COUNTY PROGRAM OF Y.M. WORK OUTLINED

At the meeting of the general committee held at the local rooms Sunday afternoon, final arrangements were made for the organization of the county Y. M. C. A. work in Marion county. This means that by next fall an expert county Y. M. C. A. secretary will be located in this county to look after the interests of the boys in the smaller towns and rural communities. It will give the boys a live, character-building program. Hikea, summer camps, older boys' conferences, father-son banquets are some of the countywide features. Clubs with local leaders will be established in each community that will carry on the fourfold Y. M. C. A. program.

Following are the subjects brought up for discussion in the conference: "The Boy of Today, the Man of Tomorrow" by Superintendent W. M. Smith, of the county schools; "The Y. M. C. A. Over There and Over Here" by Captain Paul Wallace; "The Influence of the Y. M. C. A. on the Boys of My Community" by Wallington Green, a former member of the Los Angeles county Y. M. C. A.; "The Hi Y Club" by Cy Eakin; "The Plan of the State Y. M. C. A. Committee" by Paul Newmyer, state boys' secretary.

The plan of the state committee includes the cities of Brownsville, Astoria, Brooks, Donald, Gervais, Hubbard, Jefferson, Marion, Madras, Silverton, Stayton, Woodburn and Salem. Each town has been apportioned its share of the association budget, and committees were appointed to carry out the plan for each community. This plan was unanimously adopted by the general committee and steps were taken toward the raising of the budget for the next future. This will mean that during the next week the people of Salem and all the towns of the county will be called upon to contribute to a fund for carrying out this long-needed work for boys. It will ultimately reach out to all the rural centers of the county, giving them many of the privileges and help heretofore confined to the Y. M. C. A. of Salem.

Watch Your Kidneys for After-War Ills

Influenza and Wartime Strain have left Thousands with Weak Kidneys

WE must see to it that the years 1918-1919 do not leave the curse of kidney disease that followed the Civil War. The most common causes of kidney weakness are fevers, colds, chills, exposures, overwork, worry and unwholesome diet, and our two war winters have been full of these conditions for both soldier and civilian. Pay attention to the first signs of kidney weakness---backache, rheumatic pains, dizzy spells, headache and any abnormal kidney action. Use *Doan's Kidney Pills* promptly. It may save you from a later attack of gravel, stone, cystitis, dropsy or Bright's disease, and in *Doan's* you will get the most widely used kidney remedy in the world. It is the remedy recommended by the people for the people.

These Salem Cases Prove Doan's Good:

Mill Street
W. C. Johnston, gardener, 1021 Mill street, says:
"Taking cold and over-exerting myself brought on kidney trouble. For two years I suffered with pain in the small of my back, right across my kidneys. By back ached at night and in the morning I felt tired and lame. I was languid and nervous, also. Headaches and dizzy spells bothered me and my sight blurred. The kidney secretions didn't pass often enough and they contained sediment. Finally I heard of Doan's Kidney Pills and after taking them was greatly relieved. Doan's sure are fine."

Belmont Street
Mrs. M. R. Churchill, 705 Belmont St., says:
"Some years ago I was down in bed for a week on account of my back. I couldn't get up or down without assistance and my back felt weak and lame. I was sick all over. Hearing so many recommend Doan's Kidney Pills, I sent for a box and had taken only a few doses when I felt better. Two boxes stopped the trouble and in every way I felt like a different person."

State Street
P. W. Brown, retired farmer, 1409 State street, says:
"Hard work had weakened my kidneys and I often felt the effect in lameness and soreness across the small of my back. Finally my attention was called to Doan's Kidney Pills and I got some. The backache and soreness entirely left me."
Over ten years later, Mr. Brown said: "I am ready to confirm any time what I said in my former statement, regarding my experience with Doan's Kidney Pills. I still consider them a medicine of merit and they always do good work when I take them."

South Thirteenth Street
Mrs. L. M. Drager, 909 South Thirteenth street, says:
"I can conscientiously say Doan's Kidney Pills are a reliable medicine for kidney disorders. I have taken them at different times when I have had a dull, tired feeling across my kidneys and when my kidneys haven't been acting regularly. Doan's have never failed to give me quick relief. It is only once in a great while now that I have to use a kidney medicine."
