With the first of the summer concerts scheduled for Wilson park, the question came up at the meeting of the city council last evening as to whether some of the concerts should not be held each week in Marion square. It developed in the discussion

that the contract with the Cherrian band called for concerts twice a week in Wilson park. Unless weather conditions present, during the remainder of the summer, concerts will be given in Wilson park every Tuesday and Friday evenings, beginning at 8 o'clock. The city council incurred \$1500 for these concerts in preparing the 1919 budget.

When My Baby Was Sick

I SHALL never forget that dreadful day when I wondered if anything would ever agree with my baby. Of course, I had tried to nurse him, as every mother should. And we had tried almost everything, it seemed—but he wouldn't gain weight or leave the pink cheeks I prayed for.

And then our old doctor said "Let's try Nestlé's Milk Food. You know that it is made out of milk—it's the nearest thing in the world to mother's milk. They add cereal and sugar to it—just the right amount—and the tough milk curd is broken up and easier to digest."

As I write, a sturdy, two-year-old plods gravely up to me and the dreadful days seem far away—for my baby is well.

Nestlé's is very easy to prepare

—you just add water and boil in a powder that comes in an airtight tin—and I hear that for fifty years it has been making babies strong. The Nestlé Company likes to save babies and put them on the road to health. They give me free a big Mother's Book on baby feeding by specialists, and enough Nestlé's for 12 feedings. They will be glad to do this for you, too, if you will send them your name on the coupon below.

Nestlé's is pure milk in powder form that is already modified and does not require the further addition of milk. Always pure and safe, always uniform and free from the danger of loose modification. Nestlé's has stood the test of three generations and has today the largest sale of any baby food in the world.

FREE! Enough Nestlé's for 12 feedings. Send the coupon!

A double header in the way of army discharges was filed for record yesterday in the office of the county recorder. The first was that of David Demarset, dated July 14, 1895, and along with it that of his grandson Corporal Clyde C. Demarset of Woodburn. The corporal served in the infantry with 14 months active service in France. The grandfather was with the Third United States cavalry during the last two years of the Civil war. When organizations are being formed 100 years from now, on the plan of the present Sons of the American Revolution, the Dearest family will have official proof of its part in the great Civil war and also the greater world's war.

Last summer at the band concerts in Wilson park and especially at the Old Fellows concert given a few weeks ago, the children made themselves such a nuisance playing ground and all over the stand that there has been an insistent demand that something be done to curb the youngsters and their noise during the playing. At the recent Old Fellows concert, children played all over the band stand and on the steps, much to the annoyance of those who came to hear the music. Hence there will come before the council this evening, a request that a policeman be stationed near the stand, whose duty it shall be to compel the children to keep still or go elsewhere and play and not annoy those who come to enjoy music.

The public service commission is in bad with the city council, not only because of its throwing a rock at the city in its decision refusing alarm signals at Capitol and Union streets, but because of another incident. It seems that when the case was called, the commission greeted the three big railroad attorneys with smiles and cordial handshaking, while the attorney for the city was received in cold silence. All of which inclines the aldermen to believe with H. H. Vandervort that the commission has a strong leaning for railroads.

Famous In A Day For Her Beautiful Complexion, Oatmeal Combination Does It

A Free Prescription Does Its Work Overnight. You Can Prepare It At Your Home

New York: It is my own discovery and it takes just one night to get such marvelous results, says Mae Edna Wilder, when her friends ask her about her wonderful complexion and the improved appearance of her hands and arms. You can do the same thing if you follow my advice she says: I feel it my duty to tell every girl and woman what this wonderful prescription did for me. Just think of it. I never tire of telling others just what brought about such remarkable results. Here is the identical prescription that removed every defect from my face, neck, hands and arms. Until you try it you can form no idea of the marvelous change it will make in just one application. The prescription which you can prepare at your own home is as follows: Go to any grocery and get ten cents worth of ordinary oatmeal, and from any drug store a bottle of dermillo. Prepare the oatmeal as directed in every package of dermillo and apply night and morning. The first application will astonish you. It makes the skin appear transparent smooth and velvety. I especially recommend it for freckles, tan, sun spots, coarse pores, rough skin, ruddiness, wrinkles, and, in fact every blemish of the face, hands and arms are better. If your neck or chest is discolored from exposure, apply this combination there and the objectionable defect will disappear. It is absolutely harmless and will not produce or stimulate a growth of hair. No matter how rough and ungainly the hands and arms, or what abuse they have had through hard work and exposure to sun and wind, this oatmeal dermillo combination will work a wonderful transformation in 12 hours at the most. Thousands who have used it have had the same results I have had.

Note: To get the best effect be sure to follow the complete directions contained in every package of dermillo. You have only to get dermillo and oatmeal. You need nothing else and it is so simple that anyone can use it; and is no inexpensive. The manufacturer and druggists guarantee that there will be a noticeable improvement after the first application or they will refund the money. It is sold in this city under a money refund guarantee by department stores and all up to date druggists including the Fry and the Welvelty. I especially recommend it for freckles, tan, sun spots, coarse pores, rough skin, ruddiness, wrinkles, and, in fact every blemish of the face, hands and arms are better.
