## WILSON TO BE HOME TUESDAY AFTERNOON

### President Hard At Work On Treaty Message Asking Ratification.

By Lowell Mellett

(United Press staff correspondent) Aboard U. S. S. George Washington, July 3.—(By wireless)—President Wilson made arrangements today for his arrival in New York about 2 o'clock Tuesday afternoon.

The president was still working on his message to congress and was preparing a message to the people for delivery July 4.

Before the George Washington's arrival, the president probably will deliver a speech from the promenade deck of the liner, to be transmitted to America later by wireless.

President Castro of Portugal, sent the following message by wireless to President Wilson:

"At the moment of the signing of peace, I hasten to address your excellency with my most sincere felicitations on your personal action and the superb effort of your valiant American people, which powerfully contributed to the victory of our common ideals. I hope the friendship of the two peoples, which the blood of our soldiers has consecrated, will develop into fruitful work for the promotion of peace relations."

Wilson responded as follows: "I have received your message with the greatest pleasure and wish in return to echo your hope that the days of peace which happily lie ahead of us may in every way yield the best fruits of friendship and cooperation between the peoples of our two countries."

Washington, July 3.—Latest messages from President Wilson approve the plan of an informal reception by a committee of citizens on his arrival at New York at Carnegie hall, Secretary Tumulty said today. After that the president will come direct to Washington.

### EX-KAISER

(Continued from page one)

That unusual activities were observed at Amerongen castle, where the former kaiser is at present interned. This was interpreted as indicating he intends to move, though possibly only to another point in Holland.

### Germany Divided.

Germany is divided over the trial of Wilhelm, the military caste bitterly opposing it and the radicals openly advocating that he be tried by a German socialist tribunal. The German Officers' association recently sent a communication to the Dutch government urging that extradition of the ex-kaiser be refused and announcing that its members were determined to protect him from trial.

Lloyd-George stated also to the commons that other officers who count-

### Stop Itching Skin

There is one safe, dependable treatment that relieves itching torture and skin irritation almost instantly and that cleanses and soothes the skin. Ask any druggist for a 35c or \$1 bottle of Zemo and apply it as directed. Soon you will find that irritations, pimples, blackheads, eczema, blotches, ringworm and similar skin troubles will disappear. A little Zemo, the penetrating, satisfying liquid, is all that is needed, for it banishes most skin eruptions, makes the skin soft, smooth and healthy. The E. W. Ross Co., Cleveland, O.

ted appalling infamies will be tried. "The peace terms are in many respects terrible, but terrible were the deeds which justified them," said Lloyd-George.

### Premier Given Ovation.

The premier declared the German army is now inadequate to disturb the peace of even the feeblest neighbors. He said that the limit of reparations is "Germany's ability to pay."

Restoration of the 1,500,000 square miles of German colonies is impossible, he maintained, because of former ill-treatment of the natives by the Germans. He said that he resolutely opposed putting "any predominantly German territory under Polish rule."

Lloyd-George was given a remarkable ovation when he started to speak. He immediately announced the introduction of two bills to "enforce the most momentous document to which Britain ever affixed her seal."

### Wilhelm Gets Restless.

The Hague, July 3.—(United Press.)—Unusual movement at Amerongen chateau were reported today by the Handelsblad. Commenting on this, the newspaper said it expects the former kaiser will attempt to depart from his home there.

The Nieuwe Courant declared today that the Dutch government does not feel obliged to turn Wilhelm over to the allies.

"He is free to go where he likes so long as he stays in Holland," said this journal.

\* TO HAVE PERFECT SKIN \*  
\* THROUGHOUT THE SUMMER \*  
\*\*\*\*\*

This is the season when she who would have a lily white complexion should turn her thoughts to merozolized wax, the firm friend of the summer girl. Nothing so effectually overcomes the soiling effects of sun, wind, dust and dirt. The wax literally absorbs the scorched, discolored, withered or coarsened sear skin, bringing forth a brand new skin, clear, soft and girlishly beautiful. It also unclogs the pores, removing blackheads and increasing the skin's breathing capacity. An ounce of merozolized wax, obtainable at any drug store, applied nightly like cold cream, and washed off mornings, will gradually improve even the worst complexion. There is nothing better for the removal of tan, freckles or blotches.
