HAD SUFFERED FOR 30 YEARS HE SAID

Denver Man Declares Tanlac Has Helped Him More Than Any Other Medicine.

"Ever since I took that course of Tanlac I have felt better and stronger than I have in many years and it has done more for me than anything else I have ever taken," said J. W. Patterson of 1339 Thirteenth street, Denver, Colo.

"For thirty years," he continued, "I suffered from catarrh of the nose and throat, and although I was operated on by a New York specialist at great expense I got only temporary relief. I just couldn't rest at all well at night and would get up in the mornings almost choking with mucus which nauseated me so I would often have to vomit. My stomach became affected so that everything I would eat soured and bloated me up with gas as tight as a drum. I was bilious, too, had terrible headaches and suffered something awful.

"I tried everything I could hear of but nothing helped me till I began taking Tanlac. It has relieved me of gas and every sign of indigestion and my stomach is in better condition than it has been in years. Tanlac has helped my catarrh wonderfully, it has calmed my nerves so I can get refreshing sleep at night and I am not troubled with that mucus or nausea anymore."

Tanlac is sold in Salem by Dr. S. C. Stone, in Hubbard by Hubbard Drug Co., in Mt. Angel by Ben Goeh, in Gervais by John Kelly, in Turner by H. P. Cornelius, in Woodburn by Lyman H.
