### SCOTTS MILLS NEWS

The series of meetings conducted by Rev. Joseph H. Smith are interesting indeed. Surely we are fortunate in securing such an evangelist. Much good has already been accomplished.

Miss Gertrude Cook of Portland is attending the Jos. Smith meetings and taking stenographic reports of his sermons.

Miss Birdie Howe spent last week with Mrs. L. C. Russell of Middleton.

Mrs. Charley Scherback of Mt. Angel and children visited with Mr. and Mrs. W. H. Commons last Friday and Saturday. Mrs. Scherback attended the high school commencement.

Rev. Owens of Seattle is here attending the Jos. Smith meetings; also Rev. Kestin and wife of Maxquam are in attendance.

Henry Thomas sold his place last week to Joseph Jones of Ponah, Oregon, who will move here with his family. Mr. and Mrs. Thomas expect to live with their son, Arlie Thomas.

Mrs. L. C. Russell and children of Middleton are visiting relatives here and attending the series of meetings.

The commencement exercises of our high school held here Friday evening was a decided success. The people turned out en masse to enjoy the excellent program rendered. Miss White, the principal, and her class may well congratulate themselves over their decided success.

OREGON has made a name for herself among her sister states because of her educational program. Oregon colleges and private institutions have become noted for their advanced methods of instruction, to say nothing of their modern resources and conveniences. The University of Eugene is one of the most beautiful institutions of its kind in the northwest, but during the past few years the need of a woman's building has been sorely felt, until at last the necessity has become extremely urgent.

At the recent session of the legislature the sum of one hundred thousand dollars was appropriated for the erection of the building on condition that an equal amount be raised by private subscription. For this purpose the alumni association of the university have been working tirelessly, and backed by the various women's organizations thru out the state have raised a comparatively large sum. The goal, however, is not yet won, and musicales, art exhibits and social entertainments are still being held to swell the fund.

As a proof of their interest in the cause, the Salem Women's club will give a silver tea tomorrow afternoon from 3 to 5 on the state house grounds. Everyone interested in educational affairs and with the welfare of the state university at heart, is invited to be present. Although sponsored by the Women's club it is not essentially for women and a special invitation is extended to the business men of the city to attend.

Heralded as one of the wonders of the age, and with a reputation that only a very few acquire during a life time, Master Jean Kantner, boy soprano, will appear in concert Saturday evening at the First Congregational church. The success of this thirteen year old prodigy is almost unparalleled and the account of his career since his first public appearance at the age of seven years, reads like a fairy tale. From coast to coast, he is known as a genius and greeted upon every appearance with a wealth of praise that only real merit is able to extract from musical critics.

"One of the musical geniuses of the northwest," says the Spokane Review, and across the continent the critic of the Musical Courier (New York) describes his singing as follows:

"With an exceptional voice, carefully trained, and a style varying from Handel's 'Angels Ever Bright' and 'Pais' to David's 'floral song' 'Thou Brilliant Bird,' and 'Carpenter'—fun songs. It is easy to account for the popularity of Jean's singing."

Master Jean is accompanied by his father, Clifford White Kantner, the son of Rev. W. C. Kantner of the First Congregational church. During his residence here 14 years ago, Mr. Kantner identified himself in the musical circles by his ability along those lines and particularly in choir work. He is a composer of note and accompanies the boy during the concerts.

### STATE WEAVES STRONG CASE AROUND DOCTOR

#### Prosecution Rests At Noon In Trial Of San Francisco Physician.

Redwood City, Cal., June 25.—The state's direct case against Dr. Ephraim Northcott was closed at noon today by District Attorney Franklin Swart, who is conducting the prosecution of the San Francisco physician, charged with killing Inez Reed, an army nurse, who died from an illegal operation.

The state wove a strong web of circumstantial evidence in its effort to prove that the girl's death came as a result of an illegal operation, it alleges Northcott performed at San Mateo. After her death, it is claimed the girl's body was thrown from an automobile down a gulch at Crystal Springs, near San Mateo.

