

Doctor Tells How to Detect Harmful Effects of Tobacco

Try These SIMPLE TESTS

New York: Doctor Connor, formerly of Johns Hopkins hospital, says: Many men who smoke, chew or sniff incessantly and who are seemingly healthy are suffering from progressive organic ailments. Thousands of them would never have been afflicted had it not been for the use of tobacco, and thousands would soon get well if they would only stop the use of tobacco. The chief habit forming principle of tobacco is nicotine, a deadly poison which, when absorbed by the system slowly affects the nerves, membranes, sinuses and vital organs of the body. The harmful effect of tobacco varies and depends on circumstances. One will be afflicted with general debility, others with catarrh of the throat, indigestion, constipation, extreme nervousness, sleeplessness, loss of memory, lack of will power, mental confusion, etc. Others may suffer from heart disease, rheumatic trouble, hardening of the arteries, tuberculosis, blindness or even cancer of the common affliction known as cancer heart. If you use tobacco in any form you can easily detect the harmful effects by making the following simple tests. Read aloud one full page from a book. If, in the course of reading your voice becomes inflated, hoarse and indistinct, and you must frequently clear your throat, the chances are that your throat is affected by catarrh and it may be the beginning of more serious trouble. Next, in the morning before taking your usual smoke, walk up three flights of stairs

at a regular pace, then stop. If you find that you are out of breath, your heart beat is forced, trembling or irregular, you may be a victim of functional or organic heart trouble. If you feel that you must smoke, chew or sniff to quiet your nerves, you are a slave to the tobacco habit, and are positively poisoning yourself with the deadly drug, nicotine. In either case you have just two alternatives—keep on with the self poisoning process irrespective of the dangers and suffer the consequences, or give up the habit and escape the dangers. You can overcome the craving and stop the habit in a very short time by using the following inexpensive formula. Go to any drug store and ask for Nicotol tablets, take one tablet after each meal, and in a comparatively short time you will have no desire for tobacco, the craving will have left you. With the nicotine poison out of your system your general health will quickly improve.

Note—When asked about Nicotol tablets, one of our leading druggists said: "It is truly a wonderful remedy for the tobacco habit; away ahead of anything we have ever sold before. We are authorized by the manufacturers to refund the money to every dissatisfied customer, and we would not permit the use of our name unless the remedy possessed unusual merit." Nicotol tablets are sold in this city under an iron clad money back guarantee by all up to date druggists, including D. J. Fry.

SOCIETY.

By GEBTRUDE ROBINSON

SOCIETY events are beginning to take the form of motor trips, lawn parties and picnic suppers, the fair weather and almost unimpeded beauty of an early Oregon summer being responsible for it. Both the east and west banks of the river abound with ideal picnic spots, while for those who prefer to go farther from home, innumerable roads lead to innumerable fairy grounds where civilization is a thing to be quite forgotten and the sheer splendor of nature the only thing worth remembering.

Last Friday the Fire Wire class of the Leslie Methodist church took a camping trip to Taylor Springs on the north fork of the Santiam, which lasted until Sunday night. Hiking and fishing filled the Saturday hours, and on Sunday the regular Sunday school devotions, with services appropriate for Memorial day, were held. Some particularly enjoyable features were the vocal solo by Miss Treatall of Portland, the three act playlet "The Hand of Fate" by Myrtle Mason, and the college songs by the students of Willamette university. Enjoying the pleasurable trip were Miss Clara Miller, Joe Grounds, Dot Grounds, Hazel Delaney, Eunice Brown, Bertha Miller, Myrtle Mason, Fay Pratt, Helen Row, Gladys Harbour, Mildred Wells, Miss Stapleton, Sue Williams, Grace Presley, Grace Treatall, Agnes Gregson, Glenna Testors, Zeda Rhoden, Lora Purvine, Miss Pruner, Mrs. Belle, Helen Ingrey, Josephine Kourouman, Mr. and Mrs. John Ulrich, Mr. and Mrs. Max Alford, Mr. and Mrs. A. L. Rohrstadt, Mr. Medler, John Medler, Keith Lyman, Harold Lyman, William Sherwood, Lloyd McIntire, Guy Boice and Ivan Corner.

On Sunday the party was joined by Mr. and Mrs. E. A. Rhoden and family, Mr. and Mrs. J. L. Ingrey and K. H. Palmer.

GLAD TO PASS IT ALONG, HE SAYS

Elmer Doonan Declares Tanlac Relieved Him Of Rheumatism.

"I am glad to tell anybody about a medicine that did me as much good as Tanlac has," said Elmer Doonan, of 434 Fisher Ave., Detroit, Mich., recently.

"It was what I read in the papers about Tanlac that caused me to try it," he continued, "and I want to pass the good word along for the benefit of others. For a long time I had rheumatism so bad that my hands and wrists would swell up and pain me terribly, and I would hardly be able to sleep at night on account of my sufferings. I would get up in the morning feeling so tired and worn-out I could hardly drag myself off to work. I got so bad that I was losing time from my work and simply couldn't keep up.

"After trying everything else without getting any better I got some Tanlac, and it has done me a world of good. I sleep fine, have a splendid appetite, and am entirely relieved of my rheumatism."

Tanlac is sold in Salem by Dr. S. C. Stone, in Hubbard by Hubbard Drug Co., in Mt. Angel by Ben Goeck, in Gervais by John Kelly, in Turner by H. P. Cornelius, in Woodburn by Lyman H. Tonight and tomorrow evening Mrs. Oscar Gingrich will appear at the Oregon theater in a presentation of Indian songs and legends. It is quite useless to introduce Mrs. Gingrich to the art loving public, as everyone is acquainted with her marvellous ability, and those who have not had the pleasure of seeing her perform are only waiting such an opportunity as this, to witness the presentation. Her interpretation of Indian pantomime is so original and true to native legend and tradition, that aside from the art value of her offering, the work is doubly appreciated because of its individuality and the exceptional talent of Mrs. Gingrich herself. The wedding of James H. Campbell and Mrs. Sarah E. Riggs was solemnized at nine o'clock Tuesday morning at the bride's home, 411 North Summer street. The ceremony was read by Mrs. Reynolds of Berkeley, California, an ordained minister and a niece of Mrs. Riggs. Prayer was offered by the Rev. Leland W. Porter, pastor of the First Christian church of this city. Present at the wedding were Mrs. Hastings of Dallas, a sister of the bride; Mrs. Darling, Mrs. Shaw, Mrs. Brown, Mr. and Mrs. Jesse Campbell and Master James Leonard Campbell, Mr. and Mrs. Page and Rev. and Mrs. Porter. A wedding trip to Puget Sound and Canadian points was planned by Mr. and Mrs. Campbell, who left by motor for Portland immediately after the ceremony. The bride is well known in local social and church circles; the groom is a native of Kentucky, and has been spending some months visiting at the home of his son Jesse Campbell. Mr. and Mrs. Campbell will be at home after June 15th at 411 North Summer street, where a host of friends will welcome their return.

The soldiers', sailors' and marines' educational financial aid measure is apparently lost over the county, although many precincts gave it a favorable majority.

But I suppose you have forgotten it as it keeps coming. I have enjoyed reading the Capital Journal very much, but I expect to go away berry picking soon. So I won't be here to get it and I will have to order it stopped. If those names at the Waverly Baby home in Portland would keep his/her-ry fell on hands and give it to the bu-
