The funeral services of Mrs. Andrew Suhrs was held this afternoon from the Rigdon chapel. Among those attending from a distance was Mark W. Peterson of Portland. Mrs. Suhrs had the rare distinction of being personally acquainted with nine living generations of her family. When but five years old her great grandfather died and her remanding of his in letter research. membrance of him in later years was very distinct. Before her death she had the pleasure of knowing two of her great great grand children.

School directors throughout the coun ty are getting husy arranging for their teachers next fall and almost all teachers next fall and almost all achools have already contracted. The teacher now will have until August I to resign and get a better job. After that date, if the school begins October I, the teacher cannot resign and take another school without getting in had with the school authorities. The late legislature passed a law making the limit 60 days before a school begins when a teacher can resign and take another school in the state. The limit was formerly 30 days.

A man whose mind seemed to be just a little off came to Salem vesterday afternoon on a Southern Pacific train. His queer actions attracted attention and finally the police was notified of a strange acting man. Officer Walter Rowe was sent out to round him up. He was found on State street near the public library digging a hole in the ground with his hands and fingers. When brought to the police station, he said he was in Redding, California, and that he had left his baggage in a near
