**STEERING** a march upon their numerous friends, Miss Mary Simon and Carl Hinge were quietly married Saturday afternoon at three o'clock at the home of the groom. Reverend W. C. Kantner officiated, and only the immediate relatives of each were present. The bride wore a smart tailored suit and neat gloves and shoes to match. The young couple left immediately for Portland and upon their return they will reside in the Court apartments.

The bride is the daughter of John Simon of West Salem and is extremely popular in the younger social set. Mr. Hinge is the son of Mrs. Halle Parrish Durall and for four years has been chief clerk in the claim department of the industrial accident commission. He has recently returned from service with the ordnance department.

A party composed of a group of Portland folk motored to Salem Saturday and were the guests of Miss Elizabeth Lord. An all fresco luncheon was served under the pergola, the beautifully appointed table being centered with yellow roses in a pale gold basket. The ideal day and the garden, a perfect riot of gay color, formed a magnificent setting for the charming event. Miss Mabel Withycombe served tea at her home on Court street before the departure of the guests. The party from Portland was composed of Miss Genevieve Thompson, Mrs. D. P. Thompson, Miss Isabelle Gould, Miss Fay Nichols, Miss Eliza Parker, Mrs. Kenneth Robertson. Additional guests, Miss Mabel Withycombe, Miss Mary Hart, Mrs. B. O. Schürking, Mrs. Richard Cartwright and Mrs. W. P. Lord.

**THESE TWO LITTLE GIRLS ARE LIVELY NOW AS CRICKETS**

**Once Weak And Puny Like Tanlac Makes Them Look Like Different Children**

"It makes me feel good to see how bright and healthy my two little girls are since we started them on taking Tanlac," said H. P. Corbett, of 318 East Grand street, Division Three.

"They were both weak and puny children," he continued, "had no appetite and suffered from indigestion and were awfully pale and thin and sallow looking. They complained of having headaches and pains in their backs, they were restless at night, had no life nor energy during the day and wouldn't play around like other children. Medicines we gave them did not do them any good and my wife and I were greatly worried about their condition."

"Since starting them on Tanlac my two little girls are not like the same children. Both have gained in weight and are as lively as crickets, they eat hearty meals, sleep well at night and are as playful and happy as any other healthy children of their ages. Tanlac has simply done wonders for them and I am only too glad to endorse such a splendid medicine."

Tanlac is sold in Salem by Dr. S. C. Stone, in Hubbard by Hubbard Drug Co., in Mt. Angel by Ben Goeh, in Gervais by John Kelly, in Turner by H. P. Cornelius, in Woodburn by Lyman H. Although every teacher in the county is assured of at least \$75 a month, there is no rush to contract for schools next winter. Many of the best teachers will not teach next winter, but will attend university or normal school. And although the soldiers are coming home, those who formerly taught, are not applying for schools. The average male teacher can secure in the country but little more pay than the farm hand, and according to the present outlook, the salary paid for men teaching in rural schools is not very attractive.

One week from today there will be held the annual election for school director. A successful will be chosen to succeed H. L. Clark who has served for the past three years. It is understood there is a general feeling that U. G. Shipley should accept the nomination and consent to become a candidate.

**WHY DO WOMEN SUFFER**

When There is Such a Remedy for Their Ills as Lydia E. Pinkham's Vegetable Compound?

Mishawaka, Ind.—"I had such a severe female weakness that I could not do my work and I could not get anything to relieve me. A physician treated me, but it did no good. I had been in this condition for three months when I began taking Lydia E. Pinkham's Vegetable Compound (tablet form) and it cured me. I keep house and am able to do my work now. I certainly praise your medicine."—Mrs. Susan Oldfather, 548 West Second Street, Mishawaka, Ind.

Women who suffer from such ailments should not continue to drag around and do their work under such conditions, but profit by the experience of Mrs. Oldfather and thousands of others who have tried this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, and found relief from such suffering. If complications exist write the Lydia E. Pinkham Medicine Co., Lynn, Mass. patroness for the Devil Dog club dance in Portland this week. Concerning the affair, which will be one of the gayest features of the Victory Rose Festival the Oregonian says:

"The Devil Dog club of Portland, composed of a group of men of the United States marine corps who have been in foreign service, will give an elaborate ball and reception as a special feature of the Victory Rose festival, Thursday evening at the Multnomah hotel. The event will be in honor of the Oregon men who recently returned from overseas, all of whom will be in uniform, as well as for the club members. Officers and men of the battalions that will be in Oregon waters during the festival also will be special guests and the affair is expected to surpass any similar event of the year. The entire mezzanine floor of the Multnomah has been reserved for the occasion and three orchestras will keep up a continuous dance program. The tea-gasians connecting the two ball rooms will be used for resting and the serving of punch, as the affair has the patronage of the prominent men and women at the city it will undoubtedly be a great success."

**A Woman's Story With Great Meaning**

Subject of Childbirth Discussed by Women of Experience.

Women everywhere tell their friends how, through the use of Mother's Friend, the wonderful penetrating external application, they avoided suffering and distress before the advent of nature's most wonderful evolution.

Mother's Friend is a remedy which secures its influence upon the cervix, serves and supports her, rendering her most pliant to readily yield to nature's demand for expansion. The cervix, cervix, tendons and ligaments expand without that peculiar wrenching strain, and nervousness, nausea and unworldly sensations are naturally avoided when the cervix and muscles are relaxed and thus are not torn and drawn.

By regular use, the lower abdominal region expands with ease when labor is born. The hours are less at the clinic, and pain and danger is naturally less.

You can obtain Mother's Friend from any drug store. It has been used by women for over half a century, and is just as standard as anything you can think of.

Write the Bradford Regulator Company, Dept. H, Lamer Building, Atlanta, Georgia, for their Mother's Friend Book, and a bottle of Mother's Friend today, and thus fortify yourself against pain and discomfort.
