

To the Woman Who "Never Has Any Luck Putting Up Fruit and Berries"

How even a Beginner can be Sure of Perfect Results in Making Jams, Jellies and Preserves

Good home preserving is now easy to accomplish. Even the housewife who "never has any luck" with all sugar preserving can put up fruit perfectly if she will first make her preserving syrup with 1/2 Karo (Red Label) and 1/2 sugar—instead of sugar alone.

By this method you can always have the finest, most delicious jams, good clear jellies, and preserves with a rich, heavy syrup.

Karo is a fine, clear syrup, with a natural affinity for the fruit juices.

It blends the fruit with the sugar, doing away with one of the great difficulties of putting up fruit at home, and just about cutting the work in half.

You can depend on it that fruit put up by this method will never grow tough or "candy" in the glass.

For Cooking, Baking and Candy Making Karo (Red Label) is used in millions of homes. In all cooking and baking recipes us Karo instead of sugar. It is sweet, of delicate flavor, and brings out the natural flavor of the food.

FREE The experienced housewife as well as the beginner will find unusual interest in the new fifty-eight page Corn Products Cook Book. Beautifully illustrated—and suggestions galore for preserving, etc. It is free—write us today for it.

THE "one America first" movement which received such impetus during the year when the war was strictly an European affair, has come into its own again. The two years in which the United States was concerned in the struggle saw scarcely any travel of any description. The means of transportation were used in moving troops and those persons who were unfortunate enough to be left out of the great game, by force of circumstance, were busy doing their bit in their own limited sphere. However, now that final settlement has been agreed to, the wanderlust is claiming its victims once more, and with travel in Europe almost impossible as yet, Americans are making the most of the situation and becoming acquainted with their own country.

A great number of Salem people have chosen interstate or trans-continental trips as their form of summer enjoyment. From word received by friends during the various stages of their tours, all report excellent roads, beautiful weather and marvellous scenery. Aside from a few who are visiting the orient, and a very few who have obtained passports to Scotland and England, Salem folk who wish to travel this season are choosing the states as their objective.

Mr. and Mrs. E. Hofer are the latest summer emigrants, having left last evening for San Francisco and a tour of southern California.

Mrs. Isaac Leo Patterson was charming hostess for a delightfully informal dinner at her pretty country home near Eola Monday evening. Circling the table which was handsomely centered with a bowl of pink roses, were Judge and Mrs. George Burnett, Mr. and Mrs. Charles A. Park, Mrs. Edward Hirsch, Paul Wallace and Mr. and Mrs. Isaac Leo Patterson.

Miss Hazel Blake who has been visiting in California for the past month, has returned to Salem. During her absence Miss Blake was the guest of her sister, Mrs. Charles A. Bots, in Modesto, for a few days, after which she visited friends and relatives in Pasadena and Long Beach. She was accompanied by her father, William Blake, who made the trip for the purpose of securing valuable information as to the methods of walnut drying used by California growers. Mr. Blake will put into practice any practical ideas he found in improving his own large walnut grove at Willow Lake.

Rainier national park is receiving its share of Salem tourists this season. Yesterday afternoon Mrs. George Bingham, Mrs. William Brown and Mrs. W. H. Dancy left on a motor trip to the park, planning to return in about a week.

Mrs. W. L. Talbot, who has been visiting in Salem, left yesterday for her home in La Center, Washington. She was accompanied by her sister, Mrs. William Retzen, who will remain as her guest for about a month.

A merry time is anticipated at the annual picnic of the Woman's Relief Corps, which will be held tomorrow at

Next time you buy tea, don't think of "a pound of tea." Think of the cups of tea you are going to drink.

Think of the pleasure you are going to get. Think of the real tea-flavor.

Then think of tannin—ugh!

Now do you want common tea or Schilling Tea, the fine economical practical tea?

These are four flavors of Schilling Tea—Japan, Ceylon-India, Oolong, English Breakfast. All one quality. In parchment-lined moisture-proof packages. At grocers everywhere.

Mrs. W. H. Lytle is home again after a lengthy visit in Pendleton with her brothers, James Hill and Dr. David Hill. During her stay in the eastern Oregon metropolis, Mrs. Lytle was the recipient of many social favors, and the Pendleton papers carried interesting accounts of the functions and informal affairs given in her honor.

After an enjoyable visit with their parents, Mr. and Mrs. Frank Davey, Mr. and Mrs. J. C. Bowen and their children have returned to their home in Eagle Valley. Like all other visitors in the Willamette valley, Mr. and Mrs. Bowen were charmed with the country and were particularly pleased with the capital city.

Summer guests at the home of Mr. and Mrs. F. A. Baker are Mrs. Walton Young and Miss Catherine Croft of Newbill, California.

Among the Salem folk registered at Portland hotels are Herbert Nunn, Charles A. Whitmore and R. S. Southwick, who are guests at the Imperial.

Miss Anna Muller has returned to Salem after a short visit in Portland.

Salem women interested in the work of the Young Women's Christian association will be interested in the following news item:

Two groups of women left Y. W. C. A. headquarters in New York for far away countries. One party went to Armenia and the other to Russia. Each consists of three workers.

Miss Carrie Young of Williamsport, Pennsylvania, is head of the Armenian group. The other members are Miss Marion Poabody of New York city and Miss Helen Jones of Greencastle, Indiana.

The women go to Armenia as the result of a request for Y. W. C. A. cooperation coming from Miss Margaret White, Y. W. C. A. worker now in Armenia with the Armenian and Syrian relief commission.

Miss Elizabeth Prichard of Gary, Indiana, Miss Kate Van Easton, Xenia, Ohio, and Miss Ebertha Raslofs of Annapolis will go to Russia. The Russian delegation will proceed directly to Bergen, Norway. Here they are to receive word from Miss Marcia Dunham, head of the Y. W. C. A. in Russia, as to their trip from Norway to Russia. They may enter Russia from Archangel or from a more eastern port.

JOHNSON ATTACKS LEAGUE

Boston, Mass., July 8.—Senator Hiram Johnson, California, speaking here last night, bitterly attacked the league of nations as the "best thing which anyone ever attempted to foist upon the American people."

The speaker also attacked President Wilson and his administration. Johnson declared the league is an instrument which throws the fortunes of America to the rest of the world "for the rest of the world to do with as it sees fit."
