Dependable Luggage

For Short Jaunts Or Long Service

Laggage conveys a silent but forceful message-at the train or depot-in hotel or guests' home. Is it not most mbarrassing to have conspicualy shabby luggage?

We have muce and hand bags to meet most domands from the very inexpensive to the more masierfujly finished article. Vscationists will do well to get our prices.

LA VICTOIRE CORSETS

"The Corset De Luxe"

For Women would knowingly give up the graceful lines of youth, yet how many unknowingly give them up by too conspicuous corseting.

LA VICTOIRE CORSETS have this wonderful advantage-they adjust so easily and perfectly as never to contradict the youthful figure. Their splendid effect is never destroyed by breaks in the bust line and creases at the sides or back. Their graceful contours are those of true youth that courts inspection.

runa: Fournier, 3; Boles, Ken worthy, Angels; Spences, Bees. In the eighth inning it looked like

In the eighth inning it looked like the Benvers were almost certain of winning their seventh straight, but three runs in the last of that inning gave the Oaks the contest, 4 to 3.

Evidently emulating the spirit of the times, the Angels and Bees struck at everything, resulting in the Mormon City grabbing the game 18 to 17. Sur runs in the minth rurned the trick for them.

Other teams were in the Pullman ague yesterday.

There are two tastes in tea: the tea-taste and the tannin-taste. When you make your tea, the teataste develops first; the tannin after it.

Common tea, made from the older leaves of the teaplant, has a low-grade of tea-taste, and even that is quickly smothered by the tannin.

Fine tea, made from young tender leaves, has an abundance of fich real little tannin in fine tea.

Schilling Tea is the fine practical economical tea of this country.

There are four flavors of Schilling Tea — Japan, Ceylon - India, Oolong, English Breakfast. All one quality. In parchnyn-lined moisture-proof packages. At grocers everywhere.

Now On Display

Properly Draued & Well Made Dresses

Every woman knows the difficulty in making a good fitting dress, that hangs gracefully-and looks finished and smart.

And they would theroughly appreciate the beautiful effective styles we are now showing.

Particular Making

In the small details the care and skill displayed in these dresses will appeal to you as splendid examples of how a dress should be made. The season's popular ma-

terials are shown, in colors, and trimming combinations of embroidery, tucks and frills are most effectively used.

Visit our Ready-to-Wear Department and make your selection before our stocks are broken up.
