## JERSEY HERD BRINGS BIG PRICE PER HEAD

### Silverton Man Pays \$5100 For 3-Year-Old Cow At Carlton Sale.

Carlton, Or., June 18.—A world's record was established at the sale of thoroughbred Jersey stock, held Monday at Ed Carey's Oakmeigs farm, near Carlton, when the highest average price on record was paid for a Jersey herd bred by one owner.

Early the feature of the sale was St. Mawes Boise Rosaire purchased by F. A. Duerfler, Jersey breeder of Silverton, for \$5100. Frank Laughary of Monmouth, paid \$2100 for a bull calf, brother of Rosaire, 10 days old.

Several head were bought by D. C. Howard, county agent for Columbia county, at prices ranging from \$1200 to \$1500. The Hood farm, of Lowell, Mass., made several selections, paying as high as \$6025. Guy Hewitt, a Monmouth breeder, paid \$1550 for a cow.

Other buyers were Dr. Hurd of California, Morton DeGuire of Silverton, Ralph Hyatt of Silverton, P. O. Powell & Son of Monmouth, and Anton Malair of Bering.

set directly without the intervention of any organ of the League whatever. To hold such a view would nullify many of the obligations which, if one can use the expression, are personal and direct. For example, in Article X the members bind themselves individually to preserve and protect one another's independence and integrity against external aggression, the council only giving advice on the best means of doing so. When under Article XIII two members go to arbitration they do it without regard to the council or assembly. Under Article XVI the boycott or blockade is to be set in operation immediately by the members, without waiting for action by the council which has no discretion to authorize or forbid it. This is true also of the obligation to furnish mutual economic support and allow the passage of troops. Again the agreements for humane treatment of labor, etc., impose obligations directly upon the members of the League.

How direct these obligations upon the members are, how much is left to their automatic action, and how restricted is the authority of the organs of the League will be seen more fully as we proceed to examine the several articles of the Covenant.

To meet criticism made in America, a clause was added to the first article permitting any member of the League to withdraw after two years' notice. Such a withdrawal ought not, of course, to be permitted, in order to avoid obligations already incurred; and it is therefore very properly subject to the proviso that these have all been fulfilled at the time of the withdrawal.

By H. C. Hamilton (United Press Staff Correspondent.) Toledo, Ohio, June 18.—Jack Dempsey weighs 201 pounds. The challenger stepped on the scales at his camp at Bay Park Tuesday afternoon for the first time in public since he started training for his July 4 bout with Jess Willard. Newspapermen and a few other visitors formed the audience.

stepped on a pair of brand new scales which had previously been tested for accuracy.

The weight as shown by Dempsey today is about 13 pounds better than when he met and defeated Fred Fulton in a round at Harrison, N. J. And he is in better condition today than on that occasion.

Willard speeded up his training Tuesday by taking on Joe Chip, New Castle, Pa., middleweight, for a three round session. Joe worked like mad and laid many a heavy paw on the chin and tummy of the champion. Jess made no return owing to the diminutive size of his new sparring partner, but Chip's speed made his step at a lively pace in blocking. Willard went in all eleven rounds without any rest. He showed slower than for the last few days because he contended himself for the most part with blocking. He gave Jack Heisen a bloody nose. He also took Monahan and Hempel on and had a stiff workout with weights and shadow boxing. Dempsey did not box but went through the regular program.

### President Wilson Invited To Visit Oregon On Tour

Hillside, Or., June 18.—President Wilson is invited to come to Oregon during his contemplated tour of the United States, upon his return from

France, in a message sent Tuesday evening by Dr. J. W. Morrow, Democratic national committeeman from Oregon to Secretary Tamm.

It is expected that people of the state who wish to learn more fully the inner secrets of the peace conference, and the demands of the League of Nations upon the United States, will join in the invitation to the president.

The message sent by National Committeeman Morrow was as follows: "I understand President Wilson expects to make a tour of the states immediately on his return from Europe. Will you extend to him, on behalf of the people of this state, an invitation to visit Oregon and address the people on the peace treaty and the League of Nations?"

Graduates of Willamette university are in great demand over the state and several members of the 1919 class have recently accepted positions in various high schools.

The wheat crop of Washington this year will be more than twice the size of last year's crop, according to the report of the Spokane office of the bureau of crop estimates.
