LIFT OFF CORNS!

Doesn't hurt a bit! Sore corns lift right off with fingers.

Magic!

Costs few cents! Drop a little Precose on that thorny corn, instantly that corn stops hurting, then you lift it right out with the fingers. Why wait? Your druggist sells a tiny bottle of Precose for a few cents, sufficient to rid your feet of every hard corn, soft corn, or corn between the toes, and calluses, without soreness or irritation. Precose is the much talked of discovery of the Cincinnati genius.
