How about opportunity? Young people are apt to dream that some day wonderful opportunity will come to them. Marriage licenses are now averaging one a day, since the beginning of the last half of the year. Yesterday the one license issued was to Claud LeRoy Carson, 34, a carpenter and farmer living on rural route 3, Salem and Mary Ethel Davey, a teacher, also living on rural route 3, Salem.

The county court has authorized A. T. Woolpert, administrator of the estate of A. B. Poole, to sell a half interest in the Central Pharmacy drug store at private sale. The sale is to be made within 15 days.

Now is the time to lay in a winter's supply of toe plates and heel plates. The government is offering for sale, "as is and where located," 1,350,000 pairs of toe plates and 400,000 pairs of heel plates. It is also advertising for sale 40,000 railroad picks. The toe and heel plates were made mostly in Massachusetts while the picks were manufactured at Alton, Illinois.

King Bing Fullerton has issued an order to the Cherrians. They are ordered to appear at the Commercial club in uniform at 9:30 o'clock in the morning of the Fourth to police and escort the famous baby parade to take place around the state house grounds at 10 o'clock. They are ordered to appear at the Marine hotel to serve as an escort to the Salem float with its

Guardians of Liberty and a dozen or fifteen other young beauties, which are to appear in the parade immediately following the Cherrian band.

Mr. and Mrs. Z. J. Riggs, Mr. and Mrs. Henry W. Meyers and P. H. D. Arty were among the Salem folks who were in San Francisco on the evening of June 30 and had the pleasure of seeing how the Prince people celebrated the coming of prohibition. According to letters received here by friends the celebration was not so awfully wild and woolly as the average person might imagine. Everybody was down on Market street to see the sights and take in the Palace and St. Francis hotels where the most exciting scenes were a few youths who were celebrating too much and hundreds of couples dancing the latest "chimmie" dance.

Tomorrow being a real national holiday, everything in town will be closed. But just to accommodate some transients, the general delivery of the post office will be open from 9 until 10 o'clock. There will of course be no mail deliveries. Folks in town who do not have boxes need not call for their mail as only one man will be on the job and that will be at the general delivery window. All other employees will be out celebrating.

State Senator D. V. Northland has been elected president of the Tieton State bank, a charter for which has just been issued, and which will be established at Tieton, Wash.

The Joy of Living
To enjoy life we must have good health. So one can reasonably hope to get much real pleasure out of life when his bowels are clogged a good share of the time and the poisons that should be expelled are absorbed into the system, producing headache and indigestion. A few doses of Chamberlain's Tablets will move the bowels, strengthen the digestion and give you a chance to realize the real joy of living. Try it.

Judge Bingham is in for a busy time next Monday morning. Two loganberry cases are set for hearing. One is that brought by Louis Lachmann, J. R. Linn and S. M. Endicott against the directors of the Salem Fruit Union in which they claim they have fears as to the value of their stock in the union and the other is the order of the court wherein the same directors are to show cause why they did not accept the load of loganberries brought in Wednesday morning by E. H. Dokken.

HOW MANY WOMEN DO YOU KNOW

Who can say they are perfectly well? "I am tired all the time." "I am so nervous it seems as though I should fly." "I can hardly drag around today," and all such expressions are characteristic of women who have overtaxed their strength until headaches, backache, nervousness, dragging down pains, irregularities and the blues, symptoms of a female weakness, have developed. Women who are in this condition may rely upon Lydia E. Pinkham's Vegetable Compound to restore them to health and strength.
