Our Sales in 1918 Were More Than Twenty-One Million Dollars

This wonderful volume of business gives us a purchasing power that enables us to undersell

annual remion and election of officers Sunday June 29. A. D. Yorgen was reelected president, Mabel Yergen secsetary and J. V. Swan vice president.

Mrs. Geo, W. Yergen of Portland
and Mrs. Mary rorgen of Donald,
whose birthdays the date happened to
be, were special guests of honor, Each
was presented with a handsome bouquet. The day was celebrated with an was presented with a handsome bou-quet. The day was celebrated with an old fashioned pieue, each family con tributing many good things to eat. A number of these present motored to the was a pleasant uffair enjoyed by those attending. Sandwiches and coffee were accord during the evening. Kents ornumber of these present motored to the reunion from points as far away as Portland and Porest Grove, Reministrances were indulged in, and all departed feeling that the reunion has acmonted the ties of kinship all the closer. The last Sanday in June was chosen as the permanent date for the rougion and Bruns' grove selected as the place.

Was a pleasnot inffair enjoyed by those attending. Sandwiches and coffee were served during the evening. Kents or chestra furnished the music. About forthe army.

Robert Swazey of the Telegram force is speeding the week in and about Donald, the guest of the Thurston Yerigens.

The government's official thermomter registered a maximum of 82 yester the highest since Sept. 28, 1918, when the official figure was 90 above. With the government's thermometer registering 82, the temperature on the street is generally several degrees higher. During the past two months there has been a rainfull of only .94 of an inch, as in May the total precip tation in Salem was SI of an inch and a June only .13 of an inch. The offi day it was partly cloudy, with a maximum temperature of 77 and a minimum of 50. Two years ago today the weather was clear, again clear three years ugo four years ago eloudy, clear on July 4, 1915, cloudy for the day in 1914, clear in 1913 and cloudy in 1912. According to the weather records, it is a safe guess that it will not rain in Saem on the Pourth.
