### Long Term Lease Taken On Former Spencer Hardware Company Store.

Kafury Bros. have just closed a long time lease for the Hughes building, formerly occupied by the Spencer Hardware company, adjoining the Oregon theatre. According to the terms of the lease, \$6000 will be spent in remodeling the building and making it in every respect modern and adapted to a modern dry-goods store.

This will include plate glass fronts for the 40 feet facing on State street, all hardwood floors, rest rooms, steam heat, drinking fountain, special fitting rooms and a special room for the shoe department.

Besides the main room, with a 40 foot frontage and depth of 110 feet, there will be a basement under the entire building. Around three sides of the room a balcony will extend for special departments, including millinery.

Kafury Bros. intend to greatly enlarge their stock. There will be special fitting rooms, alteration department and a special ready to wear department for children.

Work on remodeling the building will begin within a week or so and it is thought that everything will be ready for the opening by August 1.

Kafury Bros. opened a small dry-goods store about four years ago on Liberty street. Sales for the first day were \$175. On the second day this had jumped to \$250 and on the third day, the total was \$350. Business gradually increased until today the firm employs 11 people and when the business is moved into new quarters, the number of employees will be 16.

The Salem Fruit Union has brought suit in the circuit court against the Phez company for \$4065.01.
