This has been a close contest all the way through and we are wondering if it will be a close finish. Whoever wins remember the big day at Turner convention July 6th and be there. We want every member of the Bible school to be there if they possibly can. We are only just getting a good start and are now ready to start the summer slump. ELKS CAMPAIGN WELL STARTED TOWARD END

Everything in the campaign for the raising of \$20,000 in Marion county for the Salvation army is going along fine, according to Walter L. Toose.
The quota outside of Salem for the county is \$5000 and this amount there will be no trouble in raising, Mr. Toose says, as the workers everywhere are reporting liberal contributions.
Salem faces the proposition of raising either \$10,000 and letting all the money go elsewhere for investment, or of raising \$15,000, making the total for the county \$20,000. Should this \$20,000 be raised in the county there will be erected in Salem a building that will be a credit to the Salvation army and the efforts of the Salem Elks lodge.
In order that a close record may be kept of what has been done this week, Mr. Toose has sent out a call to all captains and workers to report at headquarters at 2 o'clock Monday afternoon with money and receipts and a memorandum of work done. If the quota has almost been reached, it is probable that the work may continue into next week in order that the money may be spent in Salem in the erection of a building suitable for the great Salvation army work.
