

A Whiff of Winter On a Sizzling, Hot Summer Day.

Isn't half as welcome as this showing of
PALM BEACH SUITS

PALM BEACH SUITS

There is no need to feel like "THE LAST ROSE OF SUMMER" IN THE GARDEN OF MISERY just because the weather is so hot.

THIS SUMMER make up your mind to enjoy the cool comfortable feeling that you secure in a PALM BEACH SUIT; also get the style that you so much envied on the other fellow last Summer.

PROBABLY you have the notion that a suit to be cool and comfortable should be half bag, half rag; but a Bishop's Suit will soon convince you this is not true.

To be cool is a condition of the mind and a condition of the body combined—to get this combination correctly balanced watch the man with a SUIT OF PALM BEACH purchased from BISHOP'S.

There's no excuse for not getting the very best—you'll always find that at the SALEM WOOLEN MILLS STORE they sell only the very best clothes.

PRICED AT \$15.00 AND \$25.00

Your health and happiness, your success in business, your life in the future, depends upon the care and attention you give to your health, NOW.

SOCIETY.

By Gertrude Robinson

THE principal object of interest in clubdom at present is the woman's building at Eugene. Ever since the last legislative session the club women of the entire state have centered their energies toward the task of obtaining the necessary funds for the erection of the much needed building. Dances, teas, musicales and informal social gatherings, all have served the purpose of promoting interest in the cause. The alumni association of the University of Oregon has been especially backed by club women throughout the state, and it is only a matter of a short time before the goal is reached. To aid in the undertaking every undergraduate of the university has volunteered to earn five dollars, which will be contributed to the general fund, and committees have been appointed in all the principal towns of Oregon to stimulate interest in the project. Miss Marjorie Kay and Miss Doris Churchill compose the committee for Salem.

Mrs. N. C. Kafoury and sons Leo, Ivan and Paul, accompanied by Miss Kafoury, left for Seattle and Victoria, B. C., to visit relatives and friends. They plan to be gone the greater part of the summer. The friends of Miss Kafoury will be pleased to know she has entirely recovered from the serious operation performed early in the spring and upon her return home will resume her position with Kafoury Bros.

Honoring her daughter, Mrs. Inez Denison Suttle of Portland, who is spending a two weeks visit in Salem, Mrs. Ruth Denison entertained with a delightfully informal dinner last evening at her home, 1540 North Liberty street. The table was prettily centered with sweet peas and covers were laid for the following: Mrs. Inez Denison Suttle, Mr. and Mrs. E. E. Denison, Mrs. Augusta Eaton and Mrs. Ruth Denison.

Miss Beulah Fox and Miss Constance Fox of Portland are guests at the home of their aunt, Mrs. M. B. Shirley. Both young ladies were formerly of Salem and were extremely popular during their residence here. Countless friends of the younger social set are making their visit an enjoyable one.

Guests at the J. E. Van Doren home are Mrs. Van Doren's parents, Mr. and Mrs. F. L. Hackney, who are en route to their home in Minneapolis from Pasadena, California.

Judge and Mrs. George H. Burnett, Colonel and Mrs. Percy Willis and Mrs. Edward Hirsch formed a party who motored to Waldo Hills Tuesday evening.

The Women's Missionary society of the First Presbyterian church will meet tomorrow afternoon at 2:30 in the church parlors. All the women of the parish are cordially invited to be present.

Dr. and Mrs. J. Ray Pemberton returned yesterday from a ten day motor trip to eastern Oregon.

Miss Verna Keppinger who has been the house guest of Miss Dorothy Buchner, has returned to her home in Ger-

Miss Laura Grant received word yesterday of the death of her aunt, Mrs. E. Houck of Kansas City, which occurred on the 27th of June. Mrs. Houck will be remembered by a number of Salem friends whose acquaintances she made while visiting here for more than a year, three years ago as the guest of her sister, Mrs. Matilda Grant.

Mr. and Mrs. John Mauer and Mr. and Mrs. Vernon Parsons are enjoying a motor trip on the McKenna. The party left yesterday and will be gone about a month.

Miss Edna Purdy is in Portland attending the Northwest Nurses' convention.

"Americanization" is the one special line of work to be concentrated upon now by the general federation of women's clubs. It has for its object the linking of federations of foreign born women with the local, county and state wide groups which form the great national chain of women's clubs. It is the hope of leaders in the federation to open a new sphere of individuality for women from those countries where the position of women has been restrained.

The Women's Alliance of the Unitarian church will meet with Mrs. C. H. Ostrin, 1850 Chemeketa street, Friday afternoon at 2:30 o'clock.

A Careful Perusal Will
Be Worth While

No thrifty person can afford to ignore any of the special inducements that will be offered at this store on Saturday. All our broken lines and slow sellers will be radically reduced. Don't misunderstand--there will not be a general reduction on everything in the store, but plenty to make things interesting and wholly worth while in the face of rapidly advancing prices.

Don't fail to read our advertisements in Friday's papers. Your dollar will cover more on Saturday than at any time during the coming seasons.
