M'GRAW'S GIANTS OFF TO INVADE NEW FIELDS

National League Leaders Facing Crucial Trip Around Circuit.

By H. G. Hamilton
(United Press staff correspondent)

New York, June 6.—Crucial series these days are only part of the daily grind in the National and American leagues. The Yankees are engaged in one right now. The Giants after having been favored by a long rest in eastern territory, are opening with the west.

The Giants are facing a hard proposition. They are going against the most unfavorable conditions they have yet been called on to meet and are scheduled to do a lot of traveling before they again see the welcome sign on the Polo Grounds doormat. If they are to do any cracking, chances are they will do it real quick and get their pennant worry out of their system. If they return from their jaunt toward the Mississippi still playing the brand of ball that has kept them at the top of the heap the boys who bet against them had better begin trying to hedge.

John McGraw is leading his veterans into the west with some trepidation, for the hard work of the last few days in New York shot a hole in his pitching staff that came near developing into a blowout. Both Causey and Barnes, who so far proved the Aces, curled up in the heat and practically blew away.

* WHAT CAUSES WRINKLES? *
* WHAT'S THE REMEDY. *

Stop to consider what produces wrinkles and sagging of skin. Premature aging, mal-nutrition, etc., cause the flesh to shrink, lose its youthful plumpness and firmness. The skin then is too large for the flesh underneath; doesn't fit tightly and saggy as it used to—wrinkles or sags.

It must be plain that to tighten the skin, make it fit the face perfectly in every place, will effectually remove the hateful wrinkles and bagginess. This is easily and harmlessly accomplished by dissolving an ounce of powdered saxolite in a half pint of witch hazel and using the solution as a face wash. The ingredients you can get at any drug store. The results are surprising. The skin immediately tightens up, becoming firm and fresh as in youth. Every wrinkle and sag are affected at once.

ROUND THE COUNTY WITH THE JOURNAL MAN

A scribe for the Daily Journal enjoyed an auto ride last Tuesday with Frank Siegmund of Mehama and found all crops in a very promising condition throughout that district. Last week's frost damaged vegetables very slightly.

Travel between Salem, Mill City and down along the route has largely increased during the last few weeks. Two auto stage lines are kept busy every day. The Acker line now makes two trips each way every day.

First in the van of the good roads voters, at Mehama last Tuesday, was Jacob Siegmund, who is past eighty years old, and obsessed with the idea of reaching his destination over a smooth highway.

In the spacious and well filled dining room of Hotel de Stayton on Decoration day walked three special guests from the metropolis of Multnomah county. They were Mr. and Mrs. Blankety Nurbain and his excellency Spotted Puperty Pup Pup with appreciated tail. Puperty was given a seat near the special table of the Nurbains—not by the dining room force, however, but by the Nurbain lady herself, who bestowed less attention upon her better half (1) than upon the Puperty Pup, whose dainty appetite received satisfaction from the pitchers of pure cream and plates of desert. Meanwhile waiters flashed fire from their eyes upon the Nurbains, and their puppy stopping high, higher and higher in a vain attempt to squash doggy under a number 10 boot. It is now rumored that large signs will soon appear on the walls of Hotel Clayton with the following inscriptions:
"Nurbains and dogs keep out."

GOVERNOR PROCLAIMS "BOY SCOUT WEEK"

Governor Olesett today issued a proclamation setting aside the week beginning June 8th to Flag day, June 14th, to be observed as Boy Scout Week throughout the state of Oregon. This proclamation issued in line with a proclamation issued by President Wilson proclaiming such week as Boy Scout week throughout the United States. The proclamation follows:
Whereas, Woodrow Wilson, president of the United States has issued a proclamation recommending that the period beginning Sunday June 8 to Flag day, June 14, be observed as Boy Scout week through the United States for the purpose of strengthening the work of the Boy Scouts of America; and
Whereas, the Boy Scouts of Oregon notably acquitted themselves in liberty loan and war savings campaigns and other war work and by so doing have demonstrated their patriotism, fidelity and worth to the nation; and
Whereas, there is nothing to be more highly prized, to be more properly safeguarded nor to be given more effective means of development than the future citizenship of our state and nation;
Now, therefore, I, Don W. Olesett, by virtue of the authority in me vested as governor of the state of Oregon, do hereby urge that the week beginning Sunday June 8 to Flag day, June 14, be fittingly observed as Boy Scout Week in the state of Oregon and that all reasonable means be used by the people of the state to advance the cause and increase the effectiveness of the organization of the Boy Scouts of America.

LEBANON COUPLE ADOPT BABY LEFT ON STEP

The two-year-old girl who was left a few weeks ago at the door step of the home of B. C. Miles on Court street, has been legally adopted by Mr. and Mrs. Waldo Brown of Lebanon and the case against the mother of the child, Jessie Armstrong, and the grandmother, charged with causing a child to become a dependent, has been dismissed.

The petition to the county court asking for the adoption of the child was legally filed and provides that she shall be the lawful child, including right of support, protection and of inheritance. In signing consent to the adoption, the mother relinquishes all rights to the baby in the wording "and I hereby waive all rights parental or otherwise over said child."

In the order of the county court consenting to the adoption it is provided that the girl's name legally shall be Betty Leone Brown.