The sudden close of the state's evidence gave rise to belief that the state has strong evidence withheld for rebuttal testimony.

Testimony of Dr. F. B. Jordan that he directed Miss Reed to Northcott when she asked him to help her escape child birth, was one of the strongest bits the state introduced. Miss Katherine Fisher, a nurse, who testified that Northcott sought to hire her to care for an illegal operation case at San Mateo a few days before the body of Miss Reed was found, was the last witness for the state.

Every effort was made to impeach the testimony of Miss Fisher. To do this defense attorneys coupled her name with that of James Roy, an ex-convict, who, they intimated, would testify that Miss Fisher had told him Northcott had nothing to do with the Reed case. Miss Fisher firmly denied the defense assertions.

She denied also that Katherine O'Connor, police woman, came to her room and read her a supposed copy of testimony she was expected to give.

### THE MEN IN CLASS A1

A sound, healthy man is never a back number. A man can be as vigorous and able at seventy as at twenty. Condition, not years, puts you in the discard. A system weakened by overwork and careless living brings old age prematurely. The bodily functions are impaired and unpleasant symptoms appear. The weak spot is generally the kidneys. Keep them clean and in proper working condition and you will generally find yourself in Class A1. Take GOLD MEDAL Heurten Oil Capsules periodically and your system will always be in working order. Your spirits will be invigorated, your muscles supple, your mind active, and your body capable of hard work.

Don't wait until you have been rejected. Commence to be a first-class man now. Go to your druggist at once. Get a trial box of GOLD MEDAL Heurten Oil Capsules. They are made of the pure, original, imported Heurten Oil—the kind your great-grandfather used. Two capsules each day will keep you toned up and feeling fine. Money refunded if they do not help you. Remember to ask for the imported GOLD MEDAL Brand. In three sizes, sealed packages.

### Association Manager In Douglas County

R. C. Paulus of Salem was here today on business connected with the new state organization of Oregon fruit growers. One of the first things to be taken up by the new Oregon Co-operative Growers association will be a universal Oregon brand. It is expected a contest of some kind will be started soon to get the minds of the Oregon growers on the name of the brand they will want to put their fruit out under.

The problem of finances has already been worked out satisfactorily to the extent that the growers will be able to draw almost all their money at the time they deliver their fruit. As the temporary board of directors of the new organization has not yet been elected, no definite policy has been formed as to the percentage to be advanced. Contracts and organization papers have been approved by the federal reserve bank so that the new organization will be able to place as much of its paper through the local banks as they may care to take on.

The new association will also take immediate steps to print a growers' bulletin or paper so that growers will be furnished with all the latest and accurate information on markets, cultural problems, spraying, etc.

Packing houses will be constructed on modern lines, eliminating waste spaces, and the future needs of the community as well as the present will be looked into carefully before building. The Butte Falls Fruit Growers association at Scotts Mills contemplates the erection of a new building, and members spent Friday in Salem and at Creswell with Robert Paulus locking into

### Don't Suffer

MANY men and women are suffering because they are treating effects instead of removing causes.

Why bother with liniments and lotions for rheumatic pains, backache, stiff joints, sore muscles, biliousness, nervousness, floating specks in the vision, dizziness, puffiness under the eyes, or other symptoms of kidney trouble when the kidneys can be made well and strong, thus removing the cause of the symptoms?

### Foley Kidney Pills

have been used for kidney trouble and bladder ailments by men and women with success for many years. They seem to get right at the root of the trouble, invigorating and strengthening, besides and peeling work, cure, or disordered kidneys and bladder. They help the kidneys throw out of the blood the waste and poisons that cause the symptoms of kidney trouble.

O. W. Weinsinger, 254 Burns Vieta, San Antonio, Texas, writes: "I have suffered more or less with kidney and bladder trouble for the past ten years. The only thing I have ever been able to get relief from was Foley Kidney Pills. I currently recommend them to my own suffering from kidney or bladder trouble."
