

Itching, Scratching, Skin Diseases That Burn Like Flames of Fire

Here is a Sensible Treatment.
For real, downright, harassing, discomfort, very few disorders can approach so-called skin diseases, such as Eczema, Tetter, Bolls, eruptions, scaly irritations and similar skin troubles, notwithstanding the lavish use of salves, lotions, washes, and other treatment applied externally to the irritated parts.

No one ever heard of a person being afflicted with any form of skin diseases whose blood was in good condition. Therefore, it is but logical to conclude that the proper method of treatment for pimples, blotches, sores,

boils, rough, red and scaly skin, is to purify the blood and remove the tiny germs of pollution that break through and manifest their presence on the surface of the skin.

People in all parts of the country have written us how they were completely rid of every trace of these disorders by the use of S. S. S. the matchless, purely vegetable, blood purifier. S. S. S. goes direct to the center of the blood supply, and purifies and cleanses it of every vestige of foreign matter, giving a clear and ruddy complexion that indicates perfect health. Court House

S. A. Mulkey and others of St. Johns Portland, have brought suit against Will H. Bennett, bank examiner, and also the banking board of Oregon to compel them to issue a permit for the organization of a state bank at St. Johns. Application for the permit has been denied by Mr. Bennett and his decision upheld by the banking board of the state. The men wishing to establish a bank at St. Johns feel they have been discriminated against, and have

entered suit in the circuit court before Judge George G. Bingham, to compel the board to issue the permit. The case will come up for trial June 18 before Judge Bingham.

In the suit of the City Lumber and Box Co. against W. L. Gilbert tried before Judge Kelly, the jury brought in a verdict in favor of the defendant.

In the matter of the adoption of Bertha H. Eugene, the county court has set June 23 for the date of hearing. The child is an orphan and application for adoption was made by her grandparents, Mr. and Mrs. Bedford R. Smith. They ask that her name be changed from Bertha Harriet Eugene to that of Bertha Harriet Smith. The girl is four years old.

You can't cover blackheads, pimples, red spots on the face with powder; they're bound to be seen—don't worry or spoil your temper, take Hollister's Rocky Mountain Tea each week—it will banish them thru the blood, the only sure way. 35c, D. J. Fry.

John J. Bude has sold his pool, billiard and soft drink parlors in the opera house block to Paul C. Schwabauer of Salem. Mr. Bude has always enjoyed a splendid trade since taking over this business. Mr. Schwabauer is a man of family and will move to this city as soon as a suitable home can be found. He is already in possession of the business.—Silverton Appeal.
