to the charred, or brittle, or soggy kind made in the tedious old-fashioned way, is relatively the same as the superiority of grilled steak to fried steak.

For one-tenth of a cent a slice the General Electric Radiant Toaster makes Perfect Toast faster than you can eat it. It is Perfect Toast because the radiant heat forces the necessary chemical change in the bread. This insures delicious golden Toast that tairly melts in your mouth.

You can operate the General Electric Radiant Toaster on the finest damask table cloth. Its neat porcelain base and cheerful glowing coils add grace and charm to any table.

isne of the 1920 campaign. The issue was forced late yesterday then the democratic national committee n session adopted resolutions demand-

ug estification of the league by republean senate and house leaders. Demorrats believed its rejection might force President Wilson to be a third term candidate. Shortly after the democrats had gone on record calling for immediate approval or disapproval o frepublicans, former President William Howard Taft appealed to republi-

cans and opposing democrats alike to

# Oh, Cook Who's Here!

WALLY REID has taken id-) numerable chances in his screen career and has shown enough courage to rank himself as a man's man. which doesn't prevent him from making the best salads ever gobbled up eagerly at the Western film colony,

A bard could write a nifty ballad telling of Wally's tasty salad. Ob, if we only had the time to tell about his soups in rhyme! Just let us say we like his dishes and think his dressing is deliclous. Oh, Wally, if you ever leave the screen you will not have to grieve! You will not have to give a cass; Just pack your grip and cook for us.

But, alas, Wally says he is going to make a lot more pletures after his latest Paramount, "The Roaring Road."
