PORTLAND MARKET REPORTS

Portland, Or., June 5.—Cattle receipts the latter part of last week were normal and prices had a downward tendency. Yesterday's receipts were quite large and prices lower. The quality of stock in was just fair, most of it running to medium. Extra good steers sold from 13 1/2 to 12; good steers 10 to 11; medium, 9; common, 8 to 8 1/2.

Bulls seemed to remain staidler than anything else, most of sales still being made from 6 to 8 with an occasional sale of something extra above these prices.

Prime veal calves sold from 12 to 14; extra good cows are bringing 10; good cows, 9 to 9 1/2; medium, 7 to 9.

Trading in the cattle division was fairly active and most everything cleaned up.

Hog receipts yesterday were not as heavy as the Monday previous. The market was about 30c lower, top for prime mixed hogs now being 10 1/2 with a large number of sales made at 10 1/4.

Stock hogs are in good demand, prices now being about 17 to 17 1/2.

The sheep market is in bad shape, market here being unable to take care of the receipts. Sales of prime spring lambs yesterday were shown at 14c, but this was for stuff that was practically contracted for, and we would say that the top for prime spring lambs was not over 14c. Good yearlings sold at 8c to 8 1/2c; wethers, 7c to 8c, and good mutton ewes, 6c to 7c.

Wool Market Report
The first government wool market report has been issued by the bureau of markets, United States department of agriculture. It covers quotations on bright domestic fleece wool in all grades also territory California and Texas wools. Prices, based on actual sales in Philadelphia and Boston, are quoted on grease wool, showing the range and estimated shrinkage.

The Delaine grease wool is selling at 60¢; one-half blood staple territory, 56¢; California choice 12 months, 49¢; Texas fine 12 months, 34¢ to 35¢.

Government wool auction sales on May 23 were well attended with interest of dealers and manufacturers centered on fine wools. Medium and low wools receiving slightly more attention than at previous sales.

Special cables to the bureau of markets state that the second series of government colonial wool auctions at London show a rise of 5 per cent for finer grades compared with closing value at April sales. Medium descriptions were unchanged, while coarser wools ruled slightly lower.

FORMER COMPANY M BOY IS EXPECTED HOME SOON
Corporal Theron C. Hoover, company A, 355th U. S. Infantry, writes from Camp Lewis that he expects to be discharged within a few days, after 18 months of overseas service.
Corporal Hoover, who left here with company M shortly after the war was declared, afterward being transferred to company A, 355th U. S. Infantry, 89th division, arrived in New York about two weeks ago on board the Leviathan and after being held at Camp Upton a few days left for Camp Lewis, where he is now stationed awaiting discharge.
Young Hoover saw some of the hardest fighting of the war being in the St. Mihiel drive and the Argonne Forest fight and on November 5 when going "over the top" had six men in his squad put out of action. He himself, however, escaped without a scratch and has been in the army of occupation since the armistice was signed.
Word is received from Washington that congress will not act on war time prohibition.
A 4 per cent beer measure has been killed in the Massachusetts house of representatives.

COCONUT OIL FINE FOR WASHING HAIR
If you want to keep your hair in good condition, be careful what you wash it with.
Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Multifid coconut oil shampoo (which is pure and entirely greaseless), is much better than anything else you can use for shampooing, as this can't possibly injure the hair. Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dirt, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.
You can get multifid coconut oil shampoo at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.
