on McKenzie

Governor Ben Olcott and party spent the week end in Eugene as the guests of Frank L. Armitage, John B. Bell and Louis E. Bean. They were entertained at the summer cottage of Mr. Armitage on the McKenzie and spent Sunday on the river fishing.

Other anglers were busy with their rods yesterday. Judge L. T. Harris and Frank Carlisle fished on the McKenzie, and Al Cook and C. D. Rover secured a large catch from the Willamette.—Eugene Guard.
