"Many people have blamed me for not getting married. Since childhood I have suffered from stomach and liver trouble, never being able to get any medicine or doctor to help me. Now that May's Wonderful Remedy has entirely cured me, I am anxious to get a wife." It is a simple, harmless preparation, that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. J. C. Perry, Capital Drug Store, and druggists everywhere.

Irrigation for 1919—The system of dividing the city into two districts which proved so satisfactory last year will be continued for the season of 1919.

The houses which bear even numbers on the streets will irrigate only on Monday, Wednesday, Friday and Sunday, and the houses which bear odd numbers on the streets irrigate only on Tuesday, Thursday, Saturday and Sunday. This plan will permit every house to irrigate four days out of each week.

By strictly following this rule we are able to supply our patrons with the usual amount of water under more satisfactory conditions. Season irrigation bills will be discounted 10 per cent if paid on or before June 10th.—Salem Water, Light & Power Co. 6-10

involved. The work of the commission has grown to large proportions and vitally concerns a great majority of the workmen and the employers of the state. It is essential that the commission enjoy the most complete confidence of not only employers and employees, but of the general citizenship of the state as well. If that confidence should be restored and a thorough investigation should bring out the weak points, if any there are."

It will be recalled that the trouble grew out of an accident to a Portland suit in the circuit court to collect his 40 per cent, or \$1600.
